

BOSWORTH ON SHOW

Despite rumours that our village Horticultural and Craft Show would be cancelled, like many other village shows, due to the cold planting and growing weather, the organisers went ahead regardless.

The quality of vegetables our gardeners managed to produce was still astonishing, and it was amazing what the arty, crafty and children can offer! We have some talented people living in Bosworth!

Some of the usual exhibits were notably absent - terrible year for soft and hard fruit. But, because of the late warm weather, the flowers more than made up for this!

The Trophy winners list this year contains several new names

<i>Overall Points Winners</i>	John & June Dawson
<i>Best Exhibit in Show</i>	Bev Varney
<i>Best Vegetable Exhibit</i>	Aneurin Owen
<i>Best Allotment Exhibit</i>	Kully & Suzanne Dhillon
<i>Best Flower Exhibit</i>	Bev Varney
<i>Best Flower Arrangement</i>	Suzanne Dhillon
<i>Best Craft Exhibit</i>	Jennifer Rogers
<i>Best Bakery/Cookery Exhibit</i>	Gail Wilmot
<i>Best Art Exhibit</i>	Melvyn Forman
<i>Best Children's Exhibit</i>	Jennifer Read

Despite the elements, economy, etc., being against us, there will still be £500 to distribute to village good causes and local charities. A big thank-you to the sponsors, bakers and helpers without whom the Show couldn't be held. Mostly, thanks to the judges for their patience and time: no professional judges, no Show!

WELFORD WEIGHTS

The Welford Action Group members, who are campaigning for weight restrictions on the A5199 through the village, recently thanked Husbands Bosworth and North Kilworth Parish Councils for their support. The group is now planning to raise the issue again with Northamptonshire Highways Department and ask them to put pressure on Leicestershire County Council to support the proposal.

CONKERING HEROES

Don't forget the Conker and Welly Wanging Championship at the village playing fields from 10.30am on Sunday, October 7th which, this year, is raising money for The Parkinson's Disease Society and village amenities. Advance registration is requested - £2.50 per adult, £10 per team of 4 or 50p per child.

Come along and meet your friends, watch or join in the various activities and give us a little bit of your hard earned money!

In addition to the usual array of activities we hope to be joined by the South Leicester Ukulele Group who will entertain us throughout the day. Offers of help and donations of books, CD's and DVD's, which will need to reach us by Friday, October 5th, would be greatly appreciated.

Please contact either Ralph on 880526 or Sue on 881251 to register your entry or to arrange collection of books.

BIN COLLECTION CHANGES

Over the next few weeks householders will receive an additional waste bin as part of HDC's new waste scheme. The new blue bin will be used to collect dry recycling material - cardboard, cans, plastic tubs and bottles, foil, aerosols and drinks cartons. Within this bin there will be a separate insert for clean paper waste, magazines, leaflets, junk mail, etc.

The green wheeled bin will now be used for green compostable garden waste only.

The black bin will remain the 'bin of last resort' for completely non-recyclable material such as polythene, polystyrene and black plastic. Food waste will also go into the black bin, to be processed at the recycling facility at Cotesbach.

Householders will present two wheeled bins one week and a third bin the following week.

Look out for detailed instructions in the local press and HDC's explanatory leaflet.

DANISH FOOTNOTE

Whilst on a Rotary Club jolly to Denmark recently, our District Councillor, Brian Smith picked up this hilarious Danish joke. *Manden kommer hjem en tur i byen og pludselig lyder der et ordentligt brag og manden bander. Konen våger og spørger, hvad der dog sker?*

"Mine sko vælte," svarede han. "Jamen det larmer da ikke sådan?" "Jo, jeg havde stadig fødderne i dem!"

Who says the Danes have no sense of humour?

A bottle of the finest Icelandic Cabernet Sauvignon from our Treasurer's cellar for the first Bugle reader to send us a translation.

POSTBAG

From Philip Brown, Horsham, Sussex

The picture of the station in last month's *Bugle* brought back many memories of regular journeys. It is amusing now to remember that for £4.5s.6d (£4.26) I travelled for a month to Leicester via Market Harborough in 1958. This went on for a year or two until I was transferred to Market Harborough (and then Luton). In the mid 1960s I travelled to Birmingham via Rugby for £15 a month!

Editor's Note: Philip has also sent a clipping from a book of memories of signalman Harry Allard, which documents the demise of our line. Villager David Glithro has also kindly passed on some photographs taken when the railway through Bosworth was still active.

From Rev. Andy & Kath Rhoades, Coalville

We want to thank everyone for the wonderful send off given to us at our last Sunday service in the Benefice. It was a time of laughter and tears and emotion and we were really overwhelmed by the generosity and good wishes. The engraved silver communion plate is a wonderful memento of our time in the Hexagon Benefice and the tremendous bird feeder and rhododendron are simply awesome! They will take pride of place in our new garden. Thank you also for the many cards and kind words that we have received. We feel blessed! Please pass on our thanks to those in the congregations!

From Pete & Di Jones, Highcroft

Our son, David, works in the Melia Hotel, Genoa, which has connections with UK hotels. Recently they decided to include British/Italian dishes on the menus of the appropriate hotels. David submitted a recipe for rarebit, taken from the HB Recipe Book, as a "typical British dish" and it has now been incorporated into the starter menu at the Genoa Hotel!

From Lynn Gratton, Wells Close

I'm having trouble with noisy neighbours, or at least their dogs. Would the dog owners of Husbands Bosworth please be considerate to their neighbours and not leave your dogs to bark, especially during the night, as has happened recently. Thankyou.

Always be aware of suspicious persons or vehicles in the area, which may be linked to criminal activity.

If you see something that you think is not 'right', such as a person loitering or a vehicle parked up suspiciously call the police non-emergency number, 101, and report it. An officer can then investigate. It may turn out to be *bona fide* but they would rather turn out to a dozen suspicious incidents that prove legitimate than miss the one that isn't!

Local artist, Peter Welton, will be giving a talk about his journey from railway porter to Professor of Fine Art at De Montfort University. Later, as a full-time artist, he was commissioned by H.M. The Queen to paint a picture for her private collection. He claims all this was due to happy perchance... or serendipity. The talk will be on Tuesday, October 9th at Arnesby Village Hall, starting at 7.00pm. Refreshments will be served and musical entertainment will be provided by string and vocal trio, The Strung Out Sisters. Tickets are £10.00 each and are available from the Shuttlewood Clarke Foundation. Call 01530 244914 or e-mail: admin@shuttlewood-clarke.org

APPEAL FUND

Officers for the Planning Inspectorate are due to consider an appeal lodged by landowner, William Miles, against Harborough District Council's refusal of planning consent for the erection of a wind turbine on land adjacent to Sparrow Lodge Farm, Pincet Lane, North Kilworth. The appeal will be heard on Wednesday, October 10th at the Council Offices, Adam & Eve Street, Market Harborough. For more information contact the Planning Officer on 821152.

We also hear that the appeal lodged by the owners of Bosworth House, Berridges Lane relating to the extension to the roadside wall has been refused. The inspector found that the height of the wall was out of character within the village Conservation Area and intruded into the harmony of the street scene. The inspector ordered that the wall be reduced to its original height.

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Matthew Bown

From Matthew Bown, Headteacher

Husbands Bosworth Church of England School has now begun a new school year. There are many things we are looking forward to during our academic year and this includes our many celebrations. This term we will be celebrating our Harvest Festival at the church. We will also be holding our annual nativity play at Christmas. Also this term our older children will be going on a week's residential and many children will also be travelling to the LG Arena to be part of Young Voices.

Sadly, this will be my last term at Husbands Bosworth as I will be taking up a new post after Christmas in Warwickshire. We are therefore in the process of seeking a new headteacher to take our wonderful school forward.

Although this is my last term, it will be a busy one trying to finish many projects that have begun. I am happy to report that we have finally been given planning permission to replace our existing fence. I am expecting the work to take place this term and I hope the community will be happy with the new look. Let me assure you, it will be an improvement not only for the children's safety but also to the aesthetics of the school.

I look forward to reporting further news in the next *Bugle*.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

No one noticed that last month's picture was taken outside Bosworth parish! Although only a few yards nearer to home, and despite its name, this scene is definitely Bosworth. The view is of Kilworth Wharf and was taken in the late 1950s after the commercial days of the wharf were over and before it became the hire base for North Kilworth Narrowboats.

The white house, now Wharf House Kennels, was originally the Union Anchor Inn, run for many years by the Woodhouse family, who also operated a fleet of narrowboats, a coalyard and lime kilns on the site. For a while cattle auctions were held at the inn and cattle pens were set up in the yard. The Woodhouses, Alfred and Charlie, regularly hauled coal to the site from the Warwickshire or Derbyshire pits. On one occasion one of Alfred's boats collided with another and sank. A poem relates the story: "Captain and crew saved bedding, bread and cheese. But no amount of swears words would save her."

PARISH COUNCIL NEWS

PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, September 4th 2012.

Full Council and District Councillor Brian Smith and three members of the public were present.

Visitors' Questions

■Residents of Church Lane addressed the meeting with their concerns regarding the possibility of contamination of the Languard site. Councillor Smith informed the group that, due to the number of objections received it was likely that the planning application would come before the committee. Council members advised that the group is to seek clarification on the retention of the roadside grass verge, which it was felt enhanced the street scene. *Council members had visited the site prior to the meeting.*

Councillor Smith advised Council that the new refuse collection régime was to commence in October.

Minutes of the previous meeting were read and approved.

Matters Arising

■The proposal to install a new bench in the cemetery extension was discussed. It was agreed that the bench should be sited on a slabbed area, rather than a concrete plinth as previously suggested.

■It was now evident that the discarded asbestos sheeting that has appeared on the allotments site was part of a shed. The cost of safe disposal, as a hazardous waste material, was likely to be considerable.

Cemetery

■Clerk had been unable to arrange a convenient meeting with the contractor to discuss the damage to headstones.

■Quotations for repairs to the Chapel of Rest were still awaited.

Playing Field & Play Area

■Council discussed quotations for repairs to the skate park equipment, which had been highlighted in the recent RoSPA report. Some major structural work was necessary. It was agreed to carry out the work before the equipment deteriorated more and became a safety issue.

Allotments

■Council had been asked to confirm that insurance cover held extended to the allotments site. This had now been done.

Traffic Issues

■Councillor Smith noted a recent reading of 88 mph for the Speed Indicator Device whilst sited on the Kilworth Road entry to the village.

■Council noted the poor visibility for drivers exiting Cherry Tree Close due to parked cars. Clerk was asked to raise the matter with Highways.

Rural Housing Scheme

■Mr. Forman informed Council that a soil survey of the Welford Road site was due to be carried out shortly.

Planning & Correspondence

■Clerk informed Council that there had been several requests for places on the defibrillator course.

■Council agreed a quotation for repairs to the base of War Memorial. *[Members had inspected the Memorial prior to the meeting]*

■Members discussed the revised plans for the development of the Wing House garage site on Berridges Lane.

Any Other Business

■Council noted the untidy condition of the High Street Garage site. Clerk was asked to contact Mr. Holyland concerning the pernicious weeds and the generally poor state of the site.

■Mrs. Hobson brought to Council's attention the problem of overhanging vegetation across the bridle track alongside the Telephone Exchange. Clerk was asked to contact Highways to ascertain whose responsibility it was.

The next meeting of the Parish Council will be on Tuesday, October 2nd at 7.45pm in the Committee Room of the Village Hall. Members will meet at Play Area at 7.00pm.

From Canon Brian Davis, who has taken over responsibility for the Hexagon Benefice until a new vicar is found.

I am very happy to be able to serve this collection of country parishes where Rev. Andy Rhoades did such good work. My main responsibility is to ensure that services continue - quite a job putting together a rota for six churches! I will be conducting two school services a term in church and a monthly service at Brook House. I hope to continue Andy's good work but also hope to form a Pastoral Team to help a future vicar with the important work of caring for people, especially visiting the sick, housebound, bereaved and lonely - helping people to feel valued and cared for. It could include providing groups for mums and toddlers, young people and the elderly - spreading the good news of our faith. In the New Year I will be looking for people who might like to help with this pastoral care.
