

FESTIVAL FUN

The enigmatic mystery man of motoring, the STIG, will be headlining the Bosworth Festival this year. He will be appearing alongside the usual mix of attractions, including a wide range of military and classic vehicles, cars, motorbikes, scooters, camper vans and farm machinery.

There will be martial arts demonstrations and games for the kids on the lawn, children's fairground rides, charity and craft stalls and refreshments throughout the day. The Tommy Atkins Society will be on site in their authentic wartime uniforms and bringing their military memorabilia and Armourgeddon will be fielding some of their tank paintballing equipment. This year we will, once again, be conducting guided trips to the sites of the WW2 aircraft crash memorials in the Park and local adventure activity provider, Axceler8, will be offering rides in their one-man hovercraft.

Local groups are invited to take a stand to promote their activities at the Festival - just go to: www.husbandsbosworth.info and click on the link to download an entry form or call Jackie on 880910.

Remember the fun continues into the evening when we move onto the lawn for our picnic and live music!

The STIG will be on site from 12.00pm to 2.00pm, posing for photographs with his fans and collecting for his chosen charity, Hearing Dogs for the Deaf. The big question is... of all the fabulous vehicles to which he has access in his day-job, what Super-Car will he be arriving in?

ALL SAINTS FESTIVAL

All Saints Church will be hosting a Festival of Art, Photography & Flowers on Saturday and Sunday, June 22nd and 23rd. Entries for the exhibition are now being taken. For artwork please call Ann Saxton on 880971. Enter 3 for £12 or £5 per picture. For photographs call Penny Mattock on 881140. Enter 3 for £5 or £2.50 per photo. *Deadline for entries Friday, June 14th.* For floral display entries please call Heather O'Connor on 880165.

The Festival will be open 10.00am to 4.00pm and refreshments will be served on both days.

GOING WILD...

This year the National Trust is promoting activities, at their properties throughout the country, which are aimed at getting youngsters involved and interested in the countryside. A recent survey revealed that less than 10% of children play in the natural environment, compared with over 40% twenty years ago.

The National Trust's 'Fifty Things To Do Before You Are 11½' campaign urges parents to encourage their children to go wild in the countryside and do some of the activities that were popular pastimes for children a generation ago. Across the country NT properties have opened up special trails and natural play areas where children can climb trees, pond dip, catch fish, hunt for bugs, dam a stream, play 'pooh sticks', go bird watching, explore a hollow tree... Go to www.50things.org.uk to view the list and places to visit.

We've been scanning the list and have come to the conclusion that Bosworth youngsters could tick off 40 of the tasks on the list at the village's Millennium Wood on Kilworth Road! Just now there are nuthatches and kingfishers to watch, the moorhens, rooks and ducks are nesting, there's frogspawn and masses of tiny fishes in the water... Take a walk down and let us know what you find - we'll waive the 11½ age limit!

[Editor's Note: Born in a Dark Age before Wii and x-box, your Editor can tick off all 50 of the NT activities...]

KILWORTH GARDEN SUBURB

A consortium consisting of North Kilworth Parish Council, Nottingham Community Housing Association and local building firm, P.C. Building Services are seeking permission to demolish the existing dwelling and nursery buildings on the site of the former Gandy's Rose Gardens, on Station Road, North Kilworth.

The proposal outlines the erection of six affordable homes and five private dwellings, along with associated hardstanding and garaging.

The application also seeks to provide a number of public allotment gardens for the use of villagers on a section of the site.

From Karen & Nick Raven, Church Lane

A big thank you to all those people who so generously supported this year's annual door to door Lifeboat collection for which a total of £279.00 was collected in Husbands Bosworth. Thank you also to the collectors who had the cold weather to contend with on their rounds.

From John Highmore (Volunteer Co-ordinator, South East Waterways, Canal & River Trust)

Regarding the possibility of volunteer involvement in repairing the towpath at Husbands Bosworth. My colleagues on the CRT Bank Staff Team have advised me that repair work is planned to take place in this area in September 2013. If you would like to be involved on a voluntary basis, we would be happy to facilitate a joint project between CRT Bank Staff and local volunteers.

[Editor's Note: I have responded to this, saying that we would like to be involved.]

NEWS FROM BOSWORTH SURGERY

PATIENT PARTICIPATION AWARENESS WEEK

The first ever national Patient Participation Week will run from June 1st to 8th 2013 and is being organised across the country by the National Association for Patient Participation to promote assurance that the patient's perspective is at the heart of local health services. Market Harborough Medical Centre and the Husbands Bosworth Surgery have an active Patient Participation Group, which helps with securing patient feedback, improving services and promoting the services at the surgeries. In the last year, the PPG has been instrumental in encouraging the practices to improve their waiting rooms, to replace their telephone systems and to develop new services. The PPG also supports the surgeries at their open days and local community events.

We have 15 members across the two surgeries who help canvass patient opinion on a variety of topics and feed these back to the surgeries on a regular basis. Patients can get in touch with us through the practice websites or at our meet-and-greet sessions at the surgeries. The National Association for Patient Participation (NAPP) is a charity formed in 1978, which acts as an umbrella body for over 900 Patient Participation Groups across the UK. The NAPP web site is at www.napp.org.uk. The practices agree the content of a patient survey with the PPG each year, along with an action plan based on the results of the survey. The PPG holds an Annual Meeting each year which is open to patients and the public. Local Contact: Mr Alec Browne, Chair, Market Harborough Medical Centre and Husbands Bosworth Surgery Patient Participation Group.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

You could be forgiven for thinking that this was a picture of a war-time battle scene. It was taken about 1960, during improvement works to the Leicester Road as you approach the village.

The picture reminds us that the road from Leicester into the village once followed the line of the hedge in the left background of the photo, in a straight line down the hill and met Walton Lane at an acute corner, to the side of where Walton Lodge stands today. The gentle sweep of the road that we know today is marked by the raw excavations and new fence-line on the right.

Historically, Walton Lane was the original main route to Leicester, connecting through Peatling Parva to Welford Road, Foston and Welford Road, Blaby.

The building of the Northampton to Leicester Turnpikes in the late 1700s created the new road. A motorway of it's era, the turnpike studiously by-passed all the minor villages along it's path. Even today the village centres of Arnesby, Shearsby, Creaton, and Spratton lie off the main road.

PARISH COUNCIL NEWS

Report of the Parish Council Annual General Meeting held on Tuesday, May 7th 2013.

Full Council and 2 members of the public were present.

Clerk took the Chair and opened the meeting.

Nominations were sought for post of Chairman. Mr. Fletcher was elected and took the Chair.

Nominations were sought for post of Vice-chairman. Mr. Forman was elected.

Representatives to the Playing Field Committee - Mr. Brain, Mr. Forman and Mr. Fletcher

Representatives on the Bosworth Charities Committee - Mrs. O'Connor and Mrs. Fisher

Representatives to the Turville Memorial Hall Committee - Mrs. O'Connor and Mrs. Fisher

Representatives to the Millennium Woodland Trust Committee - Mrs. Hobson and Mrs. O'Connor

Representative to the Quarry Liaison Committee - Mr. Brain and Mr. Forman

Report of the Parish Council Meeting held on Tuesday, May 7th 2013.

Full Council and two members of the public were present.

Visitors' Questions

Mr. J. Clarke discussed proposals to create a new access onto Berridges Lane. He pointed out that the removal of the existing garage would enable vehicles to pull off the highway and turn within the property. Council felt that the dimensions of the area would be evident to planners and that the creation of a new access and objections to that, from Highways, would be more problematic for the planning application. Council members noted that the wall to be removed was within the village Conservation Area and as such would be afforded a certain degree of protection.

Minutes of the previous meeting were read and approved.

Matters Arising

It was noted that the quarry crossing gates on the Butt Lane bridle track were being left open during working hours, even when no quarry traffic was crossing. Council understood that the gates would be closed to secure the quarry site when not in use. Clerk was asked to contact the quarry management. Further complaints about woodchip fouling from the Pebble Hall processing plant, along the High Street, were noted. It was felt that although loads passing through the village were now sheeted, in some cases the sheeting was inadequate. Mr. Brain agreed to follow up this matter with the relevant authorities. Clerk had received one quote for re-grading the Play Area car park but Council asked that a quote for stripping and re-laying the area be sought.

Cemetery

Following a recent site meeting Clerk reported that she is in the process of drawing up a specification for the restoration of the Chapel of Rest. Clerk was also seeking information on grant opportunities.

Council noted that work to the hedges and margins of the cemetery had not been carried out.

Playing Field & Play Area

A meeting of the Playing Field Committee was scheduled for May 15th at which proposals to enclose the pavilion verandah will be discussed.

Following discussions with Mr. Brotherton, who has carried out the field mowing for a number of years, it was decided that it was uneconomic to refurbish the gang-mowers. Council agreed to take over the mowing of the outer field and would seek quotes. The Cricket Club would continue to maintain the cricket 'square'.

Some damage was noted to part of the Skatepark equipment. Council agreed to remove the vandalised equipment on safety grounds.

Correspondence and Planning

Council heard that Harborough Planning Enforcement team had visited the High Street Garage site to ensure that the work carried out complied with the permitted plans.

Council members voiced concerns over some of the working practices on the site.

Any Other Business

Members agreed the format for the Coronation Day celebrations on the Playing Field. It was agreed to start proceedings at 4.00pm to culminate in the beacon lighting at dusk.

Council noted more weathering damage to the War Memorial plinth. It was agreed to discuss the options for repair with the contractors.

It was agreed to purchase two new benches whilst they were on special offer. One would be sited in the cemetery and one would replace one of the benches in the Play Area.

Mrs. Hobson had attended a follow-up Broadband meeting but was disappointed that Bosworth was apparently not in an area scheduled for up-graded service provision.

A request to metal-detect on the village Playing Field was rejected.

Council discussed renovating the Victorian horse trough opposite Honeypot Lane as a feature. It was agreed to hold a site meeting prior to next meeting.

The next meeting of the Parish Council will be on Tuesday, June 4th at 7.45pm in the Committee Room of the Village Hall.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

Hello I'm Liz, newly licensed Priest in Charge of the Hexagon Benefice and resident since May 1st in Husbands Bosworth. I've been asked to write a couple of paragraphs to introduce myself. I'm a daughter, a sister, a wife, a mother, an aunt and just recently become a great-aunt. I'm blessed to have a lot of lovely friends and I'm hoping that here I shall find a lot more. In 2009 I was ordained deacon and in 2010 ordained priest, both at St Albans Abbey and for four years my husband Paul and I lived in Luton where I was curate at St Luke's church in Leagrave. Before that we had lived all our lives in North Warwickshire and I had been a Reader in the joint benefice of St Nicholas Baddesley Ensor with All Saints Grendon in Birmingham diocese, and had worked in a variety of jobs.

The difficulty with writing to introduce myself is that it feels like I am writing my own obituary - after reading it you will know some things about me, but that is a very different thing to knowing me. The important things in my life are my relationships with all sorts of people - family, friends, the church and community, and of course, with God. For relationships to flourish it means getting to know one another, which takes time and requires the desire to do so. I hope I will come to know many of you and that you will come to know me, both as a friend and as a priest, when that is the role you need me to fill. I look forward to that process of growing relationships and making new friends and hope that we will find much to share, both of life and faith.

All good wishes, from the new girl.

TOMMY COOPER JOKE

A man walks into a bar carrying a chicken and a crocodile. "Give me a whisky and soda," said the man. The crocodile said, "I'll have a gin and tonic."

The barman is amazed. "I've never seen a talking crocodile before". The man replied, "Don't be silly, he can't talk - the chicken's a ventriloquist..."
