

GREEN LIGHT FOR BETTER BROADBAND!

Those who suffer from poor Broadband connectivity within Husbands Bosworth will be delighted to know that, after a long period of inaction, definite progress is being made towards improving the service.

The Broadband Leicestershire Project, using funding from County and District Councils, has now identified the first areas to receive help in bringing faster broadband to (mostly) rural areas in the county. Surprisingly, after much prevarication, Husbands Bosworth is now right up there in the first group of exchanges that will be upgraded between summer 2014 and summer 2015.

Firm dates for the upgrade works will not be available until next spring as each area is still subject to survey. Communities will be notified three months in advance of fibre-broadband being available in their area and are then likely to see new Superfast Broadband cabinets appear close to existing BT cabinets.

But what does this mean for you? Maybe nothing, if you are a light Broadband user, living very near to the exchange/cabinet and happy with your current speed. On the other hand, if you are a moderate to heavy user or live away from the centre of the village and suffer constant frustration with your download/upload speeds, then this will be good news indeed. You could see your speeds increase to the upper limit of your contract instead of floating around the lower levels. You may be able to take the opportunity to upgrade or change your contract to a Superfast one (at additional cost), something which few of us in rural areas have had the opportunity to do.

You will probably be aware that, the further away you are from the exchange/green BT cabinet the lower your speed becomes, as the signal degrades with distance (and the cables do not necessarily run in straight lines!) To find out your service speed, just input "ADSL checker" into your search engine, then click on the BT Wholesale website. After inputting your telephone number and clicking "submit" you will be able to see which exchange your line comes from, together with a cabinet number if appropriate and speed. If you could e-mail this information to our broadband representative at: patriciahobson45@yahoo.com this will help plot the routing from the exchange. Please include your phone number, name and address on the e-mail.

If you would like to know more about the project or would like to see the mapping of expected deployment of fibre-broadband in Leicestershire more information is available on www.leics.gov.uk/broadband or speak to Patricia Hobson on 880070.

ALL FIRED UP...

The Parish Council is hosting a bonfire party on the Playing Field on Saturday, November 2nd. The fire will be lit at 5.45pm and soup will be served. No fireworks please, except children's 'sparklers'. We will be concluding the evening with our 'traditional' beacon-lighting!

ELECTORAL ROLE

Elections for a new councillor for Bosworth Ward will be on Thursday, November 7th. The Polling Station is open from 7.00am to 10.00pm in the Village Hall. Three candidates will contest the seat: Lesley Anne Bowles (Cons.), Annette Deacon (Lib-Dem) and Bill Piper (UKIP).

CONKED OUT

The weather weaved its spell on the village once again and provided us with a pleasant sunny day for our Fifth Annual Conker and Welly Wanging Championships. Entertainment was very ably provided by members of The South Leicestershire Ukulele Group and The Bakanalia Morris Men (*and women*).

The committee would like to thank all those who helped to support the event and, in particular, the tireless band of helpers on the day. Approximately £1000 was raised enabling us to donate £600 to Cancer Research with the remainder being shared between the Village Hall, the Church Hall, the Tots Group and the proposed Village Defibulator.

COPY DEADLINE

PRECEDING PUBLICATION

"Traffic speeds entering village on Kilworth Road averaging nearly 40mph - top speed 86mph. Play Area and Surgery in danger zone."

POSTBAG

From Di Jones, Highcroft

I read with concern the many applications for trees to be removed in the village. In the last ten years more and more of our large trees have been removed and with them wildlife habitat. I used to lie in bed at night and hear the owls around Fernie Court and now I no longer hear them there and seldom in the fields behind Highcroft. I understand that trees can overshadow houses but most had been there long before the houses were built. Do think carefully before removing trees and choose your tree surgeon carefully.

From Libby Harris, Leah Smith and all the Totters

Bosworth Tots would like to say a HUGE thank you for the donations we were given from the Horticultural Society and the Conker Championship organisers. The money has helped to pay for this year's insurance for the group and will also help to pay this term's fees. We really appreciate this support, THANK YOU.

From Welford Watercolourists

Welford Watercolourists would like to thank everyone who supported our recent Exhibition & Sale of Works. It was very well attended and we had excellent feedback. A total of twenty-two paintings were sold, along with many cards and notelets and the refreshments as usual were very popular. As a result we will be able to send over £350 to our chosen charity, which this year is *The Multiple Sclerosis Society*, specifically to provide a transfer frame for a local Drop-In Centre.

From Nick Raven, Church Lane

Would the person who lets their dog poo on the Old Village Green please stop the dog from doing so or scoop the poo up in a plastic bag and take it home! Judging by the size of the poo it must be a dog the size of a labrador.

From Alison Handford, Alice 'n' May

Recently my *iphone* was stolen from my shop in Husbands Bosworth. I thought by notifying the local press it might help in its recovery and hopefully prevent other such audacious and opportunist thefts. Luckily no-one was hurt and I was able to give the police a good description of the 'customer' and the 'get away' car. If anyone would like further information please contact me on aliceandmay@btconnect.com, Facebook or 01858 881105 (or home after 5pm 0116 2404377).

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

• Spate of incidents of diesel being siphoned from vehicles parked in Northampton Road, Welford and at a layby on the A14 west-bound.

• Business workshop was broken into in Yelvertoft

• Greenhouse of a property in East Farndon was burgled

• Burglary to business premises in Yelvertoft village.

In a recent incident, a property in East Farndon was entered and burgled when the thief pushed out a key left in the lock and retrieved it through a cat-flap. This may sound like a scene from a 1950s 'B' film but the opportunist thief will use any means to get into your home - the simpler, and easier you make it, the better for him! Now, does anyone still hang the front-door key on a long string inside the letter box?

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

This picture, recently passed on by former villager, Michael Salter, is a detail taken from a wider photograph of The Square in Market Harborough and dates from 1908. It features the 'Bosworth Flyer', which was, for many years, the village's only regular connection with the outside world.

The Cross family ran *The Wheatsheaf* public house on Bell Lane for many years and were also the village carriers. As early as 1861 John Cross is noted in the Census as 'carrier & beer house keeper' and the *Post Office Directory* of 1876 tells us that he carried to Leicester on Wednesdays and Saturdays, Lutterworth on Thursdays and Market Harborough on Tuesdays. Anyone wishing to go into town could be carried as a passenger and goods, parcels, etc., which had been ordered, could be collected from, or delivered to, a central point. In Market Harborough this was *The Cock Inn*, on The Square, where our picture was taken.

The horse is probably in stabling behind the inn, having a bit of a breather ready for the loaded haul back to Bosworth. The long journey back from Leicester was more arduous and a fresh horse had to be sent out from Bosworth to meet the 'Flyer' at the bottom of John Ball Hill, near Shearsby. In 1901 the return fare to Lutterworth and Market Harborough was 6d (2½p) and a shilling (5p) to Leicester.

PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, October 1st 2013.

Five Council members present. Apologies were received from Mr. Fletcher and the Clerk.

Mr. Forman took the chair and Mrs. Fisher took the Minutes.

Minutes of the previous meeting were read and approved.

Matters Arising

Members queried if a reply had been received regarding the grant for renovation of the War Memorial.

Concerns were raised about the standard of the grass cutting this season. Clerk had asked for a meeting with the contractors but nothing had been arranged.

Council sought further clarification regarding the finishing of grave plots after burials.

Mr. Fletcher would be asked to give a report of his meetings relating to the Pebble Hall developments.

Cemetery

Council noted that only one quote for the proposed renovation of the Chapel of Rest had been received.

Members reiterated their concerns that work to the margins around the cemetery had not been carried out.

Playing Field & Play Area

A meeting of the Playing Field Committee had been held. Mr. Fletcher would be asked to give a report at the next Parish Council meeting. At the meeting concerns were raised that two redundant rollers were preventing the mowing of the field boundaries and were harbouring vermin. Mr. Brotherton agreed to move these to a more convenient position.

Allotments

It was noted that two new tenants had taken over the plots previously abandoned.

Members agreed to set a date for a meeting with allotment-holders to discuss general matters relating to the site.

The need for positive marking of the boundaries of the plots was again discussed.

Council noted that a concrete pot had been dumped on site.

Traffic Issues

SID had been removed from Welford Road whilst Seven Locks Housing work was carried out.

Rural Housing Scheme

Council heard that an official opening of the Knights Close development was being planned. Members had not been officially informed of a date.

Correspondence

Council discussed a request from HDC for an update of 'important green areas' within the village. Members felt that some clarification of this matter was necessary as this had been carried out last year and HDC had, at that time, issued plans confirming their agreement to sites designated by Council. No changes would be needed.

Any Other Business

Concerns were raised regarding vegetation obscuring road signs. The condition of the road surface on Welford Road between Sibbertoft turn and Wheler Lodge was discussed. Members felt that this on-going problem now constituted a safety hazard to road-users and would ask the Clerk to contact Highways regarding these matters.

Council agreed that the Parish Council have a bonfire (and beacon lighting) on the Playing Field for Bonfire Night. Date would be the weekend of November 2nd/3rd or 8th/9th, to be agreed. Clerk had suggested that we provide soup rather than a barbeque. No fireworks, but 'Sparklers' or light-sticks would be allowed.

The next meeting of the Parish Council will be on Tuesday, November 5th at 7.45pm in the Committee Room of the Village Hall.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

A TIME TO REMEMBER...

Remembrance Sunday this year falls on November 10th. Many of us were born after the events that triggered this national remembering - few remain who lived through the war years. The remembering most of us do is of what we have been told or have seen on TV. But we are close enough to these events to realise that without the sacrifice of the many, our world today might be very different. We have much to be grateful for in remembering those who have given their lives for our nation.

The other remembering we do now is on All Souls Day (November 2nd). This is a more personal remembering, of people we have known and lost, whose lives we shared in some way. Maybe they shaped our lives and helped us become the people we are today. Our Memorial Service for the benefice will be on Sunday, November 3rd at St Peter's Church, Arnesby at 6.00pm. All are welcome to come along to have the name of the person you wish to remember added to the list of those which will be read out in the service and an opportunity to light a candle in memory of, and gratitude for, that person.

So whether our remembering is personal or learned from history, let us not only remember, but give thanks too. And then lets get on with the business of living - of making memories to enjoy in future years of time well spent now. God bless. *Liz*

CLASSIC FILM NIGHT

On Friday, November 15th at 7.30pm, in the Community Church Hall, we are showing 'The Tall Men' especially for those who love Westerns! This is the 1955 epic starring Clark Gable, Jane Russell and Robert Ryan, when dust and romance accompany a long-haul cattle drive from Texas to Montana...

The cost is still only £3.00 per person, to include coffee/tea and homemade cake. Come along and support us - we have raised over £800 with these film shows, which goes to our proposed refurbishment work.

CHRISTMAS FESTIVAL
