

## BUILDING PLOT...

**W**ith things stirring on the Begley's Yard site off Church Lane local residents have recently renewed their original concerns about the proposed development of the site.

Although the decision on the Begley site was initially deferred by Harborough planners, plans for 11 homes on the site were eventually passed two years ago, controversially without any community contribution element to fund access improvements or local infrastructure. The decision was contested at the time by local residents who felt let down that their concerns regarding access, traffic and the overbearing nature of the proposed development had not been taken into consideration and their loss had been compounded by the lack of Section 106 funding.

Now the group is seeking a review of the decision to waive the community funding, which they felt had been based on the owner's calculations of the viability of the site. The then Chief Executive of the Council, Sue Smith, refused to divulge information about the feasibility of the project as it was deemed to be financially sensitive to the applicant, Peter Begley. A renewed application to the new Chief Executive now reveals that the waiving of the S106 contribution was based on the 'viability of the site'; an argument, the group feels, that any developer could use to wriggle out of their social responsibility.

### SPEAKEASY...

**L**eicestershire County Council has recently taken over the organisation of Community Forums within Harborough District.

Community Forums are an important contact point for the local community and your opportunity to discuss relevant local issues and services with your County, District and Parish Councillors, council officers and representatives from other agencies such as the Health Service and the Police. The meetings are informal and are open to anyone to come along and have their say about how local services can be changed or improved.

**The next Harborough Rural West Community Forum will be on Wednesday, September 21<sup>st</sup> at 6.30pm in Husbands Bosworth Turville Memorial Hall.**

### SHEEP DOGS AQUIT THEMSELVES WELL

**A**s we've noted before in this august journal, brief mentions in Bill Bryson's "Notes from a Small Island" and in Bridget Jones's Diary have put Husbands Bosworth firmly on the map. The annual Husbands Bosworth and Theddingworth Sheep Dog trials however, held each year in the grounds of Bosworth Hall, raise our profile in a much more down-to-earth manner. The trials are nationally acknowledged for the quality of the competition and the venue, drawing competitors from across the length and breadth of the country and forwarding contestants into the international trialling arena.

This year's event was well supported with over 80 contestants competing for the silverware and was judged a great success by the organisers, raising £1,000 towards the Derbyshire, Leicestershire and Rutland Air Ambulance appeal.

Competition, as usual, was intense and local entrant, Val Powell from Cold Ashby finally lifted the coveted Mrs. David Constable-Maxwell Challenge Cup in the local section. In the Open Class, Adrian Hall of Wolvey took the T B Barlow Challenge Cup, with Keith Addington of Geddington in second place. Keith, with Spot, also took home the Llyr Evans Perpetual Challenge Cup as the highest scoring novice. The Miss May McTurk Memorial Cup, presented in memory of the McTurks of Blaston who revived the trials in Bosworth in 1936, which was awarded to the highest scoring handler of the opposite sex to the overall winner, was taken home by Angie Blackmore of Ledbury. The International Sheep Dog Society Young Handler Award went to Amy Rouse of Cambridge with Mist, who also took the Westerby Challenge Cup and the Highest Scoring Run was awarded to Nij Vyas of Stonton Wyville with Skye.

## POSTBAG

*From Tricia Day, Butt Lane*

Myself, and daughters Rebecca and Rachel, dance competitively in the ISTD Medallist competitions around the country to qualify for the National Finals in Blackpool. This year we were given the opportunity to dance in an Open Competition, competing against dancers that are at a much higher level. Rebecca danced in the Latin events (Jive and Cha-Cha-Cha) and after dancing through the heats came third in the final, which, considering she has only been dancing for just over a year was an amazing result! I danced in both the Ballroom and Latin (Waltz/Tango and Rumba/Cha) and was placed first in Ballroom and second in Latin. Rachel did not dance in this competition as she had already qualified for the Blackpool final. We have one more event in Cambridge in September which we will use as a 'practice' for the national finals, which will be held in the Empress Ballroom in the Winter Gardens in Blackpool on the first weekend in November. Glenn and Nikki Badham would like to enter more couples competitively. Are there any aspiring male dancers out there, of any age, as they have lots of ladies already?!!!!

*From Heather O'Connor, Cherry Tree Close. (Owner of 3 dogs)*

Dear Dog Walkers of Husbands Bosworth. I would like to bring to your attention that the bridle path between School Lane and Butt Lane has seen a considerable increase in dog mess being left behind by the owners of dogs being walked on that path. I think we all agree that when you step in dog mess it is neither pleasant or easy to clean off. SO PLEASE pick up after your dog. It is not hard to carry around nappy sacks or a carrier bag and deposit in the bins provided around the village.

## BYGONE BOSWORTH

*The Historical Society's Periodical Journal*

*This month we dip into a bound copy of the Parish Magazine of 1885, which was recently presented to the Society by Aneurin Owen.*

Today we take for granted our accessibility to books and newspapers. However, in 1885, reading and the knowledge that it brought, was mostly a privilege of the better off members of the community. The Victorians' thirst for knowledge and information spawned the formation of community reading rooms across the kingdom, where newspapers and books were available for general use.

"Mr. Stratton has kindly placed at our disposal two rooms in the house lately occupied by Mrs. Colston [now *Caldecott House, Kilworth Road*] for the purpose of a Village Reading Room." Within a month the membership stood at 40 and villagers were encouraged to use the facility: "...we feel sure such a visit...would lead to more general interest in the welfare of the young men of this Parish. It is hoped that eventually a Reading Room and Village Hall will be built."

Funds for the running of the Reading Room services and for building the new Reading Room and Village Hall, which it was estimated would cost in the region of £250, were raised throughout the year by various activities. A Sale of Work and Bazaar was to be held in the Rectory Gardens in August, for which contributions of fancy and plain work, books, magazines, periodicals, mechanical toys and other "...useful and ornamental Articles" were sought. In the event the bazaar was postponed until December, as it was discovered that four other bazaars were planned locally at about the same time as the one planned for Bosworth!

A successful Art Loan Exhibition was held during Whitsun-tide in the village National School, with a large number of valuable and interesting items kindly lent for the occasion. Lectures were given on the microscope and the phonograph, and a magic lantern show was presented. A sum of £15 was duly raised after expenses had been paid.

# PARISH COUNCIL NEWS

## Report of the Parish Council Meeting held on Tuesday, August 2<sup>nd</sup>.

Full council present and 2 members of the public. District Councillor Brian Smith had a prior engagement but arrived later.

### Visitors' Questions

Welford resident, Nigel Brotherton, updated Council on Welford village's application for an Amenity Weight Restriction. Welford Parish Council understood that the estimated cost of additional signing, upgrading of alternative routes and the redirection of HGV traffic would be about £½m. In the present economic climate it was unlikely that the work would progress.

Mr. Brotherton, who mows Bosworth playing field and cricket pitch on behalf of the Parish Council also noted extensive rabbit damage and dangerous holes especially on the practice football pitch. It was felt that the rabbits were coming in off the adjacent fields and that now the fields had been cut measures could be taken to control them.

*Minutes of the previous meeting were read and approved.*

### Matters Arising from the Minutes

Council agreed to contact the school governors offering to support a call for a 20mph zone along Welford Road past the school.

An extended 3 year insurance deal at an advantageous rate was approved.

Council noted that the long-awaited road works may be imminent on Bell Lane and Berridges Lane.

### Cemetery

*Councillors had met at the cemetery prior to the meeting.*

It was noted that the path weed spraying that had been carried out needed re-doing. Clerk to contact the contractors.

Members discussed the rebuilding scheme for the wall between the cemetery and the allotments. It was agreed to obtain quotes for rebuilding another section, which would complete the repairs of the unstable sections.

### Playing Field

The recent RoSPA play equipment report had highlighted a number of minor defects. Clerk was asked to contact the contractors with a view to carrying out the necessary repairs.

### Traffic Issues

Council discussed recent data collected by the Speed Indicator Device. It was agreed to seek permission to move the station at the bottom of Berridges Lane as it was felt that readings may be affected by slow-moving traffic turning right out of Bell Lane.

### Neighbourhood Watch

No response had been received from the local co-ordinator regarding Council's concerns about the lack of local relevance in information received.

### Rural Housing Scheme

No further information had been received concerning the progress of the scheme. District Councillor Smith agreed to contact HDC.

### Correspondence

Council had received correspondence outlining Planning Procedure for new councillors. It was felt that an update for all members would be beneficial. Councillors therefore agreed to invite a member of the HDC planning team to address a meeting and invite members from neighbouring villages.

### Any other business

Council noted that most of the storm drains around the village and on Welford Road were silted up. Clerk was asked to contact Highways.

The problem of dog mess on the bridle track between School Lane to Butt Lane was discussed. As the track is outside the curtilage of the village it was felt that the problem was outside the jurisdiction of the Dogs (Fouling of Land) Act 2000. It was suggested that the problem be highlighted in the *Bosworth Bugle*, urging dog walkers to pick up and deposit their dog mess in the bin provided on Butt Lane.

*The next meeting of the Parish Council will be on Tuesday, September 6<sup>th</sup> at 7.30pm in the Committee Room of the Village Hall. Councillors will meet at the Play Area at 6.45pm.*
