

## SPEED MERCHANTS

**W**e make no apologies for bringing the village's Speed Indicator Device onto the *Bugle* front page for the third time in four months. The device has been up and running now for four months and has been quietly gathering 'evidence' of traffic speeds, vehicle movements and flow characteristics.

Whilst generally traffic speeds within the core of the village are, on average, close to the 30mph limit, some striking readings have been noted. We reported in last month's *Bugle*, top speeds of 103mph on Welford Road and 95mph on Kilworth Road. Such speeds beggar belief. Perhaps more worrying are speeds of over 60mph on the High Street in the centre of the village. Being in control of the device means that we can direct it to where we feel it will be most effective. So, you may find that the SID lingers longer at some locations!

Data gathered by the device is presently being analysed and will shortly be presented before the Road Safety Partnership with a request for more frequent speed enforcement camera visits. The information can also be used to call for more permanent road safety measures, such as a 20mph zone near the school or improved road markings.

Editor's Note: *If you've not seen SID yet the chances are that you've not activated it - award yourself a few Brownie points!*

### FESTIVE FARE

**D**espite a decidedly inclement start to the day, Bosworth Festival 2011 was deemed a success by the organisers and all who participated. A record number of stalls served slightly fewer customers, due possibly to the overcast weather. Whilst exhibitors and stall holders did note "difficult trading conditions", probably due to the general economic situation, everyone seemed to enjoy the day and felt that it was a worthwhile venture.

Although the gate takings were slightly down, the returns from stall holder donations and exhibitor contributions boosted the overall takings and ensured that £1,200 was again available for distribution to worthy causes. Chief beneficiaries this year were Harborough FM, Loros, Leicestershire Clubs for Young People, St. John's Ambulance, the British Legion and the Help the Heroes Appeal.

The evening Picnic on the Lawn gains in popularity year on year as a community event. This year it was particularly encouraging that large numbers of local families and young children stayed to bop the night away to Stuart Begley's music.

The Man of the Match Award must go, as always, to Nobby Clarke for his enthusiasm, without which the Festival would undoubtedly struggle. Thanks must also go to Robert and Susan Constable-Maxwell for allowing vast numbers of strangers to take over their Park and garden.

### SAYING GOODBYE...

**W**e have recently said goodbye to a number of well-established villagers. Peggy Owen, life-long villager and one-time dedicated post lady to the outlying lodges and farms has sadly passed away. Always cheerful and unassuming, Peggy's dry wit could usually muster the sharp and humorous retort that finalised a discussion.

Also sadly missed will be another village stalwart, Roger Vicary, whose support over the years for many projects, from the Millennium Wood and the Sports Pavilion to the recently erected Butt Lane traffic mirror have been greatly appreciated but have characteristically, gone quietly unannounced.

Also leaving, but in less sorrowful circumstances, are Margaret and Frank Thorp who leave to move closer to their daughter. Scratch the surface of almost any village organisation and the chances are that you'll find traces of Margaret and Frank's contributions. The school, the Village Hall, W.I., the Parish Council, the Drama Group and latterly the Short Mat Bowls have all benefited greatly from their input.

Not leaving us, but saying her final goodbyes to the school is Yvonne Durrant whose dedication to Husbands Bosworth Primary School as teacher and, when the need arose, as acting head teacher, has helped to ensure its continuing success.

### SHOWCASE

**D**on't forget to book your exhibits into the Horticultural and Craft Show on Bank Holiday Sunday, August 28<sup>th</sup>. Come along even if you're not exhibiting and enjoy the marvels that Husbands Bosworth can produce, including home-made baking!

We look forward to seeing old faces and all the newcomers to our village, especially the children who have six creative classes catering for them this year.

If you need a schedule or for more information please contact Eleanor Murphy on 880476.

*Would last year's trophy holders please return them to Eleanor before the event.*

## POSTBAG

*From Sam Caves, Steven Harwood, Jack Johnston and Cole Pedley,*

The Bosworth Boys (Home-Start) would like to say a big thank you to all the local people who so generously sponsored our team in this year's Kilworth Challenge. The team raised a total of £1000 and came one place better than last year at 14<sup>th</sup> out of the 45 teams. We had a great two days and look forward to entering again next year.

*From Brian Smith, Clerk to NK Parish Council*

In the June 2011 edition of the *Bosworth Bugle* reference was made to the post-parish election outcome at North Kilworth. To clarify the matter one councillor was elected unopposed, two existing councillors missed the deadline for nominations and two did not seek re-election. In order to fill the remaining four seats Harborough District Council had to hold another election. This was done and five candidates were duly nominated, one withdrew and the remaining four were re-elected unopposed. I am pleased to say that North Kilworth Parish Council now has a full and vibrant Parish Council.

There have been reports of car number plate 'cloning' fraud working locally. Criminals copy your number plate so that if their car is involved in an accident or an offence such as speeding or illegal parking, you end up 'taking the blame'.

If you have number plates stolen or suspect that they have been cloned call the police immediately.

## WATCH WORD

*THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH*

Police in Leicester city have issued an urgent warning to people to be vigilant following reports of people posing as plain-clothed police officers in order to commit robbery. The people, who are usually a man and a woman, are not in uniform, but claim to be plain clothes officers. They stop a person and ask to search them before making off with items from the victim's bag or pocket. Genuine police officers will always show their warrant card which contains their photograph, rank and collar number. All officers carry these, even those not in uniform.

Although these incidents have occurred in the city, police suspect that they will move out into the county if they are not apprehended.

### CALL 101

**Police forces across England and Wales are ready to roll out 101 as the new police non-emergency number - the number to call when you need to call your local police but when it's less urgent than 999.**

**101 will be available 24 hours a day, 7 days a week and is due to be adopted by every police force in England by early 2012.**

## BOSWORTH SURGERY

Husbands Bosworth Surgery is currently setting up a Patient Participation Group (PPG) and are keen to recruit members. Their first introductory meeting will be held on Tuesday, September 6<sup>th</sup> from 7.00pm to 8.00pm at Husbands Bosworth Surgery.

PPGs are designed to involve the local community in the decisions made at the Surgery. The aim is for the public to work with the practice and offer a patients' perspective on the services that are provided. PPGs also help to improve communication, encourage patients to take more responsibility for their health and provide practical support.

The PPG will work in two ways. Firstly it will build a relationship between the practice and its patients, thereby breaking down barriers and sharing information. Secondly, members of the PPG can influence the wider NHS, most notably in terms of the decisions that are made on behalf of patients about the services that are to be available to them. If you would like to be a part of this forum in order to suggest positive ideas and voice concerns, please collect a registration form from the Surgery. For more information please call Eleanor Kilpatrick on 880522.

## FOBS NEWS

The FOBS summer fete was a great success. The sun shone on us and we raised a fantastic £1,041 for the school. The highlight of the afternoon was Husbands Bosworth's first 'It's a Knockout' competition. Thirteen teams competed head to head (...and leg to leg!) but the winning team who took away the coveted trophy was 'Lynx', which consisted of Rachel Day, Heidi Hall, Sean Green and Kian Gill. Thank you to everybody who came along and supported the event. Don't worry if you've missed out on Olympic tickets for next year, as you can be sure to witness similar sporting excellence at next year's 'It's a Knockout' 2012! Watch this space....

## BUNTING

Thanks also to all who contributed to the new sponsored bunting, which was hung out at the fete and looked great. We will continue to add to the bunting, so you can send your personalised flags in to the school at any time. For details, and how to make a template call Julie Dean on 881457.

## BYGONE BOSWORTH

*The Historical Society's Periodical Journal*

### The Turville Memorial Hall

When the *Harborough Advertiser* reported the official opening of the Turville Memorial Hall in 1896 they noted: "*The memory of Sir Francis Turville is still green in the recollection of all who knew him, and the desire to erect some suitable memorial to him has long been cherished. During the past few months inhabitants of Husbands Bosworth have witnessed the realisation of their hopes by the erection of a convenient Village Hall.*" The fabric of the building was completed at a cost of £880. A Grand Bazaar was held in November 1894 to raise funds to provide heating and furnishing for the Hall and was opened by Her Serene Highness Princess Henry of Pless. A concert in the evening was well supported: "*...a crowd assembled and there was a crush like one would see at a London Theatre. The Hall quickly filled... and every vantage was seized, even the high window ledges, which required some exercise of climbing skill to reach. It is estimated that some 250 were present.*"

### BUGLE CRACKER

American archaeologists found copper wire at a site they were excavating and came to the conclusion that their ancestors already had a telephone network 100 years before Alexander Graham Bell invented the telephone.

In England a team from Bristol University working on a late Medieval site near Bath discovered traces of fibre optic cabling and decided that this was evidence of a 400 year old high-tech communications network.

Hearing of their colleagues' news an Irish archaeological team started digging near Cork. After two weeks, and having dug down more than 30 feet, they found absolutely nothing and concluded that more than 1,000 years ago, Ireland had already gone wireless.

### SCULPTURAL EVENT

The Shuttlewood Clarke Foundation is delighted that Leicestershire's famous sculptor, John Sydney Carter FRBS has generously agreed to open his home in South Leicestershire to help raise funds for the charity. This is a unique opportunity to meet a famous sculptor in his own home, view a wide variety of amazing sculptures and talk to John about his passion, inspiration and creative journey.

The event will be held on Wednesday, August 3<sup>rd</sup> and starts at 7.00pm with light refreshments and wine.

Tickets for this event cost £20 and are very limited. To book a place and for details of the venue please call the Shuttlewood Clarke Foundation on: 01530 244914 or email: [admin@shuttlewood-clarke.org](mailto:admin@shuttlewood-clarke.org)

### CRAFT GROUP

The cost is only £2.50 per session to cover hall hire and a cuppa. Members will meet before the meeting at the Welford Road Cemetery at 6.45pm.

## KERBSIDE COLLECTION

Harborough District Council, in partnership with neighbouring local authorities, is launching a kerbside pick-up trial for unwanted, worn-out or broken electrical goods, including bulky items such as fridges, freezers, microwaves and electric cookers. The initiative began in Kibworth at the end of July and other trials will follow in Great Glen and Scraftoft, with a view to rolling out the scheme to other areas if it proves successful. Trial areas will be leafleted before the collection dates. Residents will be able to leave out any old or unwanted electrical items at the kerbside. For example, anything with a plug, electrical flex or which uses batteries.

## GETTING PHYSICAL...

Whilst most local authority funding has been withdrawn due to spending cuts, there is a small pot of money still available through the Leicestershire County Council and NHS promoted *ACTIVETogether* scheme. Funding may be available for schemes that encourage regular adult physical activity. Small grants will be on offer for activity groups such as walking clubs, jogging groups, dance groups, martial arts or cycling groups. For more information or to request an application form call either Zoe Calder or Sandra Arm on 828282 or you can download an application form at: [www.harborough.gov.uk/activetogether](http://www.harborough.gov.uk/activetogether) Closing date: Friday, August 26<sup>th</sup>.

## GIVE & TAKE

A special "how to" guide containing all the information community groups need to hold their own Give and Take Days has been launched.

Give and Take Days are like swap shops, where people can come along and leave unwanted items for others to pick up for free.

Leicestershire Waste Partnership, which is made up of the county, district and borough councils, has launched the free "How to..." guide to help communities or groups stage their own events, re-use unwanted items and help reduce the amount of waste sent to landfill.

Similar events organised by the partnership have seen anything from clothes to furniture re-used. More unusual items such as a hamster cage, bed pan and trampoline have also found new homes!

The guide contains helpful hints and tips on a range of issues including how to plan and promote your event, a poster template and advice on risk assessments.

Guy Jackson, Vice-chairman of the Leicestershire Waste Partnership, said: "The guide is a great easy-to-read guide for anyone who is thinking about holding a Give & Take Day in their community. Give & Take Days are good fun and provide a chance to pick up some real treasures - for free! They also have a serious side as they play a part in helping reduce the amount of waste sent to landfill."

The Give & Take Day tool kit can be downloaded at: [www.lesswaste.org.uk/index/reuse\\_toolkit\\_page.htm](http://www.lesswaste.org.uk/index/reuse_toolkit_page.htm) or can be obtained by calling 0116 305 7005.
