

SUPER STORE

Previously refused proposals to build three flats over the convenience store, currently being built on the site of the High Street Garage, are to be put before Harborough planners again.

The application, promoted by Roy Holyland of Springfields Supermarkets Ltd., seeks permission to include the flats, which were refused in an earlier proposal. At that time the planners agreed with neighbouring homeowners and the Parish Council who were concerned about the height and mass of the proposed building and the prospect of the flats overlooking nearby gardens.

In the new plans the promoters claim to have overcome the previous objections by revising the overall height of the building and repositioning the windows and access ways, providing three single-bed flat units over the convenience store area.

Previous objections to the development of the former garage and petrol filling station have also focused on the lack of sufficient car parking spaces for all the operations that would be carried out on the site. Of particular concern was the provision of parking for the residential aspect of the plans and the safe movement of pedestrians.

Permission to change the use of the existing Post Office building to a fast-food takeaway and residential flats has already been granted. Under the proposals tabled by Mr. Holyland this work would be carried out as part of the new scheme, with the Post Office and store moving to the new premises.

OPEN SURGERY

Bosworth Surgery is hosting an Open Day on Saturday, August 3rd from 10.00am to 2.00pm, to promote their proposals for medical provision in Husbands Bosworth. Villagers are invited to head over to the Surgery and meet the staff and doctors for a fun packed day, with a cake stall, a raffle and other activities on offer throughout the day. The Surgery, in conjunction with Market Harborough Medical Centre, are committed to continuing the provision of a comprehensive medical facility in the village and will shortly be tabling proposals for a new Health Centre in the village. Visitors to the Open Day will be able to discuss the proposals with the management and medical staff.

The medical team will also be promoting services that they already offer at the practice and will discuss other facilities that they hope will be offered in the future. Come along and support the Surgery in their vision for the future and pledge your support for a new surgery building in the village. So, please make a note in your diaries!

NEW HOMES BONUS

Details of the selection criteria for allocating the new social housing units on Welford Road have recently been released. Firstly, applicants must be on the Harborough Housing List and qualify for consideration for social housing. Applicants should also be able to demonstrate a local connection, either by having lived in Husbands Bosworth for the past 12 months, or if not resident currently, they must have lived here for 5 years within the past 10 years. A person who has been employed within the parish for the past 6 months may also qualify, as would someone who has a close relative living in the village.

If no one meets these criteria, the offer can be opened up to applicants with a connection to neighbouring parishes or, failing that, a nomination from Harborough District Council or a nomination from the Housing Association.

The scheme will be administered by Leicestershire Rural Housing Association and the handover of properties is expected to be in October.

DUAL ROLE

At the recent meeting of the Parish Council a proposal to seek interest and information on community twinning schemes with a view to the possibility of forming a link between Husbands Bosworth and another community, preferably somewhere foreign, with endless white sands and warm seas, was tabled.

If anyone has any experience of setting up such a scheme or would like to be involved in a twinning scheme for Husbands Bosworth please contact the Parish Clerk on 880910 or email: jackiehbpc@btinternet.com

PRIZE DRAW

You may recall that instead of giving prizes to the winners of our *Bugle* Festive Quiz last Christmas we decided to make a donation for each entry to local charity.

We are pleased to say that £20 was sent to LOROS in lieu of prizes.

CORONATION CHICKEN

Once again the weather angels smiled on Bosworth for our Coronation Jubilee barbeque and picnic celebrations on the playing field at the beginning of June. As we write we hope that we are favoured again for our Festival in the Park at the end of the month.

POSTBAG

From Rose Forman, Welford Road

I would like to say a big thank you to everyone who helped me raise funds to enable me to go to work with the under-privileged in Honduras. I had the amazing opportunity to see first-hand the struggles people face in developing countries. Many people in Honduras live below the poverty line, living on less than \$1 a day. What little income they do have goes on food, clothing and transport. Few can afford electricity or their own car. The other volunteers and I spent a lot of time helping single mothers on their farms and we realised how hard it is to work in blistering heat just to plant a few vegetables. We also helped out at a local school and taught English to the children, which involved a lot of dancing around, games and fun!

The International Citizen Service sends people aged 18-25 to developing countries all around the world and are always on the look-out for volunteers. It is very easy to get involved. You can find out more at: www.ics-uk.org.uk

Period: 29/05/13 to 05/06/13

Vehicle movements: 7031

Average speed: 34.51mph

Highest recorded speed: 73mph

Theddingworth Road exit

Period: 05/06/13 to 12/06/13

Vehicle movements: 12973 (8 days)

Average speed: 32.2mph

Highest recorded speed: 57mph

Theddingworth Road exit

Period: 12/06/13 to 19/06/13

Vehicle movements: 10736 (6 days)

Average speed: 32.2mph

Highest recorded speed: 57mph

Recent test settings of the SID in non-display mode have shown consistent average speed readings 1mph higher than in display mode.

TRADING STANDARDS ALERT

Leicestershire Trading Standards has received a report of a Melton resident being telephoned by a person claiming to be from the Police and asking about their home security. Leicestershire Police have confirmed that this was not one of their officers or representatives. Trading Standards always advise residents never to give or confirm personal details over the telephone and not to agree to appointments from cold callers.

If you receive any reports of similar activity or callers please contact Trading Standards on 08454 04 05 06 or use telltradingstandards@leics.gov.uk

POLICE SUPPORT VOLUNTEERS

The Leicestershire Police Support Volunteer programme provides an opportunity for the general public to support police officers and staff in a range of roles. By perhaps helping out on the front enquiry desk volunteers can free-up officers, allowing them to spend more time on patrol. Other roles might include clerical support, crime prevention support, CCTV monitoring and help at public events. No formal qualifications are needed but honesty, integrity, basic numeracy and literacy are essential. Volunteers should have a friendly approach towards the public, an ability to work in a team and a willingness to learn new skills. If you have some spare time and would like to contribute towards increasing the safety and security of our communities then get in touch. The national police website gives details of the main police service volunteer roles. More information can be obtained by dialling 101 extension 2657.

BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

NHS 111 LAUNCH DELAYED

NHS 111 is a telephone service which will be available across England and aims to make it easier for patients to access local NHS services. The number is for those patients who require urgent medical help or advice but whose condition is not life threatening or a 999 emergency.

In May the three local clinical commissioning groups (CCGs) decided that the service, which had originally been planned to launch in June should be subjected to further testing in light of experiences in other areas.

The testing programme will continue over the summer months. There will then be a carefully managed and progressive rollout of the service across the county, which will be completed by the end of October.

LOCAL NEWS IN BRIEF

■ Proposals to erect a 79m high wind turbine near the A5199 at **Knaptoft** have been refused by Harborough planners

■ Rev. Charlie Styles has been appointed Rector of **Lutterworth**, with Cotesbach and Bitteswell. At 31 he is the youngest incumbent at Lutterworth for 200 years.

■ St. Mary's Church, **Shearsby** will be hosting a Country Crafts and Flower Festival on July 5th, 6th and 7th.

■ The operators of the **Swinford** windfarm have celebrated the first full year of electricity production at the site by handing over £44,000 to local villages.

WEATHER LOG

MAY 2013 [2012]
Rain: 90.5mm (3.6") [69.25mm]
Wettest day: 21.5mm (0.8") [20mm]
Highest temp: 27°C [31°C]
Lowest Temp: -1°C [1°C]

CLASS SHOW

In the April *Bugle* we predicted that the July issue would contain an entry form for the Horticultural & Crafts Show and that there would be a hose pipe ban caused by the summer weather. As they say, one out of two ain't bad!

Weather-wise we are a long way from a hosepipe ban, but the entry form is here, as promised. The weather for growing plants has been better than last year and if it will just warm up this could be a pretty productive year for growers, with a chance to impress at the Show on August 25th.

Please come and support us to keep this 130 year old tradition alive. Most of our local villages no longer have horticultural shows, but we do and we will continue as long as we have your participation by way of entries, cake making, donations and so forth! Over the past five years profits of over £2500 have been donated to Husbands Bosworth Primary School, Church and village halls, the *Bugle*, Scouts and Brownies, the Millennium Wood, etc., as well as the Air Ambulance.

There are a few new and different classes this year as you will see. If you require any assistance please ring Eleanor Murphy on 880476, and the 'tips on showing' leaflet is still available. There are classes for everyone, serious or fun, with an emphasis on child participation so that they are ready to carry on the Bosworth tradition!

THINKING AHEAD

This year All Sants Church will be hosting our twelfth Christmas Tree Festival at All Saints Church. This very popular event always heralds the beginning of Advent and the Christmas Season - an occasion that brings the village together for a weekend of enjoyment.

However, the founding organisers of the Festival are now twelve years older and, while happy to organise this year's event, would love to see some younger members of the village coming forward to 'shadow' us with a view to organising the event in the future.

If you are interested and have friends who would also like to help please contact Janice on 880668 or Penny on 881140 so we can arrange a meeting.

BIG BANG...

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher *Louisa Morris*

It is usual at this time of the year for schools to be reminding children of sun safety, yet here we are in June and off to the rounders tournament warmly wrapped in fleeced jackets! Fortunately, children never let the weather stop them and we have continued to play basketball, netball, rounders and football. Our competitive teams have enjoyed several matches; our Year 3/4 children were delighted to come third in the local rounders tournament. Our children may not always have been the highest scorers, but they have shown great character and competitive spirit.

Continuing on the theme of keeping fit and healthy, our children and staff have been looking at how we can keep fit, healthy and safe whilst enjoying ourselves in and outdoors. We all know that occasionally accidents and unfortunately emergencies happen, so our children have been learning how to raise the alarm and get help if it is needed. As part of our community project our children have decided to raise money for a defibrillator for the village. Our first school fund-raising event is coming up so I look forward to letting you know how we got on in the next edition.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

This photograph of the Butt Lane/High Street junction is remarkable in that so little of the scene has changed in the 50-odd years since it was taken. What is also remarkable,

if a little daunting, is that the picture was taken from the top of the church spire. You can just make out the spire stonework and ladder in the bottom left-hand corner.

We assume that the photograph was taken when steeple-jacks were replacing the weather-vane. The Society has the original gilded weathercock in its Archive Collection.

ALL ABOARD ON NEW BUS GUIDES

Updated bus guides have recently been published to help county travellers plan their journeys. The leaflets, produced by Leicestershire County Council, contain the latest details on bus routes, frequencies and stops.

There are 14 guides in the series, each covering a different area: Ashby-de-la-Zouch, Blaby, Coalville, Fosse Park, Hinckley, Leicester hospitals, Loughborough, Lutterworth, Market Harborough, Measham, Melton Mowbray, Oadby, Syston and Wigston. A county-wide Leicestershire Bus Network Map detailing all regular services is also available.

The guides can be found online at www.leics.gov.uk/transport_downloads or from county libraries and service shops. Copies of the guides can be requested by calling 0116 305 0002 or by emailing stg@leics.gov.uk

CHURCH TOUR

Great Bowden Heritage Group members will be conducting guided tours around St. Mary in Arden Church, Bowden Road, on Sunday, July 28th. Visitors will be able to take a rare look inside the church building and learn some interesting facts about the history of the church and why it is the 'mother' church of Market Harborough. Tours take place all afternoon from 2.00pm to 5.00pm.

VILLAGE HALL IMPROVEMENTS

The Village Hall Committee are looking for YOUR ideas and suggestions for improvements to the Village Hall.

The committee are in the process of applying for a funding grant and are about to embark on a number of fund-raising activities over the next 12 months. This will enable them to make the necessary enhancements to make this special place something we can keep in the village for generations to come.

Ideas so far suggested include refurbishing the toilets, upgrading the heating system and/or possibly fitting solar panels.

Please email your ideas, no matter how big or small, to:

husbandsbosworthvh@gmail.com.

Also, if there are any architects in the village who are willing to give some free advice on what building alterations or modifications are feasible for the funding bid, please email the same address.

ACTIVITY GROUPS

HISTORICAL SOCIETY

The Annual Garden Party will be on Sunday, July 7th at the Sports Pavilion, Kilworth Road, starting at 6.00pm. There will be the usual strawberries and cream, cheese and nibbles, all rounded off with Heather's famous Summer Pimms! Open to members, past members and friends, the cost is £4 per person. Give Frances a call on 880225 if you would like to come along.

With a number of high-profile speakers lined up, the Historical Society's indoor meetings programme, starting in September, promises a host of interesting subjects.

The season kicks off on a topical theme when Richard Mackinder, Heritage Officer at the Bosworth Battlefield Centre updates us on the latest news from the battlefield and the Richard III project.

Other talks include a behind-the-scenes look at the workings of the country house by former lecturer in industrial archaeology at the University of Leicester, Dr. Marilyn Palmer. Peter Liddle, former County Archaeologist, will give us an insight into the making of the popular TV "Time Team" digs in the county. We will also hear from local historian, Dr. Len Holden who will talk on the life of Lord Cardigan of Deene Hall and his part in the ill-fated Charge of the Light Brigade.

Meetings are at 7.30pm in the Church Hall, Honeypot Lane.

For more information please call Melvyn on 880281.

CRAFT CLUB

The Craft Club is a friendly, social group that meets once a month in the Village Hall. The group offers the opportunity to undertake your craft or pastime in a relaxed environment away from the distractions of home.

Anyone with a craft that is reasonably portable is welcome to come along. There is no commitment, and only a small fee to cover hall charges and a cuppa.

Call Gail on 880413 for more information.

VILLAGE LUNCH

The next Village Lunch will be on Tuesday, July 30th at Kilworth Springs Golf Club. Diners are asked to meet in the bar at 12.30pm for lunch at 1.00pm.

The Village Lunch is an ideal opportunity for those living alone or retired to meet old friends and make new ones in a warm and friendly atmosphere.

The cost of the two-course meal is £7.50 per person to include coffee or tea and mints.

To book a place or for more information please call Janice on 880668.

CAUSEWAY CHARITY

In place of the regular monthly coffee morning, for their meeting on Friday, July 12th the Causeway Charity will be hosting a day-trip by mini-bus to Charnwood.

The group will be visiting the Shuttlewood-Clarke Foundation, which runs two houses in the heart of Charnwood Forest as day centres offering support, care and friendship to the elderly and infirm. The centre caters for less agile visitors with hard pathways, gentle slopes and a golf-buggy 'bus service' between the houses.

The group will be having lunch in the cafeteria and there will be time to look around the charity's Antique & Collectables, Bric à Brac and Second-hand Book shops, and view the magnificent 38 foot model railway. Visitors can also wander at leisure around the 38 acres of unspoilt native woodland.

The visit is open to our older villagers, especially those living alone. If you would like to come along for a 'Grand Day Out' with the Causeway Charity call Heather on 880165.

STRETCH...

Pilates Classes, open to all ages and abilities - women and men, are held every Friday night in the Village Hall 7.00pm to 8.00pm. Pay-as-you-go basis or block payment if preferred. Mats provided. Qualified instructor. Call Pat on 07939 226115 or e-mail: pmackereth@aol.com for details.

PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, June 4th 2013.

Five Council members and HDC Parish Liaison Officer; Hayley Cawthorne were present. Apologies were received from District Councillor Brian Smith.

Visitors' Questions

- Ms. Hayley Cawthorne outlined her role as HDC Parish Liaison Officer and took questions relating to communication between District Council and Parish. Council noted that communications had historically been sporadic with many occasions, especially on highways issues, where response to queries had not been forthcoming, much delayed or inadequate. Council also noted a general lack of enforcement of planning rules, which undermined compliance taken by those who worked to the rules. Ms Cawthorne agreed to take these comments back to HDC and report back to Council. *Minutes of the previous meeting were read and approved.*

Matters Arising

- On the matter of the Play Area car park it was agreed to seek grant opportunities for a complete restoration of the gravelled area.

Cemetery

- Council noted that the cemetery margins had not been cleared. Clerk to contact the contractor pointing out that this work was included in the schedule of works.
- Clerk was drawing up a Job Specification for restoration work on the Chapel of Rest. It was agreed to circulate a copy to Council for comment before sending it out for tenders.

Playing Field & Play Area

- The grass cutting contractor had carried out at least one cut of the playing field, which seemed satisfactory except that wide margins had been left. Council agreed to monitor the situation in relation to the Cricket Club's needs. Work to remove stumps in the reclaimed area would be undertaken in the near future.
- Council heard that a recent meeting of the Playing Field Committee had agreed to purchase security grills for the pavilion veranda. Donations were offered from the Cricket Club and the Tennis Club towards the scheme. Council agreed to offer funds already allocated in Reserves to the project.

Allotments

- It was noted that the allotment black bin had been filled, recently, with household waste brought to the site. Clerk was asked to remind allotment holders that this facility was for allotment waste only.

Bosworth Festival 2013

- Council members agreed a gate rota, to be shared with British Legion members.

Correspondence

- Council agreed to make a donation towards the work of *CrimeStoppers*.

Any Other Business

- Mrs. Hobson would attend the next County Hall Broadband meeting but felt that little influence on decisions was likely to percolate down to Bosworth.
- Mr. Forman and Mrs. O'Connor had attended a meeting at Harborough Medical Centre to hear proposals for developing the Market Harborough and Husbands Bosworth GP practices. The managers and partners were committed to upgrading facilities in Husbands Bosworth and were likely to progress the matter in the near future.
- The Causeway Charity, which supports those villagers living alone and retired, were proposing a day-trip to Charnwood and sought a donation towards the hire of a mini-bus. Council agreed to offer a donation.
- Clerk was asked to seek information on the Enforcement Order relating to Bosworth House roadside wall.
- Suggestions were tabled regarding the possibility of arranging a 'twinning scheme' for the village. A request for information and suggestions would be put in the next *Bugle*.

PLEASE NOTE: There will be no Parish Council meeting in July. The next meeting of the Parish Council will be on Tuesday, August 6th at 7.45pm in the Committee Room of the Village Hall.

Anyone wishing to bring any matter to the attention of the Parish Council should contact the Parish Clerk, Jackie Fletcher on 880910 or email: jackiehbpc@btinternet.com

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

Letter from the Rectory

I am gradually getting to know a lot of people at the moment and I am looking forward to being introduced to the children at the school. I have been told that they intend to ask me some questions so that they can get to know me. So, in theory I can be ready with my favourite pop group and my favourite book. If I tell them about the group we recently went to see at the NEC will they have ever heard of them? My preferences belong to a different generation and the drummer of the group, though still a fantastic drummer and able to dance on stage, told us that he is now 72! And if they were to tell me the names of their favourite pop groups, the likelihood is that I will never have heard of them... So how do we get to know one another? Sharing information with tells us a little bit, but we can know an awful lot of things about people we have never met. There is a lot of information out there to be found, but it doesn't mean we know them or they know us. The only way we really get to know someone is to spend time with them. Often the people we feel most comfortable with are those we have spent the most time with - so much so that you don't need to talk much, and just being together is good company. Shared experience, memories in common, and a sense of companionship are all part of journeying together which allows us to know one another. That all takes time, and that is true about getting to know God. We can learn about him in school, in church or by reading the bible or other books about faith. But we only really get to know God by talking to him and spending time just being with him, which we can do in church, but we can also do in the garden, the countryside, in our favourite armchair or in the bath... When you are aware of his presence give him some time. He is worth getting to know. **Liz**
