

**WASTE FARM FALL-OUT...**

**R**esidents living close to the waste processing facility at Pebble Hall are worried about the safety of the operations carried out and security on the site following a recent spate of fires.

In the most recent incident a stockpile of waste wood stored on the site was burning for weeks as the fire brigade fought to contain the fire, sending ash and smoke billowing along the Welland valley as far as Market Harborough.

As well as processing compostable and recycling waste from homes in Harborough district, the facility processes inert waste building material for use as fuel for a proposed electricity generating plant, which is due to be built on the site. Fears have been raised that the amount of combustible material that will be stored could constitute a significant hazard. Villagers living nearby are worried that sparks and hot ash from any similar fire during the dry summer months could have more serious consequences.

Although much of the waste processed on the site comes from compostable and recycling material collected by Harborough District Council the actual facility lies in Daventry District and is under their jurisdiction. The environment team at Harborough are monitoring the situation and consulting with their colleagues in Northamptonshire and the local fire authority on what steps need to be taken to ensure the health and safety of local residents.

**FESTIVAL TIME**

**S**tall holders and local activity groups are invited to apply for stand space at the Bosworth Festival, which will take place on Saturday, June 27<sup>th</sup> in the grounds of Bosworth Hall. Those wishing to book space should call John Clarke on 880263 or e-mail [JoClar870@aol.com](mailto:JoClar870@aol.com). The event will feature demonstrations and displays of veteran and vintage vehicles, military equipment and farm machinery, fun rides, rare breed farm animals, craft, local activity group and charity stalls and live music.

The day concludes with a grand picnic in the park in the evening. So, break out the Buck's Fizz and gazebo and enjoy fine musical entertainment provided by local light entertainment group, 'Hot Property'.

**GROWTH SPURT**

**G**reen fingered villagers, and those not quite so green fingered, are reminded that copies of the Leicestershire Guild of Horticultural Judges *Hints & Tips* booklet are available by calling Eleanor Murphy 880476 or Kath Harrison 880206.

The booklet sets out in simple terms the etiquette and practicalities of showing and presenting produce and displaying to the best effect and is an invaluable aid to beginners and old hands alike.

This year's show, the highlight of Bosworth's horticultural year, will be on Sunday, August 30<sup>th</sup> in the Village Hall.

To widen the appeal of the show the organisers have introduced many new classes, especially in the arts and crafts sections and the children's competitions. Back by popular demand this year will be the cups and trophies - dusted off, buffed up and awarded to the class winners!

So, feed up your marrows, boil up your jams and get them ready for the show!

**WORLD SERVICES**

**T**he village web-site has been running since August 2000, compiled and managed by your very own *Bugle* Team as a natural extension to the work that we do each month in the *Bosworth Bugle* itself.

The original format and style were the best that we could manage at the time. The site, though simple and relatively unexciting, was nevertheless an undoubted success.

From the beginning the site brought requests for information from all over the world. Not a month goes by without a family history query or a query from someone who is interested in Bosworth life today. Others contact us seeking information about local services.

Recently the site has been completely updated the site to make it easier to use and more interesting to view. It's still very much a 'work in progress' so take a look and see what you think... and let us know what is missing; what doesn't work and what could be improved. **15<sup>th</sup> OF THE MONTH**  
**PRECEDING PUBLICATION**

**OIL SPILL**

**O**fficers from the Environment Agency are investigating a pollution incident to a water course in the village.

A strong smell of oil and discolouration of the water flow over a long period of time in a roadside ditch on the Welford Road led to officers looking into the causes.

Their findings in the incident, which is believed to be of domestic heating oil from a storage tank or related pipework, indicate that the contamination is unlikely to be serious enough to cause any lasting damage to the environment.

The EA is now urging that householders in the Welford Road and Kilworth Road areas check their tanks for any signs of leakage and report it immediately to Jo Chandler on 01536 385175.

Officers stress that, if the incident proves to be an accidental discharge no action is likely to be taken. Their main concern is that the source is found and eliminated as soon as possible.

## POSTBAG

*From Richard Bird, Newnham (formerly of Bosworth)*

Subscription enclosed with the usual pleasure! How else would I know that the Council is going to roll out a food waste programme? Recycled pasta presumably!

*From Catherine and Charlie Mariethoz*

Friends and supporters congratulate villager Ruth Bingham who competed in the recent Flora London Marathon, finishing the course in 4 hours 38 minutes. Many of you will have seen Ruth running around the village in the wind, rain and the snow whilst in training. Well, all the hard work has paid off! Ruth's family and friends would like to take this opportunity to say huge congratulations on successfully completing the Marathon. It's such a fantastic achievement and we are all very proud of her. Ruth also raised a massive £1100 for "Charlotte's Challenge Appeal Fund"

*Editor's Note: Charlotte's Challenge raises funds for a 31 month-old local girl who has a rare blood disorder needing constant medical attention.*

### WATCH WORD

*THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH*

#### RECENT CRIMINAL ACTIVITY

■ Entry was gained to commercial premises on South Kilworth Road in North Kilworth by smashing a padlock. Damage caused but nothing of value was taken.

■ Power tools were stolen from two parked vans near Bitteswell. One theft occurred when the driver left the vehicle briefly to exercise his dog.

■ Fuel was stolen from a car parked on Welford Road in South Kilworth.

■ A burglary occurred overnight at a building site on Lutterworth Road in Walcote. A container was broken into and a large amount of equipment was stolen. A van or large vehicle would have been required to transport the items stolen.

■ A burglary to a dwelling occurred in the early hours in Gilmorton. A hammer was stolen from an insecure garage and used to break a window. Car keys were taken and used to steal a car.

■ Items of property left in a vehicles in Gilmorton and Lutterworth were stolen.

#### GARDEN CRIME

There has been a significant increase in thefts in rural areas in which the criminals have targeted garden items such as bay trees and box bushes in planters, stone ornaments and even bags of compost! These are obviously easily sold on at this time of the year and gardeners are asked to be extra vigilant in protecting their property and wary of buying such items at car boot sales or from door step sellers.

Harborough Police offer this advice:

- Try to place high-value items where you can keep an eye on them
- Consider the use of ground anchors or spikes and wire to secure high value plants, planters and ornaments
- Plant 'anti-social' prickly, impenetrable shrubs and borders on vulnerable boundaries and access points
- Look at your garden from a thief's point of view and take appropriate precautions
- Before domestic crime there is usually a suspicious incident - a strange visitor or unfamiliar vehicle in the area
- Report any suspicious persons, vehicles or activity to the police immediately
- For more information or crime prevention advice call the local police by phoning 0116 222 2222.

### BEATING THE CRIMINAL

Police officers like nothing better than arresting criminals. So, if you do see suspicious persons, activity or vehicles and you believe that a crime may be in progress – don't hesitate to call in immediately on 999. Calls reporting a crime in progress will normally receive an immediate response from the nearest available mobile unit.

If you require further information you can contact your local beat officers on 0116 222 2222 and leaving them a message using their ID numbers when prompted. All their details can be found on the Force website at [www.leics.police.uk](http://www.leics.police.uk).

# BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

## PAVILION QUIZ

A full house of contestants battled for the honours in the annual Pavilion Quiz and Supper. A capacity crowd of 80 competitors enjoyed a quiz covering varied subjects devised by cricket club member Gary Waterfield and his wife Sue to raise funds for the maintenance and running costs of the village sports pavilion. The Bell Inn provided the fish and chip supper to feed the little grey cells during the interval. After a close contest, the Bothertons Team from Welford eventually emerged victorious, closely followed by the Norfolk and Chance Team, with the farmers' Ploughmen Team in third place. The Foxes Team graciously accepted the wooden spoon.

The evening raised £320.50 towards funds and Jennifer Rogers, Chair of the Playing Field Committee, which oversees the administration of the sports pavilion, thanked the question masters and everyone involved in the evening.

## BONKERS FOR CONKERS!

Plans are well under way for the Bosworth Conker Championships to be held on Sunday, October 11th on the village playing fields. If you would like to book stall space please call Sue on 881251.

*Bunting makers required...* call Tricia Day on 880748 if you have time to sew up bunting to decorate the field.

## POSH FROCKS AND DIGNITARIES...

*As Brian Smith comes to the end of his term of office as HDC Chairman, his Consort, Frances, reviews their year.*

Many people think that it is all 'posh frocks' and dinners but, in reality, most of the duties are more mundane - and often more interesting!

The Chairman chairs Full Council meetings and signs official documents. Aside from normal council business his duties involve attending a wide variety of activities, as the Council's representative. At most of these the chain of office is worn.

In the year we have visited 37 primary schools in the District, telling them about the Council's role, meeting school councils and reading the little ones a story!

We have been to many church services and held our own Civic Service in Husbands Bosworth in October. At Christmas we hosted a lovely carol service in St. Dionysius Church, Market Harborough, inviting pupils from local schools to sing and play and also invited our own village handbell ringers to ring for us.

We were invited to the Girl Guide camp at Tilton and supported Market Harborough swimming club in a gala.

Further afield we went on a tour of N.W. Leicestershire in an open top bus - in the rain! There was also a lovely trip around Rutland Water. There have been several invitations to Leicester Cathedral and De Montfort Hall which included the University Degree congregations. On many of these occasions we met other civic heads and dignitaries.

County Hall and Beaumanor Hall have been the venues for a variety of receptions, the latter being host to the Territorial Army 100<sup>th</sup> Anniversary celebration with Beating the Retreat - a memorable evening.

An unforgettable afternoon was spent with Gill Hicks who lost both legs in the 2005 London bombings. With her artificial legs she was walking from Leeds to London talking and promoting understanding between different types of people. An amazing, lovely lady.

We have met people from all walks of life including volunteers, farmers, members of the armed forces, hospice staff, students, war veterans and many more. It would be impossible to recount all the places we have visited and people we have met but this would not be complete without mentioning that we were privileged to meet the Queen and the Duke of Edinburgh when they came to open the new Grammar School at Great Glen.

*Editor's Note: Brian has racked up the most civic engagements of any Council chairman in recent times.*

## LOCAL NEWS IN BRIEF

■ The Foxton Locks Partnership has unveiled ambitious plans for the next phase of the development of the **Foxton** locks area. As well as rebuilding the historic boat-lift the proposals include a new marina, a campsite, holiday lodges, an environmental study centre and improvements to car and coach parking.

■ British Waterways has recently started work piling and rebuilding the canal-side bank at Kilworth Wharf, near **North Kilworth**. In all about 200m of bank from the A4303 road bridge southwards is to be re-instated and back-filled, and the canal dredged to enable boats to moor safely along the stretch.

## BYGONE BOSWORTH

*The Historical Society's Periodical Journal*

Our recent plea for information about the Woodford family brought a reply from village elder, Aneurin Owen, who remembers a Miss Woodford who lived in Red Lion Cottage next door to the Old Red Lion Inn. In addition Aneurin has scoured his collection of village trade directories and finds that the Woodfords were present as shopkeepers and dressmakers as early as 1827. Certainly by this time, and possibly earlier, a Charles Woodford is listed as blacksmith. In 1848 Charles Woodford was recorded as blacksmith and landlord of the Old Red Lion, which the family then ran for over 20 years. Family members carried on the calling of blacksmith from the smithy next door to Red Lion Cottage until at least 1904. John Dicks is listed as blacksmith at the Red Lion forge in 1908, which remained a smithy until conversion to a dwelling in the 1980s.

*Coincidentally, the Historical Society recently had two people seeking information about the Woodfords and was able to put them in touch with each other.*

*As an added note Aneurin says that Baptist Kemp, the veterinarian, who we mentioned last month, was listed in the directory for 1876. Aneurin thinks that he died in about 1925. The veterinary practice founded by Kemp was taken over by Kenneth Miles who established the practice later run by Roger Fox, which continues today as the Town & Country Veterinary Practice in Market Harborough.*

The government is pressing ahead with an EU directive to ban the sale of incandescent light bulbs from September. Despite concerns that the technology and availability of fluorescent lamps is not yet in place, the directive forces the issue by banning the manufacture of further stock. # PARISH COUNCIL NEWS

## PARISH COUNCIL NEWS

### Report of the Parish Council Annual General Meeting held on Tuesday, May 5<sup>th</sup> 2009

Four Council members and County Councillor Hart were present.

Apologies were received from Bill Fletcher and the Clerk. *[Sue Fisher took the minutes]*

#### ELECTION OF OFFICERS

- County Councillor Hart took the Chair and took nominations for the post of Chairman. Bill Fletcher was nominated and had previously agreed to accept the office if elected. Bill was duly elected.
- Nominations for the post of Vice Chairman were sought. Melvyn Forman was nominated and elected and took the chair for the remainder of the meeting. Graham Hart, having another meeting to attend, left the meeting at this point.
- Nominations for representatives for the Playing Field Committee. Bill Fletcher had notified Council of his willingness to stand again. Melvyn Forman agreed to stand again. Both were duly elected.
- Heather O'Connor and Geoff Armitage were willing to serve again as representatives for the Husbands Bosworth Charities Committee. As there were no further nominations they were duly elected.

*There being no further business the chairman declared the meeting closed.*

### Report of the Parish Council Meeting which followed the AGM.

Four Council members were present.

Apologies were received from County Councillor Graham Hart, District Councillor Brian Smith, Bill Fletcher and the Clerk. *[Sue Fisher took the minutes]*

**MATTERS ARISING** from the Minutes of the previous meeting

- Councillors discussed the parking proposals for the entrance to Cherry Tree Close and agreed to suggest a ban on parking across the front of Nos. 1 and 2.

#### CEMETERY

- Council approved a quote for the re-pointing of the roadside wall.

#### PLAYING FIELD

- Clerk had authorised a clean-up around the skatepark area to remove recent graffiti. Older children from the village had been using the site later in the evenings and had been told to clear up the rubbish.

#### ALLOTMENTS

- It was agreed to have a copy of the Letting Rules laminated and posted on the Allotments noticeboard. Allotment holders to be reminded that structures erected on the plots are restricted to a maximum of two sheds or green houses measuring 6ft x 8ft.
- Clerk had indicated that all plots were now taken.
- Council to meet at the allotments prior to next meeting on Tuesday, June 2<sup>nd</sup>. Notice to be posted on allotments noticeboard so that any allotment holders wishing to consult with Council could attend.

#### TRAFFIC ISSUES

- Overhanging vegetation was noted opposite the Sulby Road junction, obscuring the road sign.
- Overhanging vegetation was also noted in Berridges Lane and Bell Lane. Clerk to be asked to contact the landowner and householders.

#### NEIGHBOURHOOD WATCH

- Council noted an increase in information being passed out from the Community Watch office. It was noted that some Councillors were not included on the e-mailing list. Mr. Forman agreed to forward co-ordinator's e-mail address so that they could be signed up.

#### RURAL HOUSING SCHEME

- Mrs O'Connor had heard that there had been little progress with the scheme.

#### CORRESPONDENCE

- Clerk had been in contact with Highways regarding the missed cuts of the village greens. Apparently Highways shouldn't have been cutting these despite having done so without problems over the past 40 years. After some negotiation Highways agreed to reinstate them on the cutting list.
- Council noted that the broken windows at the rear of the former garage workshops had not been cleared and made safe. Clerk to be asked to write again.

#### ANY OTHER BUSINESS

- Mrs. Fisher wondered if, with the recent increase in the number of residents, Council could seek to increase the number of Councillors. Clerk to be asked to consult with HDC Chief Executive's office on the matter.
- As noted previously the HDC after school activity sessions were well supported. However the organisers were disappointed that the pavilion toilets had not been available as promised. Council felt that a letter of thanks should be sent to the organisers.
- Mrs. O'Connor felt that there would be support for a Centre-Screen film show season similar to that which runs in Arnesby. She volunteered to seek more information about setting up a pilot scheme in Bosworth for next winter.

#### NEXT MEETING

*The next meeting of the Parish Council will be on Tuesday, June 2<sup>nd</sup> 2009 at 7.30pm in the Committee Room of the Village Hall.*
