

## SHOW STOPPERS

**W**ith three hundred entries, almost 30% higher than last year, the village's Horticultural Show was deemed a great success by the organisers.

Whilst flower and produce entries were slightly down, which is no surprise after the 'summer' weather, the craft areas were well supported. New categories, such as photography, added to the interest and also helped attract a larger viewing audience once the doors opened to the public. The atmosphere in the hall, when the exhibits were on show, was vibrant with many new faces and cheerful enthusiasm about the talents on display. This bodes well for future shows as everyone could see the fun in 'having a go'.

Well done to all the contestants, especially the trophy winners:

<b>Overall Points Winners</b>	<b>June &amp; John Dawson</b>
<b>Best Exhibit in Show</b>	<b>Aneurin Owen</b>
<b>Best Vegetable Exhibit</b>	<b>Aneurin Owen</b>
<b>Best Allotment Exhibit</b>	<b>Kath &amp; Malcolm Harrison</b>
<b>Best Flower Exhibit</b>	<b>Maureen Grant</b>
<b>Best Flower Arrangement</b>	<b>Eleanor Murphy</b>
<b>Best Bakery or Cookery</b>	<b>Karen Raven</b>
<b>Best Craft Exhibit</b>	<b>Bob Hampton</b>
<b>Best Children's Exhibit</b>	<b>Sean Scully</b>

Financially the event did slightly less well than last year with sponsorship, refreshment sales and raffle proceeds well down on 2008. It's clear that the current economic climate was a major deterrent, especially to sponsorship. Even so the show was a financial success and the organisers will be able to contribute over £600 to deserving village causes once more.

### WOOD WISE...

**H**ave you been down to the woods lately? You may be in for a big surprise! The pond and wetland area at Brickfield Spinney, Kilworth Road, the village's Millennium Project, has been transformed thanks to the generosity of villagers David Glithro and Roger Vicary. David recently gave up his time to extend the pond, increasing the water area and creating an island refuge for wildlife. The use of the excavator was kindly donated by Roger Vicary. The Trustees have plans to extend the pathways in the woodland, improve access for the disabled and create a raised boardwalk out over the pond.

If you would like to become involved in the management of the Woodland Walk project there will be a meeting on Wednesday, October 14<sup>th</sup> at 7.30pm in the Village Hall. There are only two Trustees still resident in the village and they need your help. Come along to the meeting even if only to put forward your comments or ideas. If you can't make the meeting but would still like to help please contact Ken on 880401 or Jackie on 880910. *Brickfield Spinney was purchased by the village as a Millennium Project to provide a recreational and conservation facility for the benefit of the community.*

### IN MEMORIAM

**L**ast month's article about the War Memorials Project brought a response from Robert Constable-Maxwell, Chairman of Husbands Bosworth & District branch of the Royal British Legion.

Robert sent a copy of the Roll of Honour, which a Legion member reads out each year at the annual Remembrance Service beside the village's war memorial. The Roll is a list of the servicemen of this parish who have lost their lives in the service of our country.

The Roll, as would be expected, lists those noted on the memorial itself. However, in addition the Roll honours Private Francis Hewitt of the Royal Corps of Signals who died in 1958. Francis Hewitt died on active service whilst on manoeuvres in Germany. Robert adds: "Francis was the brother of our Secretary, Tony Hewitt. Tony undertook to become Secretary of our branch for one year only - as a way of thanking the British Legion for their assistance in bringing his brother's body back from Germany. Last year we awarded Tony with a Gold Medal for 50 years service in the job!"

## POSTBAG

*From Ian Watson, Practice Manager, Husbands Bosworth Surgery*

I should be grateful if you would put an announcement in the *Bugle* regarding the forthcoming 'flu season'. We are now taking bookings for the seasonal 'flu jab, especially for vulnerable groups, including:

- Over 65s
- Patients with diabetes
- Patients with asthma
- Patients with heart problems
- Patients with liver or kidney disease

The 'flu clinics will start on Monday, October 5<sup>th</sup> and include the Saturdays of October 10<sup>th</sup> & 17<sup>th</sup>. There are also clinics at Welford Village Hall on October, 9<sup>th</sup> & 16<sup>th</sup>. Please call the surgery on 880522 for more information or to book an appointment.

*From Robert Constable-Maxwell, Bosworth Hall*

I was delighted to read of the interest being taken in War Memorials - you will recall the subject of prolonged correspondence between our Branch of the British Legion and the Parish Council! *[regarding its deterioration]*

A point of information for your interest. The ranks of the Grenadiers and Coldstreamers on the memorial are shown as 'Private'. After the Great War it was decided that all members of the Brigade of Guards had distinguished themselves so much on the field of battle that they should be awarded the title of Guardsman. I was awarded that exalted rank when I joined the Grenadiers as a National Serviceman!

## STOPPED AT CUSTOMS?

Terri Atkinson of Mowsley Road, responded to our notes last month regarding HM Revenue & Customs scams.

She has had more than one of these e-mails in different formats and rang the official HMRC office and was told that under no circumstances would they ever e-mail anyone for information. These scams are well known and are constantly being investigated.

HMRC added that anyone receiving similar e-mails should forward them to [phishing@hmrc.gsi.gov.uk](mailto:phishing@hmrc.gsi.gov.uk) and then delete them.

## GIVE AN EGG A BREAK!

Eggs are one of the few foods that contain all eight essential amino acids. They are essential because the body cannot make them, yet it needs them to make another fourteen amino acids.

When poached or boiled, eggs are good for you, providing omega 3, vitamins and minerals. Cholesterol is present in the yolk but this is taken care of by lecithin in the egg white. However frying destroys lecithin thus making a fried egg bad for you.

# SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL [School roll 73]

## NEW HEADTEACHER

My name is Matthew Bown and I am the new Headteacher at Husbands Bosworth Church of England Primary School and I would like to take this opportunity to introduce myself. I have been teaching locally for over ten years in both mainstream and special needs schools. Three years ago I took up the post of Deputy Headteacher at Market Harborough Church of England School and during this time I qualified as a Headteacher. In January 2009 I became the acting Headteacher after the current Headteacher retired.

Now a new chapter in my professional career begins as the Headteacher of Husbands Bosworth Church of England Primary School. I have enjoyed my first few weeks immensely and am looking forward to the challenges this role presents. We now have our Foundation and Year 1 being taught in our new annex, which is fantastic. Years 2 to 6 are now taught in the main school building. We have a beautiful school building and wonderful grounds and I hope we can fully utilise these.

Thank you to all in the school and community who have made me feel so welcome. I look forward to meeting you at the many village events throughout the year.

## FOBS – BAG2SCHOOL CAMPAIGN

### BYGONE BOSWORTH

*The Historical Society's Periodical Journal*

The recent plea for information about Alfred Chester, which we published in last month's *Bugle* came up trumps. Graham Wright, a descendant of Alfred Chester was seeking any other descendants or villagers who knew him and any other information about his ancestor. One villager was particularly helpful, as Alfred Chester was her father! Neither she, nor Mr. Wright knew of each other's existence and were able to fill in a number of gaps in their family histories.

Another villager, a farmer who knew Alfred, remembered the circumstances of his death. He had actually helped the ambulance crew to recover Alfred's body from a distant field, near the canal junction, where he had collapsed and died whilst out shooting; a loaded shotgun lay at his side.

An e-mail was received this month from a correspondent in the West Indies who is seeking information about an aeroplane, from Husbands Bosworth Aerodrome, which crashed during a training flight in September 1943. The writer is researching the aircraft's history as it was named 'Sir George Huggins OBE' after a respected West Indies businessman, the first of three Wellington bombers paid for by the people of Trinidad.

# PARISH COUNCIL NEWS

## Minutes of the Parish Council meeting held on Tuesday, September 1<sup>st</sup> 2009.

Full Council and 5 members of the public were present

### Visitors' Questions

■The Church Lane developments were discussed at length. Council heard that an application to HDC to release a viability report prepared by the developer for the Begley site had been refused. A letter had been received from HDC Chief Executive assuring Council that a senior planning officer would attend the next meeting of the Parish Council to explain the decision to waive the S.106 contribution.

■The meeting discussed the maple tree adjacent to the site. Council members pointed out that the tree was on the grass verge and therefore outside the plot. HDC planners had indicated that an application for a Tree Preservation Order would be unlikely to be successful as the tree would be classed as a bush. Council advised those living nearby to petition the developer if a threat became imminent.

■A general discussion on planning issues ensued.

### Matters Arising from the Minutes of the Previous Meeting

■Council noted that the building plot adjacent to Cherry Tree Close was still insecure and Clerk was asked to contact the Health & Safety Executive regarding the matter.

■Overhanging hedging in Bell Lane still causing problems to pedestrians. Clerk to write to the owners.

■No further progress regarding enquiries into the subject of the ratio of councillors to population.

■There had been no response regarding an application to apply for TPO status for a number of village trees. Clerk asked to pursue the matter.

### Cemetery

■Some of the memorial trees had died and would be replaced shortly.

■Repairs to the fallen gate pier had been carried out. Council members agreed that it was of satisfactory standard. The gate had been removed for repair.

### Playing Field/Play Area

■Council members asked for copies of the plans of the proposed water pipework and electric cable runs at the tennis courts for future reference.

■Council discussed the practice pitch. It was noted that the pitch was well used by youngster. Clerk asked to obtain quotes for replacing the goal posts.

■It was noted that dogs were still being exercised on the Playing Field in contravention of the Dogs, Fouling of Land Act 1996. More signs to be considered.

■Clerk was asked to write to those residents of Welford Road who had gates opening onto the Playing Field asserting Council's right that no legal Right of Access should exist.

■The recent RoSPA report on the safety and condition of the play area and skatepark equipment was discussed. Some minor work was needed, though no immediate safety issues had been raised. Clerk was asked to seek quotes for the necessary work.

■The RoSPA inspector was unhappy that the gang mowers were left accessible to the public and Council agreed to suggest that they be stored at the top of the field by the practice pitch.

### Allotments

■Two allotment plots were now available for let. One enquiry had been received.

### Traffic Issues

■Council still seeking information regarding a Speed Watch scheme for the village.

■A number of vehicles are being seen travelling the wrong way in Bell Lane. Some were evidently leaving Cheney Court and avoiding the one-way system by turning left.

■Council discussed deterrents to prevent unauthorised parking outside Fernie Court. Clerk asked to contact Highways regarding installing bollards.

### Rural Housing Scheme

■It is hoped that representatives of the scheme and East Midlands Housing Association would attend the next Parish Council meeting to give an update.

### Any Other Business

■It was agreed that an update of the Council's Standing Orders, Financial Regulations and Risk Assessment would be made at the next meeting. Some amendments were discussed.

■Council discussed insurance issues for any future community event days, such as the Bosworth Festival. It was felt that if the events were held as Parish Council-led events they should be covered under the Council's policies. Clerk was asked to clarify the matter.

### Next Meeting

Tuesday, October 6<sup>th</sup> 2009 at 7.30 pm in the Village Hall.

Bishop Christopher was greeted by representatives of the diocesan family, local dignitaries and African members of the Mothers' Union in honour of his previous position in Northern Malawi.

Bishop Christopher was born and grew up in Birmingham. He attended Kings College London and was ordained deacon in 1976. He then held various positions in the Diocese of Birmingham from 1976 to 2001. In 2000 he was elected Bishop of Northern Malawi, where he has served for the past eight years.
