

A DIM VIEW OF BOSWORTH

The Parish Council has recently been consulted regarding Leicestershire Highways department's proposal to cut the time that street lighting is switched on in Husbands Bosworth.

The scheme, which was rolled out in the early summer in several villages throughout the county, aims to cut the county's electricity bill. Trials carried out in other parts of the country over the past three years have shown that significant savings can be made without jeopardising road or public safety or increasing criminal activity.

Bosworth's 'part-night' lighting scheme will be introduced in October and non-essential street lighting around the village will be switched off from midnight through to 5.30am each day. In Bosworth approximately one in four of the existing lights will be turned off. Highways officials have carried out site visits and made risk assessments and consultation is currently being undertaken with the Parish Council, the police and the other emergency services. Lighting at road junctions and areas where a particular hazard or specific problems, such as pedestrian safety or anti-social behaviour are likely, will continue to be lit as normal. Copies of the proposed scheme for Husbands Bosworth can be downloaded from the village website. Go to www.husbandsbosworth.info

MOVING ON...

Next month, our Rector, Rev. Alison Hampton will be leaving to work for the Christian charity *Toybox*. A UK-based charity, *Toybox* works in partnership with the local Latin American street children's organisation, *Viva*, which works on the front-line in Guatemala, Peru and Bolivia. Alison's role will be Outreach Team Leader and her job will involve speaking on behalf of *Toybox*, working with volunteers, organising fund-raising events and visiting the various projects overseas.

"This is a very exciting move for me. Being a mother myself it breaks my heart to know that children are being 'thrown away', left alone at very young ages to scratch out a living on the streets. To numb their pain they will often take drugs, become involved in prostitution or a life of crime. One of the many projects *Toybox* runs is a campaign called 'Red Alert' in which street vendors

will keep a lookout for new children and offer help at an early stage.

At *Toybox* there is a real longing for a time when children throughout the world will have the sort of life that we in the UK would want for our own children. This is part of an international initiative called "The Big Dream". When I was asked by a member of the parishes if this was a permanent job, my response was, "I hope not!" The reason for this is that it is the dream of *Toybox* to end these children's suffering. This is an achievable goal, not fantasy. Please pray for *Toybox* and for all children throughout the world. If you would like to find out more please go to www.toybox.org

I have really enjoyed living in Husbands Bosworth and getting to know people in the villages of the Hexagon Benefice. However, I am delighted to have this opportunity to make a difference to the lives of children."

LOOK OUT FOR SID...

The parish has recently been awarded funding for the provision of a speed reduction and road safety device for the village. Council members applied for funding for a device from the Community Funding Initiative, which is a partnership of county and district agencies. Since the removal of the Safety Camera, which was sited on the High Street, Bosworth has been the only village on the A4304 between Lutterworth and Market Harborough without an active speed deterrent.

At the recent meeting of the Parish Council, members agreed that they would purchase a portable speed indicator device (SID) that could be sited on the approaches to the village. The device displays the actual speed of the oncoming vehicle and flashes a SLOW DOWN warning to those travelling over the speed limit. The unit records all traffic movements and the data collected can be downloaded and analysed. The unit, which is expected to be up and running in the next few weeks, would be moved around to maximise its effect.

SMART IDEA...

The Police Beat Surgery and SmartWater presentation will return to Husbands Bosworth Village Hall on Saturday, September 4th from 12.00noon to 4.00pm. Domestic packs of SmartWater, sufficient to mark up to 50 items, will be on sale for £15 + vat. Anyone with any policing concerns is welcome to come along and discuss the matter with the local beat officers.

SmartWater is a clear security marking fluid that can forensically link a criminal to stolen property. The church uses SmartWater to protect the lead on the roof and other valuable items. Virtually indestructible, the forensic coding in the fluid enables stolen property to be returned to its registered owner.

Come along to the presentation and see SmartWater in action!

POSTBAG

From Rosie Forman, Welford Road

I'd like to tell you about my trip in aid of the ActionAid humanitarian charity in December. Two team mates and myself will be driving in a little Peugeot 306 from London, travelling through France and Spain. We then cross to Africa and travel down through Morocco, Western Sahara to Mauritania. We will join a military convoy to drive through Mauritania because of the high security risks, then through Senegal and finally arrive in Banjul, the capital of The Gambia after three weeks on the road.

Once we get to Banjul we will sell the car for charity. In addition I've set myself a target of raising £500 for which I am seeking donations.

ActionAid helps people by providing aid and treatment for AIDs/HIV sufferers, famine relief, food and education in the poorest countries, including Africa's smallest country - The Gambia.

There are several ways to sponsor me:

- On the ActionAid website: · <http://www.myactionaid.org.uk/london2banjul/london-to-banjul-challenge>
- On JustGiving: · <http://www.justgiving.com/banjul2010>
- Or by giving me money personally! (Every penny goes to the charity, as I am funding the entire trip myself). Please help if you can.

We have had a couple of family history requests recently. The first relates to the Tearar family, which have well established connections in Husbands Bosworth. Has anyone got any information on the Tears and any possible connection with Tears on the Isle of Man?

Another request is for any relatives of Charles Law, who is listed on the village War Memorial. A reader is visiting the cemetery in France where Charles is buried and would like to contact anyone with information about him. Call Melvyn on 880281 or e-mail m.forman@talk21.com for details of these enquiries.

We've also had a request from a reader for early photographs of Butt Lane. Call Melvyn if you can help.

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

CRIME FILE

■ Burglary to a public hall in Bitteswell. A door was forced and roof tiles were removed but no entry was gained and nothing was stolen.

■ An overnight burglary to a sports facility in Bitteswell. Entry was gained by forcing a door and smashing a window. Cash and sports equipment were stolen from inside.

■ Burglary to commercial premises in Bitteswell. A window was smashed and a till was stolen by reaching inside.

■ An attempted burglary to a dwelling in Swinford. Door locks were damaged but entry was not gained and nothing was stolen.

■ A caravan parked in a rear garden in Swinford was stolen.

■ A spare wheel was stolen from a vehicle parked in Swinford.

Criminals seem to be targeting specific rural areas in a recent spate of overnight raids. It is likely that these areas have been visited during the daytime, before the crimes are carried out. If you see any suspicious activity call the police on 999.

Good news! A John Deere tractor, valued at over £75,000, which was stolen in a raid on a Rutland farm was recovered two days later at Dover docks. Police were led to the tractor by a tracker device, which was fitted to the machine.

A Turkish national was arrested at the scene on suspicion of theft.

■ Burglary to a dwelling in Shearsby. Entry was gained by removing a UPVC replacement window and property was stolen from inside.

■ Burglary to a dwelling in Walton Lane, Husbands Bosworth. Entry was gained by forcing a ground floor window. Property and cash were stolen.

■ A vehicle parked inside a secure compound at commercial premises on Station Road in North Kilworth was damaged by forcing a door lock. The thieves fled the scene when the alarm started sounding and nothing was stolen.

■ Attempted break-in to a van parked in School Lane, Husbands Bosworth.

BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

CONKERING

Those with a sense of fun and adventure will not want to miss the second Annual Conker Championship, which is to be held on Sunday, October 3rd from 10.00am at the village Sports Pavilion.

There will be various stalls, music, food and drink and a whole lot of fun for all the family. For further information regarding entries or stall-space please telephone Sue on 881251.

CLEAN SWEEP!

At the recent meeting of the Parish Council the road sweeping programme was discussed. Members felt that the effect of the recent sweeping day was compromised by vehicles parked in the road and questioned why the dates hadn't been publicised. The *Bugle* now has a list of dates for the year and will endeavour to publicise them in advance. See the Diary Dates page for details and try to remove vehicles from the road on the day to allow the road sweeping team to carry out their work.

In addition, litter picking will take place at about 6-weekly intervals - the next one being on Thursday, September 9th. Keep an eye out for the teams and help us to keep Bosworth tidy!

SPORTS PAVILION

The Playing Field Committee is considering the installation of CCTV equipment at the Sports Pavilion and tennis courts area of the village playing field in an effort to stem a spate of petty vandalism and attempts to light fires near the pavilion building.

DRIVER NEEDED

The popular Chill-Out Bus has been revamped and now it's looking for a driver. Young people, with the support of District Council officers and the Youth Service, were behind the refurbishment, which has helped make the bus more colourful and spacious. The bus now has more seating and improved heating and lighting, as well as a new, large wall-mounted flat screen TV for some serious gaming!

The make-over, which cost just over £10,000, was partly funded by Leicestershire County Council's Youth Opportunity Fund, which supported the running of the bus last year.

The Chill Out Bus is a mobile community space for young people. It offers activities for young people in rural communities where there are generally few facilities for them.

A driver is needed for 10 hours a week to drive the bus to a rural location where youth workers will help to provide an activity session for young people. This would be about two or three evenings a week and would be a paid post.

Please call Sandy Handley at VASL on 439260 or email shandley@vasl.org.uk

PARISH COUNCIL NEWS

Report of the Parish Council meeting held on Tuesday, August 3rd 2010.

Full Council, two members of the public, District Councillor Brian Smith, North Kilworth Parish Councillor Peter Jones and LCC Street Lighting officer Peter Hosking were present.

VISITORS' QUESTIONS

■ Chairman invited a resident of Ashacre Close to address the meeting regarding the provision of a grit bin. Problems with vehicles unable to access the Close during the icy weather last winter has prompted residents to ask that a grit bin be provided. Council suggested that residents should in the first instance contact HDC and LCC Highways with a view to providing a bin. It was also suggested that if the authorities were reluctant to provide a bin the residents could purchase one themselves but would need Highways approval for a suitable location to site it. Another possibility would be to re-site the grit bin from the top of Hunters Close to a site lower down near Ashacre Close for the use of both roads.

■ Peter Hosking, Leicestershire Highways street lighting team leader discussed a proposed scheme to switch off most of the village street lights between the hours of midnight and 5.30am. A map of the proposed lighting plan was circulated. Council noted that lights at road junctions and in the centre of the village would remain lit. Members were invited to submit any proposed amendments.

CEMETERY

■ Council noted that the ground water levels were low following the prolonged dry spell and it was agreed to progress the scheme to lay a drainage sump in the cemetery extension where flooding has been a problem in the past.

PLAYING FIELD

■ At the recent meeting of the Playing Field Committee it was agreed to obtain quotes for installing CCTV equipment to help to combat anti-social behaviour and petty vandalism at the pavilion.

■ A fundraising quiz and supper event in aid of the pavilion running costs will be held in November.

■ Work to clear the area around the recycling bins in the Play Area carpark had been carried out.

■ The Scout Group had arranged for the unsatisfactory tarmac patching to be removed from the car park area.

■ It was noted that redundant worktops and other rubbish from the Scout Hut had not been cleared and that the area behind the building was overgrown. Clerk was asked to contact the Scout Leaders regarding these matters.

ALLOTMENTS

■ It was noted that one plot was overgrown with seeding thistles. Clerk was asked to contact the tenant.

TRAFFIC ISSUES

■ Council noted that nothing had been done to the worn and dangerous road surface between Sibbertoft Road and Welford and in lower Berridges Lane. Clerk to contact Highways again.

■ Members discussed the traffic speed reduction scheme funding that had recently been awarded to the parish and the purchase of a speed activated sign. The Funding Partnership had asked that the parish discuss the possibility of sharing a device with North Kilworth. Questions regarding maintenance, repair and management of the device were discussed at length and it was agreed that Husbands Bosworth should own and manage the device and, if North Kilworth Parish Council approved the idea, they could 'hire in' the device under a formal agreement.

RURAL HOUSING SCHEME

■ Council heard that East Midlands Housing Association would be conducting a survey to assess the proposed site on Welford Road in the near future.

CORRESPONDENCE

■ Council members discussed a letter from a resident on Kilworth Road regarding road safety concerns, especially for the old, infirm and children on the A4304 and around the Welford Road/Bell Lane crossroads. It was noted that the removal of the Safety Camera might add some weight to any new campaign.

■ A quotation for the removal of self-set saplings and trimming the yews in the cemetery was discussed. It was agreed to seek a second quote.

ANY OTHER BUSINESS

■ Members noted that the recent road sweeping had been compromised by vehicles parked on the roads. Clerk was asked to contact HDC regarding future dates so that they can be publicised in advance.

■ Council heard a brief report of a Housing Distribution Workshop hosted by HDC to discuss the housing provision within the district over the next 15 years. The general consensus of the workshop was that the focus of future development should be in areas with easy access to services and facilities but regard should be made to rural areas that have reasonable transport connections.

■ Concerns were raised about overgrowing vegetation at Bosworth House, the Rectory paddock and the memorial oak tree on The Green.

■ It was agreed to plant spring bulbs on the newly re-established grass verge in Kilworth Road to deter parking.

■ Concerns were raised about the litter around the High Street bus shelter and garage forecourt site. A new bin has been purchased and is awaiting installation.

■ Council's attention was drawn to a damaged headstone in the cemetery. Clerk was asked to contact the grass cutting contractors regarding the matter.

NEXT MEETING

The next meeting of the Parish Council will be on Tuesday, September 7th at 7.30pm in the Committee Room of the Village Hall.

GOODBYES...

There will be a fond farewell party for Rev. Alison and Bob Hampton on Friday, October 1st at 7.30pm in the Church Hall, Honeypt Lane.

All who know Reverend Alison and her husband Bob and value their friendship and ministry in the Hexagon Benefice over the last few years are invited to a farewell party where we can wish them both well for their future as Alison joins the charity Toybox to support street children in Latin America. This is an opportunity to spend some time with Alison and Bob and to say our goodbyes. Contact Rev. Andrew Rhoades on 460150.
