

## BOSWORTH GOES NUTS!

**Glorious weather and a keen thirst for conflict resulted in a veritable feast of action at the Annual Bosworth Conker Championships.**

With classes of action for all ages, the event attracted over 250 participants and onlookers in this, the competition's third year. Refreshments, including a bar and barbecue, ensured that contestants could re-group after the fray and ready themselves for the next assault! There were also games off the battlefield so that everyone could join in and The Bakanalia Border Morris dancers entertained.

### **Championship Results:**

**Best team** - The Invincibles

**Women's Individual** - Christine Fernandes-Smith (for the second year running)

**Men's Individual** - Mark Ashford

**Children's 9-12yrs** - Alex Garner (third year running)

**Children's 6- 8 years** - Jack Pennington

The organisers would like to take this opportunity to thank everyone who supported the event, both by providing invaluable help on the day and in advance by donating tombola prizes, baking cakes, etc.

After costs, the event raised almost £700, with donations made to Marie Curie Cancer Care, the Village Hall and the Church Hall.

### **BOSWORTH BEACON**

At the recent meeting of the Parish Council, members discussed the possibility of arranging a village event to celebrate the Queen's Diamond Jubilee next June. A suggestion to present each village child of primary school age with a commemorative mug or other suitable memento, as has been the tradition in the past, was put forward.

Another proposal was to have a whole village event with day events on the Playing Field followed by a hog roast and a bonfire and fireworks party in the evening.

Nationally it has been traditional for beacons to be lit the length and breadth of the country to celebrate jubilees and a movement has been set up to co-ordinate beacons for 2012. A suitably large bonfire on the Playing Field, in its elevated position on the edge of the village, could be Bosworth's contribution to this chain of beacons.

Any other suggestions for commemorating the event or offers to organise a village event would be most welcome. Contact the Parish Clerk, Jackie Fletcher on 880910, email: jackiehbpc@btinternet.com or come along to the next Parish Council meeting on November 1<sup>st</sup> to discuss your proposal.

### **BUS PASSES**

Earlier in the year we reported that the future of the S58 Hinckley to Market Harborough bus service, which serves Bosworth, was uncertain. Northamptonshire had pulled the plug on connecting services at the Market Harborough end and Leicestershire County Council was similarly looking for savings in their public services. District Councillor Brian Smith now tells us that he has been assured that the S58 service is to be retained in its present form, for the time being at least.

Meanwhile Northamptonshire's County Connect demand-led service that replaced the S59 Welford to Market Harborough service seems to bumble along merrily despite users' concerns that the fares are too high.

### **MUGGED MAIL**

Readers will have noticed that your Editor is alive and kicking despite the spurious e-mail purporting to have come from him saying that he was in desperate need of cash after being mugged in Spain. Scamsters had hijacked his personal e-mail account and sent out the plea to everyone on his contact list and then disabled the account. Two hours of on-line help by a nice BTYahoo man in Mumbai restored the account but the account history and addresses had disappeared into the ether. BT man's advice to help prevent this type of hacking is to always sign out of the service rather than just clicking off at the end of your session and change your password frequently. *Editor's Note: Many thanks to all those who rang to check on my wellbeing...*

### **BUILDING LINE**

Villagers living in the Church Lane are renewing their call for Harborough District Council to call a halt on work at the former builder's yard pending the outcome of a Freedom of Information request. The development, which has permission for 11 homes, has caused controversy amongst local residents since the plans were first published.

Residents consider that inadequate provision has been made for car parking and feel that the proposed work represents over-development of the site. Planners also controversially waived the developer's obligation to contribute to a community fund, after deciding that the development would be unviable if a contribution was levied.

## POSTBAG

*From Ann & Chris Saxton, Bell Lane*

Our thanks to all of you who sponsored our son-in-law for his solitary walk in aid of Parkinson's UK. He walked from the source of the Thames in Gloucestershire to the Thames Barrier in London. His 8-day journey took him through meadows of orchids to rowing clubs at Henley, etc. The daily blog showed him wearing hats appropriate to the venue - mortar board at Oxford, boater at Henley... As his feet became painful with blisters he had to finish wearing a cousin's pink trainers! All worthwhile as Parkinson's U.K is £1000 better off.

*From Frances Smith, Butt Lane*

I am sure the whole village must echo Margaret Bradley's thoughts in the October *Bugle* regarding the state of the Post Office. We all want to keep our Post Office but it is long overdue for improvement and in the interests of safety alone, needs attention. The whole site has been a blight on the landscape for many years and needs some suitable development to complement the school, the Village Hall and The Bell Inn to give our village an attractive and welcoming centre. So it's over to you Mr. Holyland. Please do something to enhance the village.

## FREE TREE SCHEME

Leicestershire County Council is extending its successful tree planting scheme for farmers and rural landowners into its fourth year.

The Free Tree Scheme, which aims to replace trees lost to disorders such as Dutch Elm Disease, Sudden Oak Death and Ash Decline, has so far seen around 6,000 trees planted in rural parts of the county.

The Council can provide trees to plant in hedgerows, field boundaries, field corners and parkland areas. Sites next to, and visible from, main road corridors are preferred but any site on rural land which is visible to the public will be considered. The scheme does not cover private gardens.

The initiative is a partnership arrangement where the County Council supplies the trees, stakes and ties and the landowner does the planting and subsequent aftercare.

Anyone interested in applying for free trees should contact the Forestry Office at County Hall on 0116 3056920 for an application form and further details.

# SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Matthew Bown

From Matthew Bown, Headteacher

This term saw many changes to our school, within staffing, pupils, lessons and the grounds. My message to the staff at the start of term was 'change is good' and we should embrace it. This is exactly what everybody did and we have now come to the end of a very happy and successful half term.

The new pupils in the foundation stage and in Class 3 have settled in well, as have our two new teachers, Miss Kenyan and Miss Marriott.

This term also sees changes to our governing body. Our long standing Chair of Governors has retired and her place has been taken by Mr. Kenneth Anderson. We are also currently in the process of recruiting parent governors. Finally we are looking for a new community governor. If you are interested in becoming a member of our governing body and feel you could support the school on behalf of the community, please write a letter to us giving details of yourself.

I look forward to informing you of our Christmas events in the next *Bugle*.

## HUSBANDS BOSWORTH CONSERVATION AREA

We have been asked to clarify some points regarding the Conservation Area status of the village.

Most of Husbands Bosworth village was designated a Conservation Area in 1987. Much new development has taken place since the designation and a review was undertaken during 2005 with the aim of removing anomalies that had arisen in the interim period within the Conservation Area and relaxing the planning constraints on less sensitive areas. After a period of consultation the revised boundaries to the Conservation Area were published by Harborough District Council on July 16<sup>th</sup> 2007. Whereas the original plan tended to encompass almost the whole of the village, the new area excludes newer developments such as Highcroft and much of Hunters Close.

To read the Conservation Area Character Assessment and view a downloadable plan of the Conservation Area go to the Husbands Bosworth website at [www.husbandsbosworth.info](http://www.husbandsbosworth.info) and click on Local Information and Local Planning Statement. For further information contact the Development Control officer at Harborough District Council.

# PARISH COUNCIL NEWS

## Report of the Parish Council Meeting held on Tuesday, October 4<sup>th</sup>.

Five council members, 1 member of the public and District Councillor Brian Smith were present. Apologies were received from Councillor Bill Fletcher. In the absence of the Chairman, Mr. Forman took the chair.

### Visitors' Questions

Concerns were raised by residents of Ashacre Close regarding the sale of the unadopted access road to the Close. Council understood that adoption of the road by the highway authority was still on the cards and advised residents to take legal advice with regard to maintaining their rights until adoption had been finalised. District Councillor Smith advised the meeting that sufficient funds had been lodged by the developer of Ashacre Close for the authority to complete adoption.

*Minutes of the previous meeting were read and approved.*

### Cemetery

The cemetery paths had now been sprayed but the hedge undergrowth had yet to be cut back. It was thought that the contractor was intending to do this work after the mowing season had ended. Clerk would confirm that this work was in hand.

Clerk informed the meeting that two quotations for rebuilding the cemetery wall had been received and a third was expected.

Quotes for work to sink a drainage sump in the cemetery extension were now in and Council agreed to proceed with a favourable quote. District Councillor Smith agreed to approach Lafarge Aggregates with a request for the supply of aggregates for the drainage material.

### Playing Field

Some urgent work had been carried out on the half-pipe skateboard apparatus where boarding had lifted. Other safety related work highlighted by the RoSPA report was still to be done. Three quotations for work to roadside trees highlighted by the Highways Authority had been received. Council agreed to a favourable quote to remove one tree and to remove dead wood and reduce three others.

### Traffic Issues

During the recent warm spell it was noticed that the Speed Indicator Device had developed an internal condensation problem, which was reported to the supplier. Advice was being sought.

Council noted that North Kilworth Parish Council had recently purchased a similar device.

Members discussed the School 20mph Zone proposal. No word had been received regarding progress but it was understood that the school was drawing up a School Traffic Plan to support an application. Council reaffirmed their support.

### Rural Housing Scheme

As little information had been received recently regarding the progress of the scheme it was agreed to invite a representative of East Midlands Housing to the next Parish Council meeting.

### Accounts

Clerk informed Council that she had recently registered the Parish Council as an employer, and herself as an employee, in order to comply with new legislation.

### Any other business

Council discussed ideas for celebrating the Queen's Diamond Jubilee in 2012. Ideas tabled included giving every child a commemorative mug or similar item and staging a bonfire or beacon event on the playing field to incorporate a village party with hog-roast and bar. Other suggestions would be sought in an article in the *Bugle*. It was felt that arrangements for any substantial event would need to be in place as soon as possible.

Following concerns raised by a number of local residents, Council agreed to forward representations against the Pincet Lane wind turbine application.

*The next meeting of the Parish Council would be on Tuesday, November 1<sup>st</sup> at 7.30pm in the Committee Room of the Village Hall.*
