

BUMPER CROP ON SHOW

There was little sign of the recession in either the entries or those attending the village's recent Horticultural Show. With almost as many exhibits as the record year of 2009 and judging by door receipts, a significant increase in numbers coming to see the best of what Bosworth can offer the show was hailed a great success.

Those attending weren't disappointed; the standard of exhibits was again exceptional despite dark rumours about the quality of produce being ruined by our strange weather. The crafts section of the show was extremely well supported and competitive, from produce to pickling and photography to painting. There was more table and display space than in previous years, but still it was filled!

Financially the show also did better than last year. Although sponsorship from local businesses was well down, presumably due to the state of the economy, this was more than made up for in increased takings on the door, the raffle, refreshments, cake sales and the produce auction.. The overall surplus has enabled the organisers to distribute £550 to deserving village causes. Eleanor Murphy and the happy band of organisers would like to take this opportunity to thank the sponsors, the cake makers and everyone who contributed to the success of the event. A special thank you to those who helped to set up and take down the displays; many hands make light.. and swift work!

The major prize winners were:

Overall Points: John and June Dawson

Best Vegetable Exhibit: Aneurin Owen

Best Floral Exhibit: Aneurin Owen

Best Bakery or Cookery Exhibit: Gail Wilmot

Best Art Exhibit: Mike Pennington

Best Exhibit in Show: Aneurin Owen

Best Allotment Exhibit: Suzanne Dhillon

Best Flower Arrangement: Dawn Tallis

Best Craft Exhibit: Di Jones

Best Children's Exhibit: Oliver McGinnes

Editor's Note: For those mystified by John Dawson's strange entry in the vegetable class the weird giant gooseberry-like vegetable was a type of cucumber!

ROAD WORKS...

Well, it took a long time for the resurfacing of Berridges Lane and Bell Lane to come to fruition... and at times it seemed as if all the preliminary marking up was just a ruse! The work, which was originally planned for March was delayed when urgent repair work had to be carried out in Pincet Lane and was then rescheduled for the new financial year. Deadlines and promises from Highways came and went, so it was something of a shock when work actually started.

The work itself, though temporarily disruptive, was carried out rapidly and to a very high standard - all credit to the contractors!

Now all we await are the first roadworks to break up our posh new highway...

Editor's Note: The only flaw in the scheme is the 'patch' in Bell Lane where, we are told the contractors unearthed an electric cable whilst re-laying the drain. Rather than delay the whole project the contractors worked around the obstacle.

MILLENNIUM WOOD

Did you go down to the woods today? In the *Bugle* Postbag this month we carry a letter from a villager questioning if newcomers to the village, or established residents for that matter, know that we have a community woodland.

One of the village's projects to mark the new millennium was to establish a woodland recreational area for the benefit of the community. A former brickyard and clay-pit site alongside Kilworth Road was duly purchased with public subscription and grant aid and a tree planting scheme commenced. Over the years the Millennium Woodland has, with careful management, developed and now boasts a wide variety of natural habitats from meadow, woodland and coppice to rough pasture and wetland, all served by a network of pathways.

Take a walk down there and see if you can spot kingfishers, woodpeckers, grass snakes and barn owls. Better still, do as Neil suggests - pick a nice day and take the children and a picnic.

COPY DEADLINE
15th OF THE MONTH
PRECEDING PUBLICATION

FESTIVE TIMES...

All Saints Church members will be hosting their annual Christmas Festival on Saturday, November 26th and Sunday 27th. As this will be their tenth Christmas Festival they are hoping to make it bigger and better than ever.

The theme of the Festival this year is 'Light of the World', which, in conjunction with the Christmas theme, should be quite a broad palette to work from!

The event is always a very popular 'starter' for the festive season, regularly attracting over fifty decorated and illuminated trees to brighten up the church. Entries are invited from local businesses, activity and interest groups, families and individuals.

So, please get your thinking caps on and support the event with many displays. Look out for more information about entering and an entry form in the *Bugle*.

POSTBAG

From Margaret Bradley, Bell Lane

Has anyone any suggestions how we might be able to persuade the owner of the shop and Post Office to improve his premises? We are fortunate to still have a Post Office in the village and the shop is particularly welcome since Ryan's has gone. However the state of disrepair and general dilapidated appearance are an embarrassment and seem to be deteriorating daily. I am sure more people would use these facilities if they were more welcoming.

From Jackie Fletcher, Secretary to the Trustees

The Trustees and Friends of the Millennium Woodland Trust thank all those who gave a donation in memory of Margaret (Peg) Owen for the very welcome sum of £488.28 for the upkeep of Brickfield Spinney. Works are still on-going to improve walk-ways and provide more seating so this donation will give a substantial boost to the project. More trees are always welcome so if you have a self-set native tree in your garden which you would like to donate or any wild flowers and bog plants, then please contact either Jackie on 880910 or Ken on 880401.

From Jean Hankin, Welford Road

It was with regret that I learnt that, owing to illness, John and Jane Pugh have decided to sell up at Kilworth Wharf and leave us. During their tenure they have worked wonders to improve the appearance of the wharf and the numbers of their clientele. Their departure will be sadly missed by both local 'landlubbers' and passing boaters. I wish them well for the future.

From Neil Hankin, Welford Road

The little band of workers are to be congratulated on the work done at the Millennium Wood. What a pity none of our local families with young children have taken advantage of it as a picnic site during the school holidays. I regularly walk there and have only once met anyone - a lady with two kiddies and a dog who said that they often visited and considered it to be their 'own' nature reserve. Indeed I recently met a young family, new to the village, on the canal towpath who were armed with fishing nets keen to find a pond. They were unaware of the Millennium Wood. Are there others?

A telephone survey is being carried out on behalf of Leicestershire Constabulary over the next few weeks. If you have any queries about the survey please call 0116 222 2222 ext. 5949.

CAR CRIME

It is pleasing to note that car crime has reduced dramatically in the area over the past 12 months. Much of this reduction is down to better awareness of the threat posed by the opportunist thieves, especially to vehicles parked in remote areas. However, always be aware of the risks, park where pedestrians are likely to be passing and remove portable valuables from unattended vehicles or place any items necessary for the trip in your boot out of sight. Even a coat lying on the back seat could encourage a criminal to investigate the possibilities that there may be valuables in the pockets. Remember, also to disable any 'bluetooth' items as their signal can be detected if left enabled.

WATCH WORD

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

Leicestershire police have issued a warning following reports that criminals have been posing as Neighbourhood Watch officials. In one incident in an outlying village a resident confronted three men when they entered his home late at night. The intruders said that they were from the NW and were testing his security measures. Luckily the man challenged the men and they left but later the householder discovered that cash had been taken. If you are approached in this manner call 0116 222 2222 straight away.

Harborough Local Policing Unit urges farmers and those living in remote parts of the region to be wary of any suspicious activity late at night following a recent arson attack on an isolated barn near Carlton Curlieu. In the attack over 300 tonnes of straw and hay were lost. Please contact PC 1010 Hill with any information by e-mail at christopher.hill@leicestershire.pnn.police.uk or by phoning 0116 222 2222 and when prompted leave a message for him by entering his collar number 1010.

BYGONE BOSWORTH

The Historical Society's Periodical Journal

We have recently received a request for information relating to the Cave family of Husbands Bosworth. In particular the correspondent is seeking information about a Jack (John) Cave, who was in the Leicestershire Yeomanry during World War One, who is believed to have come from Husbands Bosworth. He went to France in 1915, survived the war and presumably, would have returned to Husbands Bosworth. If anyone has any information about John Cave or indeed the Cave family of Bosworth please contact Melvyn and we'll pass on the information.

We have also received an e-mail about a green propelling pencil 2½" long, with a tassel on the end. It is inscribed "L'Auberge Husbands Bosworth" and would presumably have been given away as a marketing promotion for the hotel, which later became The Fernie Lodge. The correspondent would like any information, especially the date when The Fernie was operating as L'Auberge.

PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, September 6th.

Four council members and 6 members of the public were present. Apologies were received from Councillors Patricia Hobson & Susan Fisher and District Councillor Brian Smith.

Visitors' Questions

•Residents of properties close to the proposed wind turbine on land adjacent to Pincet Lane outlined their opposition to the project. The meeting discussed the relevant planning and local policy issues and advised the opponents of the scheme to concentrate on the detrimental effect on the landscape character as being the aspect most likely to sway the planners.

•The meeting discussed the Begley's Yard development. Council noted that the plans had been approved and that the only way the layout could be modified would be if the developer re-applied.

Minutes of the previous meeting were read and approved.

Matters Arising from the Minutes

•Council agreed to seek further quotes for excavating a soakaway in the cemetery extension.

•It was noted that the cemetery paths appear not to have been sprayed.

Cemetery

•Clerk informed Council that quotations for rebuilding the cemetery southern boundary wall were being sought.

Playing Field

Councillors had met at the Play Area prior to the meeting.

•Council agreed that the minor repairs highlighted by the recent RoSPA report should be carried out. Some wear and tear repairs would be carried out at the same time. No safety related issues on the Play Equipment or Skatepark apparatus were noted.

•Clerk informed Council that the Highways Authority had identified one roadside tree adjacent to the Play Area as dangerous and requested that it be removed. Several other trees nearby had dead branches that needed removing. Clerk was asked to obtain quotes for carrying out the necessary work.

Traffic Issues

•Council noted that the blocked storm drains on Welford road had not yet been cleared. Clerk was asked to contact Highways again.

•Permission had been granted to move the Speed Indicator Device station from the lower end of Berridges Lane to a more suitable site outside Wing House. As the post was new a structural survey was not necessary.

Rural Housing Scheme

•Correspondence from East Midlands Housing, the developer likely to undertake the Exception Site development on Welford Road, indicated that they were still consulting with Leicestershire County Council regarding the release of the site.

Any other business

•Council discussed the problem of a large quantity of tyres dumped on Boat Horse Lane. It was noted that the site was off the public highway and clearing the tyres would be the responsibility of the landowner.

The next meeting of the Parish Council would be on Tuesday, October 4th at 7.30pm in the Committee Room of the Village Hall. Council members will meet at The Green at 6.45pm and will be carrying out an inspection of Berridges Lane, Dag Lane and Mowsley Road.
