

BOSWORTH BUGLE

FANTASTIC FESTIVAL

We won't mention the wonderful weather or the grand community event that this year's Festival turned out to be...

We will just mention that over £6,000 was raised on the day, most of which has already been distributed to our 'headline' charities and, closer to home, to fourteen local village 'good causes'. Many thanks to everyone who manned the stalls and stands, the exhibitors, those who fed and watered the hordes and those who put on displays and entertained.

Thanks to John and Steve Clarke and their families for their stalwart efforts in organising the field exhibits and activities, especially Taylor Clarke who raised over £1,100 with her special auction of goodies and memorabilia in aid of *Heartlink*, *Air Ambulance* and *LOROS*. We hear that STIG carried off almost £300 in his bucket and £52 in merchandising in aid of *Hearing Dogs for the Deaf*, which goes some way towards compensating him for two hours sweltering inside his racing suit!

Special thanks, as ever, to Robert and Susan Constable-Maxwell for their unfailing support and allowing us to invade their park and gardens.

If you supported the event in any way give yourself a pat on the back! Thank-you...

Editor's Note: Thanks to the Gliding Club for the 'fly-over' display and the police helicopter crew for 'overseeing' the event...

POWER SURGE

The promoters of the Pebble Hall Farm energy generation plant, off Theddingworth Road, are preparing a planning application to modify the existing planning permission for a Renewable Energy Generation Facility (REGF) at the site. Although the existing permission was implemented in part, and wood waste has been treated at the site, the power generation facility, due to commercial reasons, was never constructed.

A new planning application is necessary as the building would be moved within the site for operational reasons and to improve access between the fuel preparation area and the power plant. The new application will also seek to increase the power generated. Total traffic movements using the site access will not exceed those already agreed with Leicestershire County Council as all of the existing workshops/storage units will be removed.

The planning application is likely to be submitted to Northamptonshire County Council in September.

Anyone seeking further information is asked to contact Sian Evans at sian@gpplanning.co.uk or on 01604 771123.

DOG TIRED...

Harborough District Council enforcement team are cracking down on dog owners following a sharp rise in fouling incidents. Residents are urged to report incidents so that patrols can be better targeted and culprits caught and fined.

Dog faeces can carry harmful infections, such as *toxocarasis*, a parasite which causes serious eye infections which can lead to blindness. Council enforcement officers are appealing to dog owners to pick up after their pets. On-the-spot dog fouling fines of £50 can be issued, which increase to £75 if the bag is dropped as litter. If you are aware of dog fouling incidents please email the council at: enforcement@harborough.gov.uk or call 01858 828282.

BOSWORTH HOMES

Further to our piece in last month's *Bugle* we now have more information about the application procedure for the new homes being built on Welford Road. The scheme offers affordable housing to applicants who have a local connection and the first criteria is that applicants should be registered on the District Council Housing List.

There will be two 2 bed houses available to purchase under the Shared Ownership Scheme. These properties are being marketed by Hello Homes (part of East Midlands Housing Group) and anyone interested is asked to contact the team for more information on 0844 892 2506.

There are also six rented properties, consisting of four 2 bed houses, 1 x 3 bed house and a 2 bed bungalow and these will be let and managed by Leicestershire Housing Association. Call their management team on 01530 278080 for more details.

Editor's Note: This development is to be called Knights Close to commemorate the Knight brothers, keen village cricketers who played on the field on which the new homes are being built when it was the village cricket field.

SLOW LANE

Motorists entering Market Harborough along Coventry Road are warned to expect disruption whilst work to improve cycle paths between the junctions of Fairfield and Farndon Roads is carried out. The work will see existing refuges and wooden bollards removed and kerbs installed to improve segregation of the cycle path from the main carriageway. Resurfacing and strengthening work will also take place at the same time.

Work will begin at the end of July and traffic will be controlled by temporary traffic signals. The final resurfacing will be carried out under a six day road closure between Sunday, August 11th and Friday, August 16th.

POSTBAG

From Diana Jones, Highcroft

Driving into the village from Lutterworth at 9.30pm last Monday evening, I slowed to 30mph. How lucky that was. Outside the surgery was a child lying in the centre of the road. At first I thought there had been an accident, but then seeing two other children on the pavement, realised that she was playing 'chicken'. I slowed down and put my hand on the horn, she jumped up and they all danced about on the pavement, thinking that it was fun. I didn't find anything to laugh at - it could have been a very serious accident, with dire consequences not only for the child but for the driver of any vehicle that may have hit her. I hope that this does not happen again. I know who this child is - next time I will report her to the police.

From Bob Carstairs, Mowsley Road, and others

Discussion with neighbours and friends around the village indicates that there is no antipathy towards the Bosworth House roadside wall: in fact, quite the opposite. We congratulate the new owners on retaining the lovely house as a residence, improving it greatly, and on building a well-constructed, slightly perimeter, replacing what had been a somewhat tatty wall. To demand its destruction and replacement with a lower wall seems both petty and unnecessary. We should, instead, be welcoming recent residents into the village, who have done much to improve the visual impact of Berridges Lane. Bob & Inge Carstairs, David & Charlotte Hodge, Graeme & Julie Dove, Chris & Ann Saxton, Nigel & Karen Boycott, Chris & Sylvia Price, Rob & Karen Short and James Tomley

From all at the Causeway Charity Group

We would like to say a big thankyou to the organisers of the recent Causeway Charity trip to the Shuttlewood Clarke Foundation at Ulverscroft Grange and the excellent lunch. Thanks to Heather, Jackie and Lorrie for a lovely day.

WATCH WORD

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

■ Lutterworth Police are appealing for information following the theft of 36 hens and a cockerel from premises in Walcote. Police Community Support Officer Ray Wells from Lutterworth Police Station, who is investigating the theft said, "Thieves entered the garden during the night to steal the poultry. They also broke into a shed in the garden of a neighbouring house and stole tools. The thieves went to a lot of trouble to get to the poultry and carry them away." Do you know anyone who has recently acquired poultry in suspicious circumstances? The stolen hens are brown and white speckled. Anyone who has information is asked to contact PCSO Ray Wells on Leicester 01162 222222 or Crimestoppers, which is free and anonymous, on 0800 555111.

■ Residents are advised to check the security of their sheds and garages after a number of burglaries in the area in recent weeks. Thieves are targeting outbuildings, as they often contain valuable tools and equipment. Simple battery operated shed alarms can be very effective as they don't need a mains electricity supply. You can also buy a padlock with a built in alarm that goes off if the lock is tampered with.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

Just in case anyone doubted the picture view from the top of the church spire, which we featured in last month's *Bugle*!

Note the ladders crudely lashed together. No doubt the Health & Safety officers of the day lay awake at night worrying about situations like this! The steeplejack does however appear to be wearing the regulation flat cap, just in case he should take a tumble...

We think that this was likely to be the last time anyone has ventured up the spire, and we guess from the full photograph, and the view from the top in the previous one that we featured, that this was before the roadworks straightened out the corner in 1960. Does anyone remember this work on the spire?

As we noted last month, the Historical Society has the original weathercock, which we assume was the focus of the steeplejack's attention at this time. Made of soldered tin and roughly gilded, the weathercock carries the obligatory scars of service; a number of bullet 'wounds'.

Interestingly, the weathercock itself appears to be missing in this shot. Presumably it had already been taken down, or had fallen down, and the steeplejack is preparing the spire's stone finial ready for its replacement.

Incidentally, the weathercock stands about 3 feet (100cm) tall. and would have been up to the man's waist in this view.

HARBOROUGH-ON-SEA

It's time to grab that bucket and spade as *'Harborough by the Sea'* returns to The Square! Now an established event in the Harborough summer calendar, the sand pits return to the town centre again for five days from Saturday, August 3rd to Wednesday, 7th. The event is again being organised by Harborough Improvement Team (HIT) and Harborough District Council and supported by sponsors and volunteers.

The opening day will include *'Super Saturday'*, with a big screen showing the most memorable day of last year's Olympics when Jess Ennis, Mo Farah and Greg Rutherford won their Olympic Gold medals. The day will also re-live last year's Torch Relay with a mini-relay through the town, with competition winners carrying an Olympic torch along the original route. There will also be seated volleyball and beach volleyball competitions, activity stalls, children's entertainer and Harborough FM radio.

On Sunday, August 4th Harborough's Neighbourhood Watch are hosting *'Sunday By The Sea'*, with sand castle competitions and Sir Topham Hatt from the Thomas the Tank Engine stories.

On Wednesday, August 7th the event celebrates National Play Day with fun activities on the Chill-Out bus, a live music workshop and crafty art and craft activities.

ACTIVITY GROUPS

TENNIS CLUB

The Tennis Club has had a very successful session of coaching for juniors. Our thanks to Alan Lister for his expertise and to his helpers who have turned up each week. The equipment is now stored in the clubhouse in a cupboard kindly made by Chris Butler Joinery. We hope that the juniors will continue to play during the summer holidays.

HISTORICAL SOCIETY

The final meeting of the year for the Historical Society was the Garden Party. This year the event was held at the Sports Pavilion, where members and friends enjoyed the balmy summer evening tucking into the traditional fare of strawberries and cream, cheese board and paté and refreshed by Heather's famous summer punch.

The first meeting of the new season will be on Wednesday, September 4th at 7.30pm in the Church Hall, Honeypot Lane, when Richard Mackinder, archaeological officer at Bosworth Battlefield will update us on the Richard III project.

Membership is open to anyone and annual subscription is only £12. For a copy of the new programme of talks or for more information call Melvyn on 880281.

This is the time of year when community activity and interest groups are busy cobbling together their winter programmes. If your group is preparing a programme of meetings and is looking for some cheap promotion let us at the *Bugle* know and we will spread the word. It doesn't necessarily have to be a village group - just as long as it is a group that Bosworth villagers might be interested in!

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

From the Rectory...

One of the privileges of my role is that I get invited to school productions and it was a real delight to be invited to see *The Pirates of the Curry Bean*. The fact that I didn't have a child of my own in the performance allowed me to enjoy everyone's acting without getting anxious in case they forgot their lines. I must admit I was very impressed with the quality of the performance and ability of the children to deliver so many corny and funny lines. Well done to all involved - teachers, children and all who helped in so many other ways. Another privilege has been to welcome the school into church for their Leavers' Service where we said goodbye to those moving on to other schools and many of the children received awards for their achievements and hard work. Another well done to all concerned. On August 18th we, in the Hexagon Benefice, will be celebrating our connection with schools and education in our Benefice Service (10.30am at All Saints Church) when our 'Open the Book' teams will be giving us a chance to see what they usually only do for the children. We shall also have Mary Lawson, the Diocesan Director of Education with us, with an opportunity to chat with her over coffee, after the service, for those who wish to. The sermon will take the form of an interview with Mary, so if you have questions you would like asked, let me know what they are. Everyone is welcome to this service - whether your interest is meeting Mary or seeing our amazing 'Open the Book' team in action! Hope to see you there. *Liz*

LOST PROPERTY

We appreciate the giving and generosity of those who attended the recent Art & Flower Festival at All Saints Church, which helped us to raise £760 for church funds.

However, we also gained a couple of large umbrellas (which reminds us that summer hadn't quite arrived at that point!). If you have lost an umbrella and think that one of these may be yours please contact either Brian Smith 880225 or Di Jones 880741.

MID-WEEK SERVICE

A short but reflective service of communion is held every Wednesday at 9.15am at All Saints Church, Husbands Bosworth. Everyone welcome

KNAPTOFT SERVICES

Open-air services are held in the evocative and romantic ruins of Knaptoft Church on the third Sunday of the month during the summer.

The next service at Knaptoft will be on Sunday, August 18th at 3.00pm when Rev. Jane Curtis, Vicar of Tilton on the Hill and Lowesby will be the guest speaker. Musical accompaniment will be provided by Fleckney Silver Band. Services will be conducted under cover in nearby farm buildings if it is wet.

The speaker for September will be the Area Dean, Rev. Canon David Hebblewhite, Priest-in-Charge, St. Andrews, Countesthorpe.
