

GROWING BOSWORTH

Harborough District Council is currently seeking the public's views on its Core Spatial Strategy. A key document of the Local Development Framework, this document is, in essence, the council's 'instruction book' on how to steer development within the district over the next 20 years.

The Core Strategy document sets out priorities, policies and targets for development areas, housing mix and commercial development and seeks to ensure that the local community infrastructure is maintained along the way.

The overall strategy outlines the need to develop a further 2,700 dwellings, over and above those already in the pipeline or planned, across the district. The proposals seek to focus development in areas where service and amenity provision is already established.

The key areas for development are, as expected, the larger communities. In Market Harborough the Airfield Farm 1,000 home and commercial centre scheme is in the forefront of thinking. In the next tier, Lutterworth and Broughton Astley are designated as key centres and deemed suitably placed to accommodate further development.

Closer to home, Husbands Bosworth has been identified, along with other villages such as Ullesthorpe, Billesdon and Great Glen, as a rural centre and deemed suitable for limited further development. Identification of areas for such development doesn't mean that it will automatically happen. Suitable sites need to be brought forward and demonstrate their commercial viability before they proceed into the due planning process.

The emphasis in schemes that are put forward will be on meeting diverse housing needs, including affordable housing, especially in rural areas, whilst safeguarding the individual character of settlements. The proposals also call for schemes to demonstrate green credentials and sustainable infrastructure and, hopefully, more than a passing nod for conservation and heritage issues.

The draft document 'Core Spatial Strategy: Pre-Submission Consultation' can be found on-line at www.harborough.gov.uk and views are currently being sought.

AIRCRAASH MEMORIALS

During World War II, two aircraft, a Miles Master trainer and a Vickers Wellington, crashed close to Husbands Bosworth aerodrome, in the grounds of Bosworth Hall. Husbands Bosworth & District branch of the Royal British Legion, with the support of the Parish Council has decided to commemorate, with permanent memorials, those who lost their lives in these accidents and, indeed, all those who served at RAF Husbands Bosworth during the war.

Plinths and memorial plaques are to be erected at the sites of these accidents and an unveiling ceremony will take place on Saturday, December 4th. Two of the crew members of the Wellington who died were Australian, two were RAF and the aircraft was paid for by the people of Trinidad. A eucalyptus tree will be planted at the site of the Wellington crash, donated by the Royal Australian Air Force as a memorial to their countrymen who died.

Coffee, to welcome our guests, will be served at 10.00am at the Church Hall, Honeypot Lane. The unveiling ceremonies will take place at the crash sites at about 11.00am. The Royal British Legion chaplain will perform a dedication service and the Last Post will be played. Afterwards there will be a finger buffet and light refreshments in the Church Hall to which everyone is invited to attend. There will be a display of historical information relating to the RAF activities at Husbands Bosworth in wartime from the Historical Society's archive collection. This exhibition will also feature recent pictures of some of the wartime buildings that still remain today.

The crash sites are fairly close together but are in open agricultural land, part of which is cultivated. Therefore those attending the unveiling are advised to wear appropriate all-weather attire and robust footwear! A limited amount of transport will be provided to the sites and 4x4 motor vehicle access is possible nearby.

ADVERTISING STANDARDS...

Advertisers are reminded that the *Bugle* Advertising Year commences with the February 2011 issue.

The *Bugle* Team's aim is to produce a self-financing news-sheet of local and public information. To retain sufficient space for this information we have to limit the amount allocated to advertising. Obviously the trick is to balance the advertising space and its much-needed revenue, with news space.

The 'compact' way is to list, for a small fee, businesses and contact details in our Business Directory. For more impact we can accommodate about 14, eighth-page block ads, which will be allocated on a first-come-first-served basis.

So if you wish to advertise next year please contact Sylvia on 880910 as soon as possible or e-mail: hiprice@btinternet.com

Regular advertisers will receive a reminder.

POSTBAG

From Penny Arscott, Wendy Cochrane and Ceri Womack

We would like to thank everyone who came to the Hallowe'en Party in the Village Hall. All the children looked great in their fancy dress. We would also like to say a big thank you to everyone who helped us. We made £144 which will be split between Mums & Tots and FOBS.

From Robert Constable-Maxwell, Chairman, Husbands Bosworth & District Branch of RBL

A note to update everyone on the progress of this year's Poppy Day Appeal. Although we have not yet counted all our collections, the indications from those that we have so far received are that we have collected considerably more than last year. This is a really excellent and highly commendable result. On behalf of the Royal British Legion, I would like to thank everyone for their most generous and welcome continuing support.

Bill Reay, of Bell Lane, has lost a Kodak folder containing a bunch of old photographs of deep sentimental and personal value. These may have been lost anytime in the past month either around the village, on the 58 bus route or in Market Harborough. If you have found them Bill will be eternally grateful. Call him on 881019 or 07949 920766.

Fraudsters claiming to work for the District Council have called local residents claiming that the householder is in Council Tax arrears. They ask for bank account details so that payment can be made over the phone. Fortunately none of those approached in this manner so far have given their details. Harborough District Council reminds everyone that they would never ask for bank details over the phone. If money is owed, any genuine organisation will always inform you in writing.

Leicestershire Police are keen to locate a white Ford Focus ST, reg. FL58 HHC and its occupants, which is thought to be linked to a spate of distraction burglaries across the East Midlands.

If you see this vehicle call the police immediately on 999.

Northants Police report a recent spate of thefts of JCB loaders in their area.

Lutterworth police have recovered a large quantity of valuable fishing tackle. If you have had similar equipment stolen please call Sgt. Dave Thorley on 0116 222 2222 and leave a message using his ID number (1603) when prompted.

POSTAL SCAM WARNING

A card is delivered from a company called PDS (Parcel Delivery Service) suggesting that they were unable to deliver a parcel and that you need to contact them on a 0900 number to arrange delivery. **DO NOT call this number.** This is a scam originating in Belize. If you call the number you will hear a message and will already have been billed £15 for the connection. If you receive a card like this call Royal Mail Fraud on 0207 2396655.

Concerns have been raised about incidents of anti-social behaviour and possible under-age drinking after dark around the Church Hall in Honeypot Lane following the discovery of littering in the area. The local police are aware of the problem and are stepping up patrols in the area.

LOCAL PIRATES...

Kilworth House Theatre has recently unveiled their programme for 2011, with the popular open-air venue hosting the welcome return of *The Pirates of Penzance* in June. PARISH COUNCIL NEWS

Report of the Parish Council meeting held on Tuesday, November 2nd 2010.

Four Council members and two members of the public were present. Apologies received from Brian Smith.

Visitors' Questions

Concerns were raised about school traffic using School Lane and incidents of inconsiderate parking by parents dropping off children at the school. The narrowness of the road and the lack of a properly defined raised footway were discussed. Whilst Council agreed to consult with Highways on behalf of the concerned parents and seek a site visit, it was felt that strong representation from the school authorities would carry more weight.

Matters arising from the Minutes of the Previous Meeting

Council discussed the 'clouded' condition of the Butt Lane traffic safety mirror. It was noted that Highways cannot authorise the installation of these mirrors and that it would therefore be inappropriate for Council to directly support the replacement of the existing mirror. However, Council agreed to part-fund traffic safety measures for Butt Lane residents to administer as they felt appropriate.

The Clerk had obtained information about a universal padlock that could be opened by emergency services to gain access to the Playing Field and Play Area. It was agreed to purchase the required number.

Cemetery

It was noted that the BTCV had completed the work to remove self-set saplings and trim back the overgrown yew trees in the cemetery.

Playing Field

A quotation for the installation of a surfaced pathway to the skatepark had been received. It was agreed not to progress this project at present but to seek further quotes in the next financial year.

It was agreed to authorise the safety related repairs to the play equipment and skatepark, which were highlighted by the recent RoSPA report.

Council briefly discussed the condition of the pavilion after the Conker Championships. However, it was felt that this matter would be better aired at the next Playing Field Committee meeting.

Allotments

Clerk informed Council that one plot had been relinquished. This had been offered to an applicant on the waiting list.

Traffic Issues

Funding for the Speed Indicator Device has been received and the progress of the project is now waiting for the results of the structural survey of the sites and authorisation by LCC.

Neighbourhood Watch

Concerns were raised that the NW automated messaging system was changing. Some Council members had followed instructions on how to register for the new system on-line but were concerned that their submitted information had not been logged.

Correspondence & Planning

Council noted that Station Road had been omitted from the highways winter gritting schedule. Clerk was asked to ask LCC that the road be included. A letter outlining proposals for the High Street Garage site was discussed. It was agreed to await the formal submission of plans before making comments.

Any Other Business

Clerk informed Council that the waste bin for the High Street bus shelter site is to be erected.

It was agreed to consider the Clerk's salary review at the next meeting.

Next meeting

The next meeting of the Parish Council will be on Tuesday, December 7th at 7.30pm in the Committee Room of the Village Hall.

PARISH COUNCIL NOTICES

Allotment Waiting List

If you would like to be considered for a village allotment please contact the Parish Clerk (*as above*). Please note that priority will be given to residents of the parish. CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

ALL SAINTS CHURCH

We pray that the joy of the angels, the wonder of the shepherds, and the peace of the Prince of Peace fills your hearts this Christmas time.

"The light shines in the darkness, and the darkness did not overcome it."

Experience the beauty of **Christingle**, for all the family, at our service in aid of The Children's Society on Sunday, December 12th at 11.00am.

"And suddenly there was with the angel a multitude of the heavenly host, praising God."

Celebrate this joyful and holy season at the **Carol Service** on Sunday, December 19th at 6.00pm.

"Look, the virgin shall conceive and bear a son, and they shall name him Emmanuel," which means, 'God is with us.'"

Bring your children and come and see the Christmas story unfold at the **Crib Service** to celebrate the birth of Christ on Christmas Eve at 5.00pm

"And she gave birth to her firstborn son and wrapped him in bands of cloth, and laid him in a manger."

Find the peace and joy of Christmas at our **Midnight Communion** at St Nicholas', Mowsley at 11.30pm on Christmas Eve and at St Mary Magdalene, Shearsby at 9.30am on Christmas Day.
