

ROAD BLOCK

Villagers on the new Ashacre Close development in Bosworth have been warned that they may have to stump up the cost of finishing off their access road and footways to highways authority standards themselves.

Homeowners in the recently completed estate off Hunters Close have been told that the road surface, footways and surrounds do not meet local authority standards and cannot be considered for adoption by Leicestershire Highways until the work has been carried out. Residents have complained that the unfinished road and footway surfaces within the estate have been left in an unsafe condition and have called for the work to be finished. However, due to the general downturn in the building trade and financial constraints, the developers of the site, Northampton-based Barry Howard Homes, are unable to fulfil their obligations. Leicestershire County Council is warning homeowners that the cost of finishing the carriageway and footways may now fall on them.

The owners are concerned that the developers were not asked to lodge a bond to cover the cost of finishing the site to adoption standards before work commenced. They are now demanding an enquiry into why the safeguard bond wasn't lodged and are worried that the proposed Bosworth House development, partly accessed from Ashacre Close, will be given the go-ahead and compound the problem.

HOUSING NEEDS SURVEY

The village's Parish Plan survey conducted in 2005, pointed to a lack of affordable and social housing, starter and finisher homes, as a matter of concern for many residents.

In this issue of the *Bugle* you will find a copy of the Parish Council promoted Housing Needs Survey which we hope you will take the time to fill in. Even if you or your family members don't need to be considered for controlled housing it is important that you fill in the questionnaire so that a broad picture of the need and local acceptability is established. Your responses will be treated in the strictest confidence.

RADIO WAVES

Our very own Ralph Horton, Husbands Bosworth's answer to legendary radio presenter Mike Harding, hits the airwaves on Radio Lutterworth on Friday evenings from 8.00pm to 10.00pm.

Ralph presents a programme of live chat and plays a selection of music from his vast blues and roots music collection.

The station transmits on a temporary licence from its base in Church Street, Lutterworth until September 9th and is supported by local business and interest groups.

Catch up with Ralph on 97.5FM or crackle-free on-line at www.radiolutterworth.co.uk

WINDS OF CHANGE...

Opponents of the proposed wind farm on land adjacent to Pincet Lane, North Kilworth are gathering support for a campaign. At a recent informal meeting, residents of properties close to the site at Sparrow Lodge Farm discussed a strategy for opposing the proposals. The group are urging North Kilworth Parish Council to call an immediate public meeting to focus attention on the matter and are seeking support from neighbouring parishes in their campaign.

The group is also calling for Harborough District Council to defer any decision on the wind farm developments throughout the district pending the final drafting of a co-ordinated policy on renewable energy.

Farmer David Miles of Portly Ford Farm, Welford, who owns the land at Sparrow Lodge, is promoting the erection of a single-turbine 2.5mW installation, an access road and ancillary buildings on land to the south of Pincet Lane.

Editor's Note: Let the Bugle know what your feelings are towards wind farms. With the prospect of wind turbines sprouting all over the district in the near future, this issue is likely to become a very vocal debate over the next few months.

COPY DEADLINE
15th OF THE MONTH
PRECEDING PUBLICATION

CRIMESTOPPERS UPDATE

Information from the public to the Crimestoppers hot-line has resulted in the arrest of, on average, one suspected criminal a day in Leicestershire during the past 12 months.

Over 150 drug related incidents were investigated following information received and 6 burglars, 17 drink-drivers and 4 robbers were arrested. Suspects were also arrested in relation to other crimes including a number suspected of driving whilst disqualified, handling stolen goods and alleged assault cases. Three indecent assaults were also reported and £110,000 of stolen goods were recovered in the year.

Remember that the anonymity of those offering information on criminal activity is guaranteed. Call 0800 555 111 if you know something that you think the police should know.

POSTBAG

From Mrs. Yvonne Copon, Fleckney

I am helping to set up a new tag rugby team to play at Market Harborough Rugby Club. The team will give boys and girls from the under 9's to under 12's the opportunity to continue to play tag rugby rather than start tackling. I will be part of the coaching team leading this initiative so please let me know if you need any further information. Mrs. Yvonne Copon, 31 Badcock Way, Fleckney Telephone 0116 2403938

From Pete Horton, Lutterworth Observer

At the *Lutterworth Observer* we are always happy to promote not-for-profit community events free in our editorial section. If any village group has an event that they would like us to publicise we'd be happy to do a bit of a feature on it and if it's a daytime event we may get a photographer there. Telephone 01788 535147 Fax: 01788 577114 or email: pete.horton@lutterworthobserver.co.uk

From Steph Blay, Bell Lane

Regrettably, after announcing my intention to participate in the LOROS Coast to Coast walk in September, I have sustained a ligament injury to my ankle, which has meant having to pull out this year. To say I am disappointed is an understatement! The encouraging remarks and donations received and pledged was really uplifting. A very big thank you to those who have said that I can still forward their donations to LOROS. Plus Headfirst and Ryan's for keeping the collection boxes for those wishing to make a contribution. I am very sorry to have let everyone, especially LOROS, down, but if it is at all possible next year I will try again.

Editor's Note: Lorrie Forman is doing the 'Walk on the Wildside' 12 mile sponsored walk in aid of LOROS on September 21st and would welcome any sponsors. Call Lorrie on 880281.

LATEST... Burglary from a remote rural stable block complex. The haul included several thousand pounds worth of equipment including saddles, other tack and a number of quad bikes. Entry was gained by cropping off locks and forcing gates and doors.

WATCH WORD

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

LOTTO SCAM

Market Harborough police have received several reports of letters being received notifying householders that they have won some money in a lottery; in most of the recent cases it was the Spanish Lottery. These letters normally ask for some form of payment up front in order to release the winnings. This is obviously a scam. The police would urge everyone to be wary of any communication that they may receive by letter, email, text or phone call, that suggests that they may have won a prize. **The main thing to remember is that you can't win it if you're not in it!**

OPPORTUNITY KNOCKS

Take care when loading or unloading your car in the street. In a recent incident a member of the public was unloading a car on returning from holiday and whilst away from the vehicle for only a minute his sat-nav device, a pair of expensive sunglasses and his wallet, from the glove box, were stolen. If you can, have one person keep guard at the vehicle whilst someone else shuttles articles into your home. Otherwise lock your vehicle when you leave it unattended.

KEY THEFTS

There have been several reports recently of high powered or high value motor vehicles being stolen from outside the owners' homes by the method of entering the home to steal the car keys. In some cases entry was gained by the thief walking in through unlocked doors where the car keys were left in plain view. Don't give these thieves a break! Lock rear doors and windows even if you are at home. Garage your car if possible and if you must leave keys in accessible places think of somewhere innovative to hide them. For further crime prevention advice, please call Henry Whatley on 0116 222 2222 extension 3875 or by email at mktharb.lpu@leicestershire.pnn.police.uk.

Police have recently received reports from residents living on High Street, Husbands Bosworth concerning empty glass bottles left under vehicle tyres. The perpetrators are warned that this activity could be liable to a charge of harassment and any damage resulting would be criminal damage. If you know who the culprits are let the police know so that this foolishness can be stopped before someone is injured.

BOSWORTH IN FOCUS

A ROUND-UP OF HUSBANDS BOSWORTH NEWS

BRIDGE WORKS

Leicestershire Highways Authority is warning drivers that the Theddingworth to Gumley field road will be closed to through traffic for up to six months.

The closure is necessary to enable contractors working on behalf of British Waterways to carry out essential structural repairs to the canal bridge at Bunkers Hill. Local diversions will be in operation and clearly signposted.

TOY STORY

Harborough District Council Chairman, Brian Smith and his wife, Frances would like to thank everyone who came to their recent charity garden party. The party was blessed with fine weather and refreshments were served on the lawn.

The event was in aid of the Chairman's nominated charity, the South Leicestershire Mobile Toy Library, which loans specialist play and support equipment for children with special needs or disabilities to parents, nursery groups and schools in south Leicestershire. A total of £130 was raised towards the charity's funds.

HOUSING NEED

Over 50 villagers attended a recent meeting to discuss the future low-cost housing needs of the village and the forthcoming Housing Needs Survey.

At the meeting, Richard Windley, the Leicestershire Rural Housing Enabler outlined the process that needs to be carried out to assess any requirement. He explained the nature of exception sites, which are development sites outside the normal building envelope of the village that could be released for low-cost housing if they satisfied all other planning policy and service requirements. Chairman of the meeting, Tricia Day, told the meeting that no specific sites would be identified unless a need was established in the survey.

April Knapp of the East Midlands Housing Association explained the role of the social landlord and pointed out that exception site developments would normally be a mix of shared ownership and rental properties aimed at providing the first step on the housing ladder. They would not be owned outright, and so couldn't be sold on the open market, and would be provided specifically for occupiers with local connections.

Raj Patel, HDC housing policy adviser discussed the planning requirements and implications of the proposals.

The meeting closed with a question and answer session and panel members urged villagers to fill in the questionnaire.

ALL SAINTS COFFEE MORNING

The final 'Drop In' Coffee Morning of the year will be on Wednesday, September 3rd from 9.45am to 11.30am in the Church.

As usual there will be a Bring and Buy Stall. Please come along and support your local church - all funds raised go towards church maintenance.

All Saints Church members would like to thank everyone who supported the Wednesday coffee mornings throughout the summer.

BADMINTON CLUB

The new season will start on Monday, September 22nd at 7.30pm in the Village Hall, with the Annual General Meeting followed by badminton at 8.00pm.

Badminton sessions are on Monday evenings from 8.00pm to 10.00pm in the Village Hall and on Thursdays 8.30pm to 10.30pm.

The subscription fee for members is to be finalised at the AGM (approx. £15 per year), plus a 50p playing fee paid at each session. Play is social rather than fiercely competitive and new playing members are welcomed.

Unfortunately there is only one court available so the club is unable to cater for absolute beginners at present. However, there are beginner coaching groups in both Market Harborough and Lutterworth. For any further information please contact either Lorrie Forman on 880281 or Ralph Horton on 880526.

TENNIS CLUB

The club is pleased to announce that the receipt of a Section 106 grant, funded by recent housing developments in the village, will enable the club to install floodlighting on one of the Kilworth Road courts, extending the use of the facility. Funding has also been granted for resurfacing work at the courts.

At the recent meeting of the Playing Field Committee it was noted that some tennis players had been parking on the grass verge, outside the pavilion car park entrance gates, obstructing the view of those who do use the car park and creating a potential hazard for pedestrians.

In the interests of safety, club members are asked not to park their vehicles dangerously on the roadside but to use the pavilion car parking facilities. Members are reminded that their tennis court key will open the roadside gate padlock.

LOCAL NEWS

IN BRIEF

■Visitors to Kilworth Springs Golf Club, **North Kilworth** are probably used to seeing the odd 'birdie' but recently a family of barn owls has taken up residence in the club grounds. Closed circuit television pictures of the nesting owls are being screened in the clubhouse bar.

■The Harvest Festival service in the ruins of **Knaptoft** Church on Sunday, September 21st will be led by lay-reader Malcolm Britton from Syston. The service starts at 3.00pm and the musical accompaniment will be provided by Fleckney Silver Band.

BYGONE BOSWORTH

The Historical Society's Periodical Journal

Firstly, an apology from the Editor for the poor reproduction of the image sent in by Howard Stanyon of the gentleman that he thought may have had some connection with Husbands Bosworth. The image as sent is, in fact, perfect; it just refused to convert to a file acceptable to our printer's equipment. Anyway, the poor reproduction didn't prevent Mrs. Lesley Moss of Market Harborough, who grew up in Bosworth, from identifying the gent as Father Finch, of St. Hugh's Roman Catholic Church in Harborough. Furthermore Mrs. Moss turns out to be related to Howard Stanyon and the *Bugle* has had pleasure in passing her contact details on.

Amongst the other photographs that Mr. Stanyon has forwarded is one of the interior of Morton Wells Woodyard workshop, which once stood where Wells Close is today. The woodyard was a major employer for many years and in the picture at least 10 men can be seen at their work. During the Great War the company had a contract to supply wooden wheel barrows, presumably for use on the battlefields. There used to be a large boulder on the roadside corner of The Bell Inn to deflect the wheels of the timber drags away from the wall as they brought tree trunks to be sawn up at the sawmill.

HISTORICAL SOCIETY

The Historical Society winter programme starts on Wednesday, September 3rd when Dennis Parker of the Vulcan to the Sky Trust will be updating us on the progress of the recently restored Cold War bomber. The aircraft finally took to the air again last October, after 14 years awaiting restoration at Bruntingthorpe.

The restoration of Avro Vulcan XH558 to full flying and aerial display condition during 2006-7 cost over £8 million, partly funded by a Heritage Lottery Fund grant and today XH558 is reckoned to be the most complex privately owned aircraft flying anywhere in the world.

The meeting starts with enrolment for members at 7.00pm in the Church Hall, Honeypot Lane, followed by the talk at 7.30pm. This meeting is open to non-members and friends.

New members are always welcome. Membership fees are £5 for the year, plus 50p door charge per evening. Non-members £2 per evening.

Call Isobel on 880081 for details.

The Historical Society is hoping, in the near future, to compile a collection of village school memories and publish them in the next edition of the *Bygone Bosworth* series of booklets.

If you went to Husbands Bosworth School and would like to pass on your memories, by recounting them to a Society member or by writing them down, please let Isobel know as soon as possible on 880081.

BOSWORTH BELLES

The Bosworth Belles will be moving up a gear or two when they go karting at Stretton Circuit, the UK's premier karting centre, Great Stretton, near Stoughton on Wednesday, September 24th.

Call Ruth on 880644 for more information and to organise transport.

For the October meeting members will be taking the opportunity to re-wined! The meeting is another popular wine tasting session at a venue yet to be decided.

PLAYING FIELD COMMITTEE

Report of the Playing Field Committee meeting held on Tues., August 12th 2008.

Reports from Clubs

•The Rounders Club reported that the season so far had been very successful with high hopes of carrying off the local league silverware again.

•The Cricket Club had been affected by the poor weather conditions with a number of the season's opening matches disrupted.

•The Tennis Club were pleased that funding had been allocated to enable the installation of floodlighting and resurfacing work. The school's coaching sessions were very popular and had led to a number of youngsters joining the Club.

Other Business

•The Committee noted that the car park extension had been levelled and resurfaced.

•Quotes were being obtained by the Parish Council for paving around the pavilion building and fencing off the car parking area from the playing field.

•The Bosworth Festival car boot sale was reckoned to have been a success, raising almost £200 towards the pavilion running costs.

•Servicing of the roller shutters was discussed and it was agreed to seek more information from the installers.

•The committee agreed to seek further advice on the installation of CCTV to cover the pavilion and tennis courts area.

The next meeting of the Playing Field committee will be on Tuesday, October 21st at 8.00pm.

LUNCHEON CLUB

The next meeting of the Luncheon Club will be on Tuesday, September 30th at Kilworth Springs Golf Club. Diners are asked to meet in the bar as usual at 12.30pm.

The meeting is open to anyone living locally. If you are new to the area why not join the group and enjoy an excellent meal whilst getting up to speed on local gossip?

The cost of the two-course meal is £6.50 per person, to include coffee. Call Janice on 880668 to book or to arrange transport.

PARISH COUNCIL NEWS

Report of the Parish Council meeting held on Tuesday, August 5th 2008

Full Council, District Councillor Brian Smith and County Councillor Graham Hart and 12 members of the public were present.

Visitors' Questions

- Residents of Ashacre Close drew the Council's attention to the County Council's refusal to adopt the Ashacre Close carriageway and footways. The matter was discussed at some length and it was agreed to seek clarification, especially regarding residents' concerns that a Section 38 bond to cover finishing the work to adoption standard hadn't apparently been lodged by the developers before work started. Council agreed to support the homeowners in the matter.
- Questions were raised regarding the lack of progress on the High Street Garage site.
- A representative of the Mums & Tots Group requested help in the promotion and continuation of the group. The group was advised to write formally to Council.

Cemetery

- It was agreed to hold over the planned review of cemetery charges pending receipt of further information.
- Council awaiting quotes for the installation of access gates from the allotments to the cemetery.

Play Area & Playing Field

- Section 106 funding for fencing and the paving/pathway around the pavilion had been approved by HDC.
- Tennis Club had also been granted funding for installing floodlighting at the courts.
- The Parish Council had been awarded funding for the provision of play equipment for less able users.
- The annual RoSPA report had highlighted a few medium risk points and it was agreed to seek quotations for the necessary rectification work.

Allotments

- Clerk informed Council that all available plots had been let. A small overgrown part plot may be made available after the cemetery access gate had been installed.
- A noticeboard had been erected.

Traffic Issues

- There were no issues to report.
- Council noted that the Traffic Action Group had dwindled to three members and new members were sought.

Neighbourhood Watch

- Council noted that less Neighbourhood Watch information had been received recently and queried whether this was because less incidents were arising or if it was a contact problem. It was agreed to monitor the situation.

Any Other Business

- District Councillor Brian Smith informed the Council that Dag Lane had been cleared of overhanging vegetation and the paving swept by the highways authority.
- Members questioned why the Parish Council hadn't been included as consultees on the District Council's Sustainable Communities draft document.

Next Meeting

The next meeting of the Parish Council will be on Tuesday, September 2nd at 7.30pm in the Committee Room of the Village Hall.

Dog owners are reminded that they have a duty under law to ensure that their pets do not become a public nuisance.

There have been a number of reports recently of continually barking dogs in the village. Their owners should be aware of the effect that this nuisance can have on the quality of life of those living nearby.

Harborough District Council's Rural West *Have Your Say* forum will be at 7.00pm on Tuesday, September 16th at North Kilworth Village Hall.

The meeting is open to anyone and is an opportunity to air any concerns or seek information from local councillors and district council officers.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

ALL SAINTS CHRISTMAS FESTIVAL

This year's Christmas Tree Festival will have a new name and a slightly different format - Christmas Festival. The Festival will open on Friday, November 28th and run on Saturday 29th and Sunday 30th.

Displays can be of anything connected to Christmas - stars, angels, lights, Santa, food, etc., and of course Christmas trees! So get thinking now about your entry. Look out for entry forms in the next *Bugle*.

HISTORIC CHURCHES BIKE RIDE

The annual Leicestershire Historic Churches Ride and Stride fund-raising event will take place on Saturday September 13th. This event helps to draw awareness to the plight of our historic churches by inviting participants to visit them and helps to raise much-needed funds for their restoration. Half of the proceeds raised by the participants go towards their own church and half to the Historic Churches Restoration Fund.

The event is open to anyone, with almost every church building in the county open just for this day. And you don't necessarily have to ride a bike to join in - you can visit on horseback or on foot. Either way it's an ideal opportunity to visit often remote churches, many of which are not normally open. Lorrie Forman and Mike Price will be taking part again this year, on behalf of All Saints Church, Husbands Bosworth, aiming to tick off another clutch of local churches. If anyone would like to sponsor them please call Lorrie on 880281 or Mike on 880902.

CHARITY KNIT-IN...

At the Songs of Praise service, which drew the Bosworth Festival weekend to a close, Tricia Day made an appeal on behalf of *Oxfam* for knitted and crocheted squares to make a giant blanket to highlight the problem of orphaned babies across Africa. *Oxfam* wanted 250,000 squares, each one representing a baby left motherless due to poor pre- and post natal care.

Despite having only a month to complete the task Tricia is delighted to say that she received 118 squares from the parishes of the Benefice and would like to take this opportunity to thank everyone who took the time to make them. A special mention must go to super-knitter Margaret Farrington, of Kilworth Road, who knitted 43 squares! Tricia has received an e-mail from *Oxfam* thanking everyone for their contributions.

ALL SAINTS FLOWER ROTA

Altar:

August 31, Sept. 7 - Pat Woodbine

September 14, 21 - Jean Hutchings

September 28 - Lorrie Forman

Children's Corner:

August 31, Sept. 7 - Katharine Wright

LOCAL PLANNING APPLICATIONS

The following applications have been submitted to Harborough District Council:

- Change of use; workshop to form single dwelling, 42a Bell Lane [M Sewell]
- Erection of conservatory to rear, 6 Fernie Court [M Scott]
- Demolition of commercial building and erection of 3 two-storey terraced dwellings (rev. scheme), Lister Tools, Bell Lane
[Lister Power Tools Ltd.]

Current applications may be inspected during normal working hours at the Council Offices, Adam and Eve Street, Market Harborough LE16 7AG. Comments concerning planning applications should be addressed to the Head of Planning Services.

Planning applications and other aspects of local government can now be viewed on-line at www.harboroughonline.co.uk

PLANNING LATEST

- The application seeking to demolish the Lister Power Tools depot in Bell Lane and replace with 3 detached dwellings has been withdrawn.
 - Infill of disused railway cutting with inert waste, restoration to agriculture and temporary access. Creation of 2 fishing lakes with associated access, Croft Farm, Leicester Rd. [NRS Landscapes] **(To be determined by Leics. County Council 2008/C328/03)**
- A copy of this application can be viewed and downloaded at www.leics.gov.uk/eplanning_searchform.htm then entering the above application number and clicking search. I would be pleased to receive observations on this proposal. If possible would you please complete the on-line consultee response form or send a copy of your observations by e-mail to planningcontrol@leics.gov.uk. Hard copies of the application and any further information can be obtained from **Peter Bond**, planning officer, on 0116 305 7325.*
