

SHOW SUCCESS

Although the total number of entries were considerably down on last year's record number, the organisers of the village's Horticultural and Craft Show are still happy to report a well supported and very successful show.

Gardeners are well known for declaring it to be "a strange growing season" and this year has been no exception with too little rain in early summer (unless you were on holiday) followed by too much in July and early August (for everybody - even those who were on holiday!). This certainly didn't help the village's competitive growers, who would presumably rather have no exhibit than one with which they were dissatisfied.

Entries in the Crafts Section were also reduced. It is tempting to put this down to it being the second year of the contest and that the first year provoked a clearing out of several years of previous creativity, which could not be repeated. We reject this because of our faith in the artistry of Husbands Bosworth and prefer to blame it on the weather, depression over the economy, the World Cup and politicians in general...

Well done to all the contestants, especially the trophy winners:

Overall Points Winners	June and John Dawson*
Best Exhibit in Show	Anuerin Owen*
Best Vegetable Exhibit	Anuerin Owen*
Best Allotment Exhibit	Kath and Malcolm Harrison*
Best Flower Exhibit	Norman Grant
Best Flower Arrangement	Dawn Tallis
Best Bakery or Cookery	Jennifer Rogers
Best Craft Exhibit	Marcia Blagg
Best Art Exhibit	Jennifer Rogers
Best Children's Exhibit	Sean Scully*

**Winners for the second consecutive year*

Financially the event did less well than last year with sponsorship down, presumably due to the current economic climate. Even so the show was financially successful and around £500 will be available for distribution to deserving village causes. Many thanks to the sponsors, cake makers and helpers and everyone who helped to make the show successful.

FAG END

Smokers are being warned they face on-the-spot fines if they are caught dropping cigarette butts in the street.

Harborough District Council issued the warning after seven people received fixed penalty fines for dropping cigarette ends in Market Harborough and Lutterworth in the space of a day.

Enforcement officers are concerned some folk still think it is acceptable to dispose of cigarette ends by discarding them in the street.

Since the smoking ban, introduced in 2007, the council has worked with local pubs, clubs, hotels, restaurants and businesses to install bins outside premises to discourage litter, as well as put up signs.

Inconsiderate smokers can be fined £75 for dropping ends in the street, which, if unpaid, can lead to a court prosecution.

OPEN FOR BUSINESS...

Revd. Alison leaves us shortly to take up her new post with the *Toybox* humanitarian charity. During the period of *interregnum*, services at All Saints Church, Husbands Bosworth will continue as normal. From next month the church will be launching some new service times.

On the first Sunday of each month there will be a special 9.30am family-friendly Holy Communion service that should appeal to everyone. On the second Sunday there will be a friendly and informal family service at 11.00am for children and adults and on the fourth Sunday there will be a traditional Holy Communion at 8.00am. The popular Benefice Communion will be at 11.00am on the third Sunday and held at different churches within the group. Look out for details of these and special services each month in the *Bugle*.

QUARRY QUERIES

The next meeting of the Husbands Bosworth Quarry Liaison Group will be on Wednesday, October 6th.

The group, which comprises representatives of Lafarge Aggregates Ltd., Leicestershire County Council, Harborough District Council and local parish councils, meets twice yearly to discuss matters arising from the operation of the sand and gravel quarrying and landfill site off Welford Road, Husbands Bosworth.

Lafarge have recently applied to extend the timescale for commencing work on the previously worked site to the east of the Butt Lane bridleway.

Anyone with any matters concerning the operations carried out at the site, that they would like aired at this meeting, is urged to contact the Clerk to the Parish Council on 880910.

POSTBAG

From John Tallis, Highcroft

After a couple of years contacting British Waterways about the condition of the boat-horse path over Bosworth Tunnel, I have recently received confirmation that trimming work will start soon and the path will, in future, be included in the regular maintenance schedule. Well done BW for coming up with the cash in these difficult times!

From An Annoyed Villager

It is a shame that one of our village bus shelters seems to be used for litter and graffiti purposes by some of the local teenage population. The bin for the litter isn't so far away from the bus stop but do they use it? No!! Perhaps they could clear up after themselves instead of letting others do it.

I am not the only member of the public that has noticed this mess. So if you know who the culprits are perhaps you can say something to them.

WATCH WORD

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

CRIME FILE

■ A car parked in a hotel car park at North Kilworth was broken into. Entry was gained by removing the lock barrel and property was stolen from inside.

■ Burglary to a dwelling in Swinford. Entry was gained via a conservatory window and property was stolen from inside.

■ Burglary to a dwelling in Walton. Entry was gained by forcing a rear door and property was stolen from inside.

■ Theft from a dwelling undergoing renovation in Bell Lane, Husbands Bosworth. Entry was gained by forcing a ground floor window and copper piping and water tanks were stolen from inside.

■ Burglary to a dwelling in Highcroft, Husbands Bosworth. Entry was gained via an unlocked door but the alarm sounding alerted the occupants. Car keys and a car were stolen but the vehicle was subsequently recovered and two suspects identified.

■ Twenty-two white turkeys and three poultry crates were stolen from an open barn near Walcote.

WARNING

Reports have been received of young males going door to door, claiming to be ex-offenders and trying to sell dusters and other items. They will often give the impression that this work is part of a rehabilitation scheme for young offenders to help them "go straight" or to "make an honest living". The prison and probation services DO NOT operate any schemes of this type.

Often these incidents lead directly to distraction crimes. Sometimes a spate of burglaries or break-ins will follow these 'sellers', who we suspect are simply carrying out reconnaissance of the homes and occupants, possibly selling on information of vulnerable targets to other criminals.

Harborough Police would remind residents to be suspicious of any cold callers. Contact the police on 999 if you are approached in this manner.

SIMPLE PRECAUTIONS TO DETER CRIMINALS

Very basic precautions can greatly reduce your chances of being a victim of burglary. Statistically more than half of home burglaries or attempted burglaries are due to offenders entering a property through unlocked doors or windows, or talking their way in. Householders can reduce their chances of becoming victims by taking simple steps such as making sure their doors and windows are secure when they go out or go to bed and making simple identity checks on cold-callers.

Burglars prefer not to have to force their way into a property. It creates noise which can alert others, it increases the chances of them injuring themselves and it increases the amount of evidence which police can use to trace them.

BATTLE RELICS FROM NASEBY

Cannon balls, old coins and a pair of Indonesian dragon-headed sword hilts are among items on display at Harborough Museum as part of a new exhibition on the Battle of Naseby.

On display will be remnants of the battle, found on the battlefield itself, some exhibited publicly for the very first time. They tell the story from the point of view of ordinary soldiers caught up in the war and feature alongside more extraordinary items perhaps dropped by fleeing Royalist noblemen.

Battle relics, musket and cannon balls, broken swords and coins are some of the objects on loan to the museum from the Naseby Battlefield Project.

The Project is continually improving the visitor experience at the nearby battlefield site itself with viewing platforms, displays and an audio guide that can be downloaded from the Project's website at www.naseby.com.

ACTIVITY GROUPS

VOLUNTEER NEEDED...

Can you spare a couple of hours per week on a regular basis? The 1st Husbands Bosworth Brownies desperately need a regular helper to assist the current Brownie Leader, Annette.

Husbands Bosworth is fortunate in having both a Rainbows and a Brownie Unit on our doorstep. Currently both groups are oversubscribed and an extra helper would mean that more spaces could be provided and fewer children would be disappointed.

Helping at Rainbows or Brownies is enormous fun and it is very rewarding to be providing a fun, safe, social group for young girls to go to. They enjoy making new friends and taking part in a very wide variety of activities.

Rainbows is held on Monday nights, during term-time from 5.30pm to 6.30pm for girls aged 5 to 7 years and Brownies is on Tuesday nights from 6.00pm to 7.30pm for girls aged 7 to 10 years. Anyone aged 16 upwards can volunteer, subject to a satisfactory CRB check carried out by the Girlguiding Organisation.

If you would be interested in volunteering or would like to discuss further what is involved please contact Annette Howes 881175 or Katharine Wright 881757.

So come on - give something back to the community - it'll make you feel great and be benefiting a lot of local children!

BADMINTON CLUB

The new playing season is now under way and any players who would like to join in social badminton would be very welcome. We play at the Village Hall on Mondays and Thursdays 8.30pm - 10.30pm. Fees are £20 for the season, with a £1 per night 'shuttle' fee. Visitors pay £2 for up to 5 visits, thereafter full membership is required. Annual subscription is due by November 1st for members.

For more information contact Ralph 880526, Lorrie 880281 or Mike 880455.

FIGHTING THE FLAB?

Do you want to try something NEW? The Husbands Bosworth Village Hall is free from 9.00am to 11.00am on Mondays and Thursdays. If you are free at those times and would like to keep fit I would appreciate your feedback. We could organise a Circuit Class, Pilates or Legs, Bums & Tums - it's up to you! What would you really like to see in the village?

Please call me or e-mail me with suggestions - 07912 368474

VILLAGE LUNCH

The next Village Lunch will be on Tuesday, October 26th at Kilworth Springs Golf Club. Diners are asked to meet in the bar at 12.30pm as usual.

The Village Lunch is open to anyone living locally, especially those living alone or retired. It is a perfect opportunity for those new to the area to make new friends and catch up with all the local gossip in a warm and relaxing atmosphere!

As Janice explained at the luncheon in August, due to rising costs the price of the meal will now be £7.50 per person. As before, this is for a two-course meal and includes coffee and mints.

Diners please note that for October's meal they should call Lorrie on 880281 to book or for more information.

HISTORICAL SOCIETY

The new season of meetings got off to a great start with enrolment followed by an entertaining talk about Leicestershire's Ghosts and Legends with David Bell.

The next meeting will be on Wednesday, October 6th when Bob Gregory will regale us with tales of Crime in Old Leicester. The meeting is at 7.30pm in the Church Hall, Honeypot Lane.

Meetings are on the first Wednesday of each month in the Church Hall. Membership is £10 per annum.

PARISH COUNCIL NEWS

Report of the Parish Council meeting held on Tuesday, September 7th 2010

Present: Full Council, Local Police Beat Team members PC Andy Smalley, WPC Vicky Barge.

Visitors' Questions

■ Council informed the Local Police Beat team members of their concerns that children are playing on the site of Bosworth House. Of particular concern was the possible danger arising from the filled swimming pool.

■ Apologies were made by the Beat Team regarding the missed SmartWater presentation. Stall-space has been allocated at the Conker Championships on October 3rd at which household packs will be for sale.

■ Council heard that opportunist and distraction crime had increased locally in recent months and the Beat Team asked that residents take more care in securing property.

Cemetery

■ No action had been taken regarding reported headstone damage. The Chairman offered to contact the grass-cutting contractor.

■ Further quotes for drainage work in the cemetery extension and for the proposed work to the yew trees were being sought.

Playing Field and Play Area

■ The RoSPA report had highlighted a number of minor issues, which would be discussed with the play equipment installer.

■ Emergency access to the Playing Field was discussed and it was agreed to seek information about a universal padlock accessible by all emergency services.

Traffic Issues

■ A survey of suitable locations for the Speed Activated Device had been carried out. Sites on the four approaches to the village had been identified, plus one centrally on the High Street.

■ The Speed Watch Team are awaiting approval for the use of Speed Indicator Devices and are drawing up a Code of Practice for their installation and management.

Rural Housing Scheme

■ Council heard that environmental impact and topographical surveys had been undertaken at the Welford Road site.

Any Other Business

■ Inconsiderate and nuisance parking on Butt Lane was discussed at length. It was noted that during recent functions at the parish church, parking problems had been exacerbated. Clerk was asked to contact the church to ask them to point out to churchgoers that parking for such functions was available in the Church Hall car park.

■ The untidy condition of the area around the Post Office was discussed. Clerk was asked to contact Mr. Holyland and ask that the area be tidied up.

■ The attention of Council members was drawn to the 'clouded' condition of the Butt Lane mirror. Council heard that the mirror installation was not approved by Highways and as such maintenance is outside the jurisdiction of the Parish Council. It was suggested that residents of Butt Lane and Lammas Close arrange the cleaning themselves.

■ Clerk was asked to contact the householder concerned regarding overhanging vegetation in Bell Lane.

■ Council noted that the sunken surface in Dag Lane had been repaired.

■ Members discussed the possibility of a village project to celebrate the Queen's Diamond Jubilee in 2012. It was agreed to ask for suggestions from residents. One suggestion was for the design and erection of a pictorial village sign.

■ Council agreed to have the parish strimmer serviced.

Next meeting

Tuesday, October 5th at 7.30pm in the Committee Room of the Village Hall.
