

## YOUR VILLAGE HALL NEEDS YOU!

**The original Deed of Trust for the Village Hall, drawn up in 1894, states that the number of Trustees should be nine and when, for whatever reason, the number falls to three or less others should be appointed to make up to that number.**

When, in 1953, the Hall became a registered charity, the rules were amended to create a Management Committee of fourteen members. Eleven of those members were to be representatives of village organisations: the Parish Council, Parochial Church Council, Methodist Chapel Trustees, Baptist Chapel Trustees, Roman Catholic Church Trustees, Women's Institute, British Legion, Cricket Section, Bowls Section and Football Section of the HB United Sports Club, Sheep Dog Trials and the Pony Gymkhana.

Some of those organisations no longer exist but for many years the majority of the Hall Management Committee consisted of representatives of current organisations.

However for the last few years the Management Committee has shrunk and now numbers just four. Those four cannot go on forever. Soon there may be none, at which point the Village Hall will have to close. The present Management Committee makes what it believes to be the best decisions on behalf of the whole community but without a wider opinion base those decisions may not always be the best ones.

We now have a considerably enlarged population, most new to the village. What are the needs and ideas of the new villagers? Membership of the committee need not be onerous. Its role is to manage and not necessarily to arrange events. It meets about nine times per year; attendance at all the meetings is not absolutely necessary. Many of those meetings are very brief – finances and repairs – probably little more than 45 minutes but twice a year it would be good to have a larger number of people to consider and discuss the priorities for the coming year and then to review progress.

The Hall is owned by residents of the village; it is not a parish hall owned by the Parish Council. Please consider becoming a committee member. You don't need to be a member of a village organisation to qualify. Please contact Jackie Fletcher 880910, Lloyd Jones 880343, Sam Moreton 880545 or Ken Rogers 880401.

### FESTIVAL TIME...

Plans for a lively activity weekend are coming together for the Bosworth Festival weekend, June 28<sup>th</sup> and 29<sup>th</sup>. A Barn Dance at Oak Lodge Grainstore on Welford Road will get the circulation going and set the party swinging on the evening of Friday 27<sup>th</sup>! Tickets, £10 per person are available from Ken and Jennifer Rogers 880401.

On Saturday morning there will be a car-boot sale at the Sports Pavilion, Kilworth Road. Pitches are £6. To book please call Audrey on 880316. Bacon butties and hot drinks will be available from the pavilion servery. Also on Saturday, All Saints Church will be hosting a Flower Festival from 10.00am to 4.30pm.

On Saturday evening break out the champers and candelabra for a proms 'Picnic on the Lawn' at Bosworth Hall, which will be accompanied by the Happy Jazz musical ensemble. Sunday sees the action move into the Park with local groups, trade and charity stalls, demonstrations and other activities planned. If your group would like stand-space on Sunday in the park or if you have crafts that you would like to sell, call John Clarke on 880263 to book a space. Funds raised over the weekend will be distributed to local charities.

### SCAM WARNING

Leicestershire Trading Standards have recently issued a scam warning. The scam usually arrives as an email request from a foreign address for a service or as a response to an internet sale advertisement. The fraudster agrees a price and asks the victim to accept a cheque for more than the amount agreed, explaining that the difference should be forwarded to a third party. The premise is that the extra cash is a loophole to get money out of the sender's country. Of course the cheque will bounce and the victim is left out of pocket, often to the tune of thousands of pounds. A recent approach involved a family purporting to be emigrating from America and offering to pay in advance for childminding services. If you are unsure about any aspect of a 'deal' call Consumer Direct on 08454 040506.

## POSTBAG

*From Richard Bird, Newnham near Daventry (formerly of HB)*

Thanks for another year of Bugling. It's got so big it's almost grown into a Trumpet!

*From Steven Price, Highcroft*

I would just like to give a big thanks to all those people who kindly supported the recent PH4SE (Phase 4) charity gig held at Sapcote Working Mens Club, raising funds for Breast Cancer Awareness. We raised a staggering £600 plus for the charity. For all those people who missed the opportunity to see us, we will shortly be releasing an E.P. (entitled "Sounds Like a Plan") and you can reserve your advance copy from Steven Price, 3 Highcroft, Husbands Bosworth (880902) The cost of the E.P. is £5 of which £2 will be donated to Breast Cancer Awareness. Many thanks to all those people who continue to support us.

*From the Playing Field Committee*

The facilities on the Playing Field, being some distance away from the built up areas of the village, have recently become a focus for anti-social behaviour. The tennis court complex has been the victim of sustained attacks by youngsters intent on destroying the perimeter fencing and under-age drinking in the shelter. Youngsters also congregate at the pavilion, which has become a target for graffiti and vandalism. In a recent incident three young village boys were seen breaking bottles on the veranda, leaving broken glass scattered around in the grass where it can't be easily cleared up. The consequences of injury, for sports people using the field or the youngsters themselves, could be serious. In an effort to curb this anti-social behaviour the Playing Field Committee is now considering installing CCTV to cover the pavilion area, the car park and the tennis courts.

## COUNTRYSIDE WATCH ALERT

Market Harborough Countryside Watch co-ordinators are urging local farmers and stock keepers, especially those with buildings in remote areas, to be vigilant following a series of thefts of red diesel fuel, road derv and heating oil from isolated properties in the north Northamptonshire area.

Daventry police are keen to hear from anyone with information following the recent spate of thefts and would welcome reports of any strangers and vehicles seen in remote rural areas. Call Northants North Area rural beat team on 08453 700700.

## WATCH WORD

*THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH*

### LOCAL BEAT PRIORITIES

The Market Harborough and Lutterworth Local Policing Unit has set out a list of priorities for neighbourhood policing activities for the early summer period. Consultation with the community has identified a number of issues that have caused local residents concern recently. As a result of increases in anti social behaviour in Lutterworth town centre, especially at weekends and in the evenings, the number and frequency of foot and mobile patrols will be increased. The unit is also seeking to increase consultation with the community to identify and target specific local issues and concerns, especially in the village communities. Police are also aiming to clamp down on under-age drinking in both the town centre and surrounding villages.

### S15 Lutterworth South Neighbourhood Beat priorities - Spring/Summer 2008

Consultation with the community has identified the following priorities that we will be concentrating on over the coming months.

- Reduce anti-social behaviour in Lutterworth town centre
- Increase consultation with the community to identify and target local issues and concerns
- Reduce the impact of under-age drinking in both Lutterworth town centre and surrounding villages

**The Bugle acknowledges a kind donation towards our fighting fund from an 'Anonymous Gentleman and his Good Lady' of Bell Lane!**

### CAR KEY THEFTS

A number of car key burglaries from vehicle keepers' homes have been reported in the area recently. Most of these crimes take place when the occupants are at home, usually in the late evening or overnight. This type of offence is becoming more common as vehicle security systems become more advanced. The criminals gain entry to the house via an insecure door or window. Residents are reminded to keep their properties secure both during the evening and overnight, even when at home. Take your keys upstairs when you go to bed or hide them in a location that would not be obvious to overnight thieves.

**Harborough & Lutterworth police would urge all livestock keepers to ensure that all their boundary hedges, fences and gates are secure at all times. Any road traffic accident that is caused by straying animals may lead to the owner being prosecuted if it can be shown that poor quality fencing or badly maintained hedging was contributory to the stock straying.**

### Northamptonshire West Police

**URGENT MESSAGE** Please look out for a suspicious vehicle seen in the north Northants area, the occupants of which were thought to be looking for red diesel. The vehicle is a white Peugeot estate, registration L857 WPP. The occupants were two males in their late 20s, dark-haired, of stocky build and 5'10"-6' tall. If seen, please report to the police on 0116 222 2222 immediately stating the location and direction of travel.

# SCHOOL REPORT

## SCHOOLS SWIMMING GALA March 11<sup>th</sup> 2008

When we arrived at Market Harborough swimming baths our nerves were almost overwhelming us and we thought that we were late.

Gabrielle went first in the Year 5 Girl's Freestyle race and came second. Daniel was next and came first in a cracking Year 5 Boy's Freestyle. Next was Lauren; she bolted down the pool, but unfortunately she came fourth. Then came Max M. He had a faulty start so he came third. After that came Camen who shot down the pool coming in a whopping second place. Then there were many more amazing swimmers including Carter, Patrick, Candice, Dominic, Max D-H and Charlie Vicary.

In the end, overall, we came sixth out of seven. We all thought we should have got a better score, so we decided to blame it on the marks collector.

*Report by Max Meadows, Camen Green and Daniel Collins*

## CROSS COUNTRY RUNNING.

On February 20<sup>th</sup> pupils from Bosworth School took part in the local area schools cross country race. The children had a great time. They all were amazing. These are the places they came:

Dom Smith	30 <sup>th</sup>	Matt Day	10 <sup>th</sup>
Candice Hall	3 <sup>rd</sup>	Gabrielle	27 <sup>th</sup>
Rebecca B	25 <sup>th</sup>	Max D-H	17 <sup>th</sup>
Steven L	4 <sup>th</sup>	Rachael Day	59 <sup>th</sup>
Cristina Hall	73 <sup>rd</sup>		

The top three runners managed to get through to run for South Leicestershire in the county cross country race at Rutland Water on the March 15<sup>th</sup>.

*Report by Dominic Smith and Matthew Day*

**School Head, Carol McDermott, reports that the South Leicestershire team won the County Competition. This is the second time in three years that they have won overall, coming first in 2006 and second last year. Well done!**

## THE SYD EAST FOOTBALL TOURNAMENT

At the beginning of March the Bosworth team went to South Kilworth to compete in the Syd East football tournament. The 8 players were:

Max Meadows	<i>Goal Keeper</i>	Sean Scully	<i>Right Back</i>
Stephen Leedham	<i>Left Back</i>	Camen Green	<i>Right Midfield</i>
Patrick Sadd	© <i>Left Midfield</i>	Carter Gill	<i>Striker</i>
Dominic Smith	<i>Substitute</i>	Candice Hall	<i>Substitute</i>

Scores on the day were as follows:

Bosworth 0	Great Bowden 0
Bosworth 1	Swinford 1
Bosworth 1	Lubenham 0
Bosworth 0	Clipston 2
Bosworth 0	Welford 2

It was a great day out in the end, but it was a shame we only came fifth out of the 12 teams, just missing out on the semi-finals.

## BYGONE BOSWORTH

The Historical Society's periodical journal

### Villagers wait for water

In the autumn of 1947 the village was suffering from a serious water shortage as the wells ran dry following an exceptionally long, dry summer.

The district council undertook to supply the village with water drawn from a supply at Kibworth and a water cart visited Bosworth on three days of the week. The streets were lined with every water carrying receptacle imaginable, awaiting the arrival of the cart, and "the bringing in of the full receptacles has become as much a part of their household duties as fetching the groceries or doing the washing".
