

WELFORD WEIGHTS

At the recent meeting of Husbands Bosworth Parish Council members of the Welford Action Group presented their case for installing a 7½ tonne Amenity Weight Restriction in Welford village. Welford Action Group (WAG) has been campaigning for a weight restriction on the A5199 through Welford village for a number of years and, whilst they have been unsuccessful in their primary goal, they have succeeded in getting traffic calming and road safety measures installed.

An assessment carried out by Northamptonshire County highways department last summer finally acknowledged that there is a problem and a report details the technicalities of the proposal and the likely cost.

The report notes that the restriction would need to be in place from the A14 Junction 1 at Portly Ford and from the A4304/A5199 in Husbands Bosworth. As well as prior notice signing on the M1 and A14, associated signing would need to be installed on routes that 'feed' into the system at South Kilworth and Station Road, Sibbertoft Road and Sulby Road, Husbands Bosworth and Naseby Road and Elkington Road, Welford.

Much of the additional signing would be in Leicestershire and the report notes that this would require the co-operation of Leicestershire County Council and, where signs were to be installed on trunk routes, the Highways Agency. The report puts the total cost in the region of £250,000 for implementing the scheme.

At the parish council meeting WAG members sought the support of Husbands Bosworth residents. After some discussion it was agreed that the scheme could have benefits for Husbands Bosworth, where problems with HGV traffic, especially on Bell Lane and Berridges Lane, were already evident.

Editor's Note: Previous proposals tabled by Northants County Council have been stonewalled by LCC, which has designated the A5199 from Leicester to the county boundary (and hence to the A14) as a preferred route in its Local Traffic Plan.

COUNCIL TACKS...

Harborough District Council are busily back-peddalling on a couple of controversial issues. Their proposal to relocate the indoor market is now back in the melting pot following 'further consultation and public concern'. Councillors are now looking at leaving the market where it is and managing the Market Hall building more effectively in order to generate more income. Leasing the premises, which was going to fund the renovation of the Council's headquarters would no longer be on the cards and funding would instead be generated by leasing the lower floors of the Adam and Eve Street offices.

Controversial plans to levy up to £40,500 community funding per plot on new building schemes has also been kicked into touch following an outcry. The proposal, which would have stopped house building in the district in its tracks has been reappraised. A more sensible sliding scale contribution scheme that would see a small property levied at less than £6,000 and larger properties up to £29,000 is now likely to be adopted.

JUBILEE PHOTO

All Saints Church members will be inviting villagers to join them in a special community photograph to celebrate the Queen's Diamond Jubilee.

The photograph will be taken outside All Saints Church during the Jubilee Weekend and everyone is invited to get spruced up and get in on the act!

Look out for more details on dates and times later.

BOSWORTH REMEMBERS

There's still time to get your Coronation or Jubilee reminiscences to us in time for next month's commemorative issue. A number of villagers have given us some interesting... and amusing tales! Do you remember the Queen's Coronation? Or an earlier monarch's crowning, perhaps? What do you remember of the Queen's Silver Jubilee in 1977?

POSTBAG

From John Gauld, Cheshire

Mum (Olive Gauld, formerly of Welford Road) continues to improve in Lenthall House, Market Harborough and although she walks with a frame and struggles sometimes to remember things, she's generally as sharp as a razor. She has developed a little business, crocheting baby clothes and cot blankets, which the home sells and adds the proceeds to the community chest!

Several of her friends from the village have been to see her and she is always keen to hear - and to tell us - what has been going on, when we make our regular visits. Perhaps, through the Bugle, you would be kind enough to pass on my thanks to all who have visited or sent cards.

Editor's Note: John also sent us some old postcard views of Bosworth, which he found recently. One shows Scrimshire's shop in the thatch cottage on the High Street with a Player's cigarette machine and a chewing gum machine on the wall and he wonders if anyone can remember the cobbled footpath on the south side of the street, with a smooth concrete strip up the middle.

From former villager Alena Burton, Macclesfield

Please find enclosed Bugle subscription and donation. You do a brilliant job - many thanks! I enjoy the Bugle enormously and always read it with great interest.

LOCAL CRIME FILE

A break-in at a property on Kilworth Road, Husbands Bosworth. Access was through an upstairs window, which was secured on the first catch. Nothing was stolen but window locks were damaged.

Thefts of catalytic converters continue locally. Recent incidents have occurred in the Dunton Bassett and Lutterworth areas where high-standing vehicles, such as 4x4s and panel vans have been targeted. Police advice is to park vehicles in well-lit, open areas if possible.

WATCH WORD

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

COUNCIL TAX SCAMS

Market Harborough and Lutterworth Police are urging villagers to be aware of cold-calling scamsters.

There have been a large number of reported cases recently of criminals trying to trick people into revealing details of their bank accounts and credit/debit cards by pretending to work for a local council.

Councils across the East Midlands have been contacted by concerned residents who have received telephone calls informing them they qualify for a large Council Tax rebate due to them being 'good payers' or because their property had been placed in a lower Council Tax bracket. The caller may sound convincing and asks the householder to confirm property details. The caller then asks for bank account details so that the funds can be forwarded.

The public are being warned not to give out bank card information. Local authorities DO NOT telephone or visit people unexpectedly to request details of bank account and credit/debit card details.

Any legitimate refund or change of details required by any authority would always be notified by post in the first instance.

HELP NEEDED

The Girl Guide Association is looking for new, enthusiastic and keen leaders for Guiding within Husbands Bosworth. Over the last couple of years there has been an increase in the number of girls and young women wanting to join Girl Guiding in Husbands Bosworth. This is fantastic, but does lead to long waiting lists and in some cases disappointment when there are no spaces available.

Currently in Husbands Bosworth there is **NO** Guide unit (10-14yrs) and **NO** Ranger unit (14-25yrs). The younger units are thriving, but there are lots of girls approaching the age of 10 who will have nowhere nearby to progress to.

We are particularly keen to find a new leader(s) to open a Guide unit in the village. Maybe you have been involved with the Association before, maybe you are a group of friends that would like to do something social together or maybe you realize the importance of youth provision within the village. Whatever your reason, please contact us!

As a leader you would be given full training and support by the County Association. It is also a fantastic asset to have on a CV and can lead to jobs in child care, administration, teaching and many more.

If you are interested or would like further information then please contact: Janet Gelsthorpe at the Girl Guiding Leicestershire County Office on 0116 2545290 or office@leicestershireguides.org

PERMISSIVE PATHS

The Leicestershire Local Access Forum is alerting the public and Parish Councils to local grant-aided walking and riding routes which may be withdrawn as Government funding for them comes to an end.

There are over 65 of these time-limited permissive paths or access areas in the county, provided under various agri-environment schemes. Most agreements last only 10 years, so are not marked on Ordnance Survey maps. Details of sites are on the web at: cwr.defra.gov.uk

The Forum is urging people to enjoy these opportunities while they can and is encouraging parish councils and community members to take an active interest in their future.

Locally we have Public Access Land at Lodge Farm, Welford, Park Farm, Stanford on Avon and part of the Naseby battlefield interpretative trail between Sibbertoft and Marston Trussell.

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Matthew Bown

We have now begun our Summer term and it looks likely to be busy. This term we are organising many events in school to celebrate both the Olympics and the Diamond Jubilee. The children in years 2 and 6 are also preparing for their up and coming SATs examinations. Later this term the older children will be rehearsing for a school production to take place at the end of term in the Village Hall. This, I am sure, will be a real treat for all the parents and siblings.

Could I remind you that we are still collecting the Sainsbury's and Tesco tokens. If you have any that you could donate to the school we promise to put them to good use!

I would also like to thank the Causeway Charity for their generous donation of £100. This money will be used to purchase further books for our new school library.

Matthew Bown, Headteacher

FOBS NEWS

After a delicious supper of jacket potatoes and chilli, the pace picked up with the reeling race, which got very competitive with the adults! Bill Fletcher's "orse" won the most races! We managed to raise £406. Thank you everyone who came and for all the help.

LOROS WALKING

A few intrepid walkers turned up recently for Lorrie and Penny's LOROS fund-raising walk from Welford Wharf.

As a lot of supporters were away for the weekend it is hoped that another walk can be arranged for a suitable time later in the summer.

Lorrie and Penny were very grateful for the generosity of the people who did support them and hope that they will walk again next time - purely for pleasure!

Editor's Note: The walk made £88

PARISH COUNCIL NEWS

Report of the Parish Council Open Meeting held on Tuesday, April 3rd 2012.

Five Council members and 3 members of the public were present. Apologies were received from Councillor Sue Fisher and District Councillor Brian Smith.

Visitors' Questions

■ Two members of the Welford Action Group addressed the meeting and appraised Council on their proposals to seek a 7½ tonne Amenity Weight Restriction for the A5199 through Welford village. Such a restriction would need to be applied from Husbands Bosworth High Street junction with the Welford Road and cover other access roads within Husbands Bosworth parish and Leicestershire. WAG had gathered some support from Northamptonshire County Council and was seeking the support of Husbands Bosworth Council members. After some discussion Council felt that such a restriction may have benefits for Husbands Bosworth village, especially in Bell Lane and Berridges Lane, where HGV traffic was causing problems and agreed to support WAG.

■ Council discussed the LCC-led campaign for improved Broadband internet access. Mrs. Hobson informed Council that she had had little response from villagers. It was noted that whilst upgrading the exchange would technically improve internet speeds, the distance from the exchange to the consumer, using existing cabling, would in fact still restrict terminal speeds. Better improvements required the installation of intermediary sub-stations cabled with fibre optic technology.

Minutes of the previous meeting were read and approved.

Cemetery

■ Members discussed correspondence from a resident suggesting that a meadow flower area be established within the cemetery. Council felt that such an area would need to be managed, which would have a cost implication. It would also complicate the mowing and maintenance of the site. It was suggested that insect attracting shrubs would be easier to manage.

■ Council had yet to finalise a review of cemetery charges.

■ Members reviewed the cemetery and playing field grass mowing contract and agreed, after some discussion, to retain the existing contractor.

Playing Field & Play Area

■ Members noted incidences of vandalism to the skatepark equipment and an arson attack that had to be dealt with by the Fire Service. It was agreed to carry out repairs to maintain the safety of the equipment. Council was disappointed to note large amounts of litter around the skatepark and shelter areas despite regular litter-picking and sufficient litter bins.

■ It was noted that a freestanding soccer goal set had 'appeared' on the playing field. It was noted that, as an unauthorised piece of equipment, this could constitute a safety hazard and it was agreed to remove it from the site.

Allotments

■ Clerk informed Council that although two plots had been relinquished these had now been re-let.

Diamond Jubilee

■ Members discussed items as commemorative gifts for children at the school. After discussion it was agreed to purchase 108 Jubilee Mugs. Surplus mugs would be sold.

Planning & Correspondence

■ Members discussed the recent District Council planning liaison meeting, which Mr. Forman and Mrs. Hobson attended. At this meeting the newly published guidelines for planning and development control and the Localism Bill were briefly discussed.

Any other business

■ It was agreed to leave further clearing of the playing field top margin until the autumn as it was felt that work carried out now may disturb nesting birds.

■ Council discussed the possibility of purchasing a public address system that could be used at various village events. It was agreed to seek further information on specification and costs.

The next meeting of the Parish Council will be the Annual General Meeting on Tues., May 1st at 7.45pm in the Committee Room of the Village Hall. Members will meet at the allotments at 7.00pm.
