

HOUSING STOCK

The need for affordable social housing within Husbands Bosworth village was initially identified in the Parish Plan, which was compiled from questionnaires completed by villagers in 2007. Calculations made from the Parish Plan returns established that a total of eight housing units would be needed to fulfill the needs of the community.

To keep the build-cost and the end-cost of occupying them low, any development would need to be carried out under a government-led scheme that would allow housing of this nature to be built on land outside the village's existing boundaries, where under normal planning rules they would not be permitted. This is the key to the Rural Exception Site Scheme - developing low-cost housing in an environment exempt from some of the usual planning laws, specifically in our case, building on relatively cheap 'green-field' farmland outside the village boundary.

With the need established, the Parish Council was asked to identify potential sites that would satisfy the criteria. The development must be directly accessible to the public highway without 'ransom strip' access. It should be close to utilities and service connections and must directly adjoin the existing built-up area of the village. Nine sites were duly identified, of which six were dismissed on highway and access grounds. After negotiation the Welford Road plot, on Leicestershire County Council owned land, proved to be the only site to be offered.

One of the aims of the Exception Site Scheme, and a key point that encouraged the Parish Council to back the project, was that the homes provided on the site would be allocated to families that had positive links to the village, either through family ties or employment. Also the homes would be for full rent or shared ownership and would not be offered for sale on the open market - any sales to be returned through East Midlands Housing Association, the administering body, ensuring that the occupancy criteria was upheld.

Some details of the application process have yet to be defined but we are told that initially anyone wishing to be considered for these properties should be registered on Harborough District Council's Housing List. Further information is likely to be available in the near future.

CORONATION DAY

Encouraged by the good weather and success of last year's village events the Parish Council has agreed to host a village day on Sunday, June 2nd to celebrate the 60th anniversary of the Queen's Coronation. As with the celebration of the Queen's succession last year, festivities will centre on the Sports Pavilion and the Playing Field, although this year villagers and groups will make their own field entertainment! The Parish Council will provide a barbeque, and some barbeque fare and villagers will be able to bring their own food to cook.

The parish coffers won't run to another spectacular firework display but we will light the Bosworth Beacon as a grand finale.

WELLY THE CONKER

The fifth Annual Conker & Welly Wanging Championships will be held on Sunday, September 29th on the village Playing Field and will, this year, be raising funds for Cancer Research and various village amenities.

The committee would appreciate any offers of help either on the day or in advance and any suggestions for added attractions are welcomed.

Please contact either Sue on 881251 or Ralph on 880526 for further details.

CLOSED SHOP...

It was with great sadness that we recently learned that our friend Ted Ryan had passed away. Ted and Jenny ran Ryan's Stores on the High Street for 30 years - Bosworth's own 'Open All Hours'! There can be few local households during that time whose Sunday lunch or dinner party wasn't saved by a last minute dash to 'Ted's' for gravy granules or custard powder...

On behalf of the village the *Bugle* extends our condolences to Jenny and family.

POSTBAG

From Fiona Smith, Learning for the Fourth Age, Leicestershire (L4A)

CAN YOU HELP?

We're looking for volunteers to help on a project which is all about involving residents of care homes with their local communities. Brook House in Husbands Bosworth is one of a number of community homes participating in this project, which is being run by the award-winning, not-for-profit organisation Learning for the Fourth Age (L4A).

L4A works with older people receiving care in Leicestershire and has been awarded funding from Leicestershire County Council for this project.

The main aim is for all residents of Husbands Bosworth to benefit from greater social interaction with the community in which they are living.

If you would like to know more we'd love to hear from you!

Please contact Fiona Smith on 07933 109630.

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

There have been a number of reports recently of Boiler Room scams - high pressure cold calling scams offering 'sure-fire' investment deals. Initial approaches tend to be by phone but the scammers often back these calls up with professional looking websites and addresses, sometimes using the identities of well-known international companies in the financial field. The callers are persistent, often calling frequently over a long period of time and even catch out seasoned investors. The average scam victim loses £20,000. If a deal sounds too good to be true, it generally is...

At the end of April, Leicestershire Police ran 'Operation Rogue Trader' as part of a nationwide policing operation. Using information from a number of agencies including the Police Automatic Number Plate Recognition (ANPR) data-base the operation targeted known rogue traders and distraction criminals. Due to the transient nature of the offenders, road policing presents an opportunity to track down those who would do harm, denying them the use of the roads and disrupting their criminal activity.

Stories given by distraction burglars about being 'from the Water Board' can often be a cover for criminal activities. Local officers have leafleted the homes of those identified by local police to be vulnerable, including older people – outlining steps they can take to check on the identity of callers.

Police advise members of the public to report anything suspicious, to look out for their neighbours and to challenge and to turn away doorstep traders.

Anyone with any information about crime or anti social behaviour in their area can contact their local police on 101 or contact Crimestoppers, which is free and anonymous, on 0800 555 111.

ART HOUSE

Arnesby-based artist, Peter Welton will be holding two watercolour workshops at the Shuttlewood-Clarke Foundation Centre at Ulverscroft Manor in Charnwood Forest this summer. Peter will guide budding artists of any ability through a series of practical lessons using the surrounding woodland and landscapes as his inspiration.

The morning will be dedicated to learning and practising technique and the afternoon to trying out new-found skills. Materials and equipment will be available for beginners but improvers might like to bring their own. The cost of the day, including all tuition, a welcome cuppa on arrival, a two-course lunch with wine in the Foundation's cafeteria and tea and cakes to round off the day is £60 per person.

The two sessions are on Wednesday, May 29th and Thursday, September 5th.

For more information or to book places please call 01530 244914.

BATTLE STATIONS...

PARISH COUNCIL NEWS

PARISH COUNCIL OPEN MEETING

At the Parish Council Open meeting held on Tuesday, April 2nd items discussed included the new Rural Exception Site Housing Scheme off Welford Road. April Knapp of East Midlands Housing Association outlined the aims of the scheme to provide affordable housing within the rural environment and explained the letting criteria for the new homes. Further information relating to the construction operations on the site and letting arrangements would be posted on a noticeboard at the site entrance in the near future. It was noted that the contractors working on the site were designated 'Considerate Constructors' and operated under strict guidelines relating to on-site noise, visual impact, access and highway condition.

Improvements were noted in the condition of the Butt Lane bridle path, which had been regularly fouled by quarry traffic at the quarry extension crossing point earlier in the year, were noted.

The next meeting of the Parish Council will be the Annual General Meeting on Tuesday, May 7th at 7.45pm in the Committee Room of the Village Hall. All welcome.

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher: Louisa Morris

As you will know although we are one school and are not officially a split site, our school operates in two different buildings. Since the first mobile classrooms were built there has been no name to distinguish the two separate buildings.

Now that we have a flash new building, housing a superb learning environment, our children have decided to give the two buildings a name.

The original school building is now known as 'The Old School House'

'The Field Rooms' is our fantastic modular building, which provides our children with instant access to outdoor learning.

This mix of old and modern gives our children a real sense of history, while at the same time enables us to provide a purpose-built space ideal for a very different 21st century learning experience.

STOP PRESS The School is planning a community project to raise money for a defibrillator, which we hope could be accommodated somewhere in the village. We will be launching this project after the Whitsun holidays.

ACTIVITY GROUPS

HISTORICAL SOCIETY

The next meeting of the Historical Society will be our Annual Social Evening on Wednesday, May 1st. This year, by kind permission of Stuart and Tracy Garner, we have arranged to visit the new military tank exhibition at Armourgeddon Tank Paintball Centre on Leicester Road.

There will be drinks and nibbles as usual, which we will enjoy in the reception area. Members will then have the opportunity to wander around the excellent tank and warfare displays that Stuart and his team have devised.

We will meet at 7.15pm on The Green, to arrange transport for 7.30pm at the Centre. *Please note that this is a commercial venture and we are privileged to have this opportunity to have a look around. Also note that the exhibition is very authentically portrayed and Saharan dust and Normandy mud are key features of the displays!*

Our Annual Summer Day-trip will be on Wednesday, June 12th when we will be going to investigate the dreaming spires of Oxford. Open to non-members and friends - please contact Melvyn on 880281 or Frances on 880225 as soon as possible so that we can arrange transport.

BOSWORTH BELLES

The annual Bosworth Belles versus Swinford Skirts rounders match will take place on Wednesday, May 22nd on the village playing field.

Bosworth have taken the honours in two of the last three contests so this year the pressure will be on Swinford to even the score... Light refreshments in the Pavilion afterwards. Contact for the event is Nicola Vicary.

In June the group will again be having a night at Kilworth House Theatre. For more information, show details and dates please call Jane on 880542.

VILLAGE LUNCH

The next Village Lunch will be on Wednesday, May 29th at Kilworth Springs Golf Club, North Kilworth.

As usual, diners are asked to meet in the bar at 12.30pm. Village Lunches are open to anyone, especially those living alone or retired or new to the area and are a great way to catch up with local gossip whilst enjoying an excellent meal. The cost of the 2-course lunch, including coffee or tea and mints is £7.50 per person. Please call Janice on 880668 to book or to arrange transport to the venue.

A YEAR IN THE LIFE...

*"Spring is sprung, the grass is ris'
I wonder where the birdies is.*

The bird is on the wing...

How absurd,

Everyone knows the wing is on the bird!"

We hope that now the better weather is coming, [Ed. ...?] you will all be out busily taking photographs for the Year in the Life of Bosworth exhibition, our photographic chronicle of life in our community during the year.

We are particularly looking for photos of indoor activities, our clubs and groups, Brook House, Bosworth Belles, tennis club, uniformed organisations, Parish Council, school and its activities, the three churches... the list is endless.

Please support this worthwhile project - it should make people smile in 50 or 60 years time!

Any queries please ask Di and Peter Jones 880741.

BYGONE BOSWORTH

From the Historical Society's Archive Collection

This charming 'Olde Worlde' photograph has been lurking in the Historical Society Archive for some time - defying identification! Someone in the past has rather unhelpfully inscribed on the back: "...possibly Bosworth". Close investigation seems to indicate that it could be on the south side of the High Street, the photograph being taken in the late afternoon with the setting sun casting a shadow on the face of the cottages from the overhanging thatch eaves and from the girl, across the cobbles. This would fit in with other early photographs that we have showing a cobbled sidewalk along that side of the High Street.

But where on the High Street could these cottages have stood? The door and sliver of windows visible on the building to the left of the picture give a clue. Although today the doorway is bricked up, the outline and distinctive arched brick lintel are still evident on the righthand 'bay' of 24 High Street, which would put our mystery cottages where numbers 24 and 22 now stand.

Interestingly a scrap of paper, which has recently surfaced in the Archive turns out to be an estimate from an unknown builder, dated 1 November 1869, for laying the cobbles on the High Street.

"High St - To pave left hand side from Bakers to P.O. and to put new curb pavement of pebbles & curb of granite or Nuneaton adamant (black vitrified brick wh: they prefer) £66." The estimate also sets out other styles. For laying the centre of blue brick in diapered fashion the cost would be £49.14s.6d or in common blue brick, plain pattern, only £30.

These cobbled setts certainly survived into the 1950s, when another photograph clearly shows them with concrete slab paving down the middle, and an Austin K2 series lorry puffing up the street from the church!
