

## JUBILATIONS...

**W**hilst fine weather invariably makes a good event even better, the real key to the success of a community event, such as our recent Jubilee Celebrations, is down to the enthusiasm of the team that organises it.

We all know that our Bank Holiday Monday celebrations were blessed with a glorious fine, warm and dry day sandwiched between merciless days of cold and wet, but the fullest praise needs to be heaped onto the small band of enthusiastic villagers who drew the strands of the event together.

Many elements of the festivities needed the holistic hand of the Parish Council to get the show on the road. So, it is to the credit of the Council that, at an early stage, they wholeheartedly supported what was envisaged as a whole village event, both financially and with man and woman power! A special mention is due to Jackie and Bill Fletcher for the back-room work that they undertook, steering the 'committee' and procuring many of the essential ingredients for a successful day.

What Parish Council members lacked in childcare abilities was ably rectified by the input of FOBS members, who organised the Treasure Hunt and refreshments, and the triumvirate of Libby Harris, Leah Smith and Elizabeth Bromley, who directed the multitude of field events. Many thanks must also go to the field event 'volunteer' stewards, who rashly offered their services at the initial planning meetings, perhaps never thinking that their offer would be taken up!

Thanks are also due to Jennifer Rogers, our official chronicler, who flitted around the field during the day recording the event for posterity, Mike Pennington for providing the well-received bacon butties and Ken Rogers for manning the public address system with suitably toned authority! We must also thank Brian Smith for running the Bosworth Passenger Railway service.

Special thanks to Robert and Susan Maxwell for their peerless judging on the day and for providing the truly regal Coronation Thrones and Gold Staff for our Jubilee King, Oliver Dove, and his Queen, Stella Blake. Congratulations to 'Buckingham Palace', winners of the Best Dressed Gazebo contest.

Lastly, we must thank James Shelley for arranging the construction of our magnificent Jubilee Beacon.

**A big THANK YOU to everyone who came along just to enjoy the event!**

### QUIZZICAL

It was good to see a load of new and eager faces at the annual Pavilion Quiz, but after a keenly fought contest it fell to stalwart villagers, *The Strife of Brian* to scoop the major honours with 91 points. *Les Derniers*, skulking at the back of the room, managed a creditable 87 points as runners up and we mustn't forget *The Amnesiacs*, who followed closely behind with 83 points. *The Jumblies* gamely held up the tail-end of the competition, taking the coveted Wooden Spoons!

Many thanks to the organisers, especially Sue and Nigel Brotherton, who set the questions, Bill Fletcher for Question Mastering, Jackie Fletcher for scoring and Brian Smith for projecting...

Also a special mention to The Bell Inn for providing an excellent supper.

### MOVING ON...

It is with sadness that we hear that our Curate, Reverend Andy Rhoades and his wife Kath will be leaving the Hexagon Benefice at the end of August to take up a new position with St. David's parish, Broomleys, Coalville.

On behalf of the people and parish of Husbands Bosworth, the *Bugle* would like to take this opportunity to thank both Andy and Kath for their tireless ministry and invaluable contribution to our community during the past three years.

The legacy that they leave behind will be the friendship fostered with our other denominations and with the village school, and we hope that they take away many fond memories of their time with us.

We wish them a very fond farewell and every blessing in their new venture.

### NEW WALKIES...

A new dog walk has recently been opened up to the north of the village. The area, a former osier-bed and wetland wood off the Mowsley bridle track, has been established by Cliff Garner and Martin Wade of Honeypot Farm and is specifically aimed at users who would like somewhere safe to walk their dogs, away from traffic and farm animals.

The walk, a circular pathway, has been established to provide dog walkers with a safe alternative to walking in adjacent fields where grazing livestock are often present.

Stock-proof fencing and secure access gates will enable dog-walkers to let their dogs off their leads safely whilst within the confines of the walking area.

Access to the walk is on the left, directly off the bridle track, 200m north of the canal bridge.

## POSTBAG

*From Bob Carstairs, Mowsley Road*

May I express my appreciation of all the hard work and hours of organisation that went into the Bosworth Diamond Jubilee Party. The turn-out of such numbers from our village was impressive: we all enjoyed a superb day of events, culminating in the spectacular fireworks and the lighting of the beacon. The day could not have been possible without the support of many; in particular the Parish Council and FOBs should be mentioned, but most impressive of all was the spirit of enjoyment engendered by the many villagers who grouped together for the party. What a splendid day!

*From Ann & Chris Saxton, Bell Lane*

A big thank you to the Parish Council and all the organizers and helpers of the big village celebration. It was a day to remember not only for the children but for us all. Our grandchildren flew in from France and so enjoyed the races, the treasure hunt, the impromptu football, bacon butties and the whole party. The cakes were amazing. They will remember the Queen's Diamond Jubilee for the rest of their lives. Well done.

*From Sybil & Andrew Barker, Sibbertoft*

We lived in Bosworth for 20 years until we were dragged away Up North, kicking and screaming in 1993. We have maintained connections through many friends and hinted that we wished to come to the Jubilee celebrations. We wish to say what a wonderful day it was. Not only did we keep bumping into people we knew of old, but found it most encouraging to see so many young families, which bodes well for Bosworth. We offer huge congratulations and thanks to the organisers and helpers for putting on such a great celebration, topped off with the splendid firework display.

*From Frances Smith, Butt Lane*

A big thank you to the organisers of our village Jubilee celebrations. Such a successful, enjoyable day and you even managed a dry, sunny day. How did you do that? Thanks must also go to all the helpers and participants on the day. It was an occasion to remember, rounded off with an excellent display of fireworks and the lighting of the beacon.

*From Di & Peter Jones, Highcroft*

We would like to say a big thank you to everyone who organised, or helped in any way, to make the village Jubilee day so memorable. The standard of decorated gazebos, the stunning fireworks and the beacon were a real tribute to HM The Queen. It was nice to see so many families together and what a good opportunity to get to know other villagers. I am sure that many will want to repeat this experience by joining in the Bosworth Festival.

*From The Bosworth Boys, aka Jack Johnston, Cole Pedley, Steve Harwood & Sam Caves*

We would yet again like to thank all those kind villagers (and some non-villagers) who donated generously to our Kilworth Challenge 2012 campaign. We managed to raise a total of just over £1,000 and the whole event raised over £55,000 this year breaking the £1million mark raised over its 20 year history. We are delighted to say we finished 3rd out of 35 teams, our best result to date in our six years of competing. We look forward to 2013 and look forward to bettering our result, so once again, Thank You!

*From a Concerned Resident*

To the woman who walked an Alsatian/German Shepherd dog along the Welford Road on Thursday 21<sup>st</sup> June and allowed it to foul. You were seen allowing your dog to foul the grass area opposite the school, look around to see if anyone was watching and then walk away, leaving the mess for someone to tread in. Besides returning what is rightfully yours to you, you will also be reported if you are seen failing to clear up after your dog again.

# BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

## QUARRY NEWS

At the recent meeting of the Quarry Liaison Group members heard that work to open the proposed Butt Lane extension was being hampered by Natural England's requirement for a detailed ecological assessment. However, it was anticipated that excavation work would start before the autumn. A concrete pad had recently been laid across the bridle track to facilitate the installation of a level crossing for haul traffic.

It was reported that the landfill operation had been active during the spring. Unfortunately the wet weather had caused some road fouling from the landfill site onto Welford Road. This has now been addressed by the installation of a wheel washing facility on the exit road. Aggregate traffic flows remain steady at 7-8,000 tonnes per month. It was noted that the demarcation line between the end of the quarry access road and the highway was difficult to discern. Lafarge agreed to look into re-marking this.

Lafarge is to apply for permission to operate a short contract to import approximately 1,000 tonnes per month of rail-track ballast material for processing. No additional vehicle movements were anticipated as the material would be brought in on a back-loading basis, utilising lorries returning from deliveries.

The meeting heard that there had been four instances of criminal activity at the site since the beginning of the year. In one incident a battery had been removed from a secured vehicle.

## KILWORTH CHALLENGE

Thanks a Million!!! This year the Kilworth Challenge raised £56,896 over the weekend, and when the generous support from Kilworth House Hotel and Theatre and the 'Gift Aid' contribution is taken into account, this will rise above £70,000.

This takes the grand total raised over the life of the Challenge to an amazing £1,020,000.

**CONGRATULATIONS to Steve Price of Highcroft, who has been selected to play percussion at the opening and closing ceremonies of the 2012 London Olympics.**

## MILLENNIUM WOOD

If you would like to help out at the Millennium Wood community woodland on Kilworth Road and have a couple of hours to spare why not come along to the Work Days? The next one is on Saturday, July 14<sup>th</sup> at 2.00pm.

*Future Work Day dates:*

August 18<sup>th</sup>

September 15<sup>th</sup>

October 20<sup>th</sup>

November 17<sup>th</sup>

December 15<sup>th</sup>

For more information please call Jackie on 880910 or Lorrie on 880281.

## WATCH MARKERS

Neighbourhood Watch have a supply of catalytic converter marking kits which will be available for only £5 to members and local residents. The kit is designed specifically for this purpose. It works by marking the metal shell of the converter with a unique mark. This mark is then registered so if the part is stolen and recovered it can be traced back to a specific vehicle.

Local garages *Tanvic* and *Kwik Fit* in Market Harborough have agreed to carry out a marking service for only £25 for those who may not wish to mark their own vehicles.

Further details are available from the Neighbourhood Watch stall at Harborough's indoor market on Tuesdays from 9.00am to 1.00pm or from Harborough Police Station, Fairfield Road.

# SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Matthew Bown

From Matthew Bown, Headteacher

At Husbands Bosworth Church of England School we have had a very busy Summer term. As well as all the usual goings on we also joined in with many celebrations and sporting tournaments during the term. In June we celebrated the Queen's Diamond Jubilee by having a street party in the playground and a talent competition called 'Bosworth's Got Talent'. Well done to Kane Wilson who won this competition with his very funny and clever comedy act. During June and July we have been celebrating the London Olympics. We were visited by an Olympic athlete named Eden Francis. She took all the children for some shot putt and discus training. As a school we successfully applied for Olympic tickets and a number of our older pupils will be attending an Olympic event during their summer holidays. Our older pupils in classes 2 and 3 have been working very hard preparing for an Olympic based production, this will be performed during early July in the Village Hall.

I would like to end my final Bugle piece of the school year by saying a sad farewell and a huge thank-you to Reverend Andrew Rhoades. In the three years he has been part of the school he has made a huge impact on the life of our children. Every fortnight he has brought his 'Open the Book' team into our school and run a very popular assembly. He has led a great number of awards and celebration services in church in which the attendance by the community and parents has steadily grown. He has also played a very active part in the governing body, most recently as Vice Chair, giving up a great deal of his own time for our school. We also were fortunate enough to have Kath Rhoades join us for many school events, often playing the piano. On behalf of the children, staff, governors and parents we wish you both the very best of luck in your new challenge. We will miss you greatly but will never forget you.

## BYGONE BOSWORTH

The Historical Society's Periodical Journal

Aneurin Owen has recently passed on to the Historical Society Library a number of books of local interest. Of particular note are two books by Major Guy Paget of Wheler Lodge. Both books delve deeply into the fox hunting scene that shaped the countryside around Bosworth in the years between the wars. The 'Autobiography' of 'Sir' Bernard Montgomery is Paget's tongue-in-cheek account of the life of his fox terrier, written from the dog's point of view. Aimed in style as a children's storybook, it is nevertheless worth a read as it takes the reader into the countryside, copses, hedgerows and gorse, still familiar today and is a charming tale.

The other book is an authoritative work on the life of Frank Freeman, celebrated huntsman to the Pytchley Hunt. The book chronicles many classic chases over the local countryside between Daventry and Gumley, which often extended to 20 or more miles and notes many recognisable points in the landscape in passing. Written when fox hunting was still very much the 'unspeakable in pursuit of the uneatable' the book underlines the high regard which the hunting gentry held for the abilities of this low-born Irishman.

If anyone would like to borrow these books, or any books from the Historical Society's extensive library of local interest titles please contact the Librarian, Lorrie Forman on 880281 or email: l.forman@talk21.com
