

HOMES BONUS

Plans have recently been filed with Harborough planners that could bring about the biggest change in the face of Husbands Bosworth in over forty years.

Proposals to build 41 homes on farmland outside the village have recently been tabled by developers, Davidson Homes. The scheme would comprise a mix of three, four and five bedroomed homes on the 2.5 hectare plot and include the provision of a new general practice surgery, two housing association controlled bungalows and an area of public amenity open space.

A preliminary scheme and scoping report, which proposed the building of about 22 homes on the site was brought before a public meeting in the village Sports Pavilion last summer. From that meeting and subsequent discussions with planners, consultants, the Parish Council and local residents, a refined scheme that would include the provision of a much-needed replacement for the doctors' surgery in Kilworth Road has evolved.

Although nominally outside the permitted building line of the village, the site has previously been identified in Harborough District Council's Strategic Land Assessment. The assessment suggested that the land satisfied most of the criteria for development in a Rural Centre village and could be considered for development within the next six years.

The next stage of the process is for the scheme to satisfy the wider planning rules, especially when considering the prospect of development within the open countryside, on green belt land and outside the village curtilage.

To some extent it is expected that the community benefit of the provision of the new surgery and the provision of a small number of social housing units within the scheme will overcome some of the planners' concerns.

Harborough District Council has identified six villages within the district as Rural Centres, which are judged to be able to sustain further development due to the facilities that are available locally. These facilities include: a primary school, a general store, a post office, a doctors' surgery, a scheduled bus service, a community hall, recreation area/public open space and a pub.

The six settlements are: Billesdon, Fleckney, Great Glen, Husbands Bosworth, Kibworth and Ullesthorpe.

SPEED MERCHANT

It is four years ago this month since we first rolled out the Speed Indicator Device, our helpful little traffic management tool, in the village.

In that time SID has been activated well over 2,000,000 times as traffic has passed through his beady 'eye'. It may be debatable if the sudden flashing of actual recorded speeds of passing vehicles on the instrument's display deters speeding. However, when the device is active but not displaying we find readings are consistently about 2 mph faster.

The device does also gather valuable information about traffic movements, vehicle numbers and average speeds that we can use, especially in the *Bugle* SID Report, which, hopefully reminds those living locally to watch their speeds.

COPY DEADLINE

15th OF THE MONTH

PRECEDING PUBLICATION

BROAD WAY

It looks as if the dreadful state of the road surface in Broad Lane is to get some attention after much badgering by villagers and the Parish Council.

Whilst Leicestershire Highways suggest that the work will be more in the way of extensive repairs rather than the full works, it may mean that the surface stands up better to the heavy farm and sewage plant traffic and is passable for pedestrians.

Technically Broad Lane is only open to all vehicles as far as the old railway crossing, just before the canal bridge. In the past it has been hard-surfaced as far as this, although it takes some investigation to spot the vestiges of remaining tarmac!

Beyond this point the road is the bridleway to Mowsley, through active farmland - the obligation of the farmer only being to maintain a clear 3 metre wide track passable by foot, cycle or horse.

POSTBAG

From Alan Byron, Fernie Court

There is an issue with a thoughtless car driver who regularly throws an empty wine bottle out of a car into the middle of the Welford Road, just outside the village. I have noticed this several times whilst on a Sunday morning cycle ride and recently had a tyre ruined by the glass fragments. This mindless act is a regular occurrence but no one has been able to identify the car driver yet. Unfortunately due to the regularity and same location of this nuisance, there seems to be a thoughtless idiot with a grudge against this part of Husbands Bosworth and its road users. As the bottle smashes and sends shards all over the road and footpath, would all cyclists and dog walkers please be aware of this stretch of the road on a Sunday morning.

Editor's note: ...And keep an eye out for the anti-social idiot who may be doing this!

From Lorrie Forman, Trustee to HB Millennium Woodland Trust

Fly tipping and dog poo are two blights on our local countryside. Fly-tipping is a regular occurrence on Mill Lane and at the Millennium Wood. Does anyone see who does it? TV sets are a regular feature. Why dump them here when they can go to the tip? Secondly dog poo. Whilst most dog walkers clear up after their pets a small percentage, or perhaps just one dog walker does not. Dog poo next to poop bins, in the daffodils, on the pavements... Just clear it up like the rest of us do.

Crime is generally low in Husbands Bosworth and in the past two months there has only been one crime reported, where a car was broken into and some items stolen from it.

If you leave your vehicle in the street overnight police advice is always that you should leave it in a well-lit position. If you park on your driveway overnight, a motion-sensor security light to light the area where your vehicle is parked, is a good idea. Thieves don't like to be seen and just love 'working' in the dark... so light up and make it more difficult for them to commit their crimes! Remove all tools from the vehicle when you have finished work for the day. Items that cannot be removed should be stored in a fixed secure box.

With the better weather we usually see a rise in 'Garden Crime' with sheds and outbuildings targeted. Fit a sturdy lock and consider an 'alarmed padlock', which will not only secure the access but will also sound an alarm when tampered with. Window shock alarms will also sound an alarm if the window is tampered with. Again, fitting external lighting, securing gates that lead to the rear of your property are all recommended security measures.

Simple measures can significantly reduce crime against you and your property. For crime prevention advice or to discuss any other matter, please contact your local Neighbourhood Team on 101. PCSO 6008 Laura Bolton (Lutterworth Neighbourhood Officer)

BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

WALK ROUND

Karina Mottley, the head chef at Brook House Care Home, and manager Karen Brett will be walking the Leicestershire Round, long distance walk in aid of The Alzheimer's Society in May.

The Leicestershire Round is a 100 mile circular route on public footpaths around the periphery of the county of Leicestershire. Karina and Karen are aiming to walk this over 5 days starting Monday, May 4th, camping in friendly farmers' fields - except for one night when they are going to treat themselves to a bed & breakfast!

Donations, in aid of The Alzheimer's Society, can be made on the *justgiving* website: www.justgiving.com/karina-mottley1

FILM BUFFS

Harborough Movie Makers are looking for new members to join their group of amateur film makers. Regular meetings are held where members can swap ideas, technical stuff and inspiration to improve their home movies. Club members can also help in more ambitious projects, which tend to focus on local heritage and social aspects.

Call Peter Wilford on 525372 if you are interested.

WEATHER LOG

February 2015 [2014]

Highest temp: 11.5°C [14°C]

Lowest Temp: -4.5°C [-4°C]

Snow: 12.5mm (0.5") Nil

HUSBANDS BOSWORTH BRITISH LEGION

Members of our local branch of the British Legion - formally titled Husbands Bosworth & District Branch - are to amalgamate with Harborough Branch. This has been decided following the decline in the number of members and particularly the illness of their stalwart branch secretary, Tony Hewitt, who has been 'in post' for 54 years. Branch Chairman Robert Maxwell said: 'We intend to carry on very much as before. However, with rather fewer members able to attend our regular meetings, it was prudent to join a larger branch to ensure that relevant communications, missives, or instructions from our group headquarters were received and implemented. I know my colleagues and I will welcome working more closely with Harborough over these and other such matters in the future.'

Under the new structure, the Bosworth Branch will continue to support and participate in the Remembrance Day parade at Bosworth and services in Bosworth and North Kilworth and also co-ordinate the local Poppy Day Appeal in these villages.

Over the years the branch has contributed to a number of local initiatives. The branch helped to set up an event to commemorate their 80th Anniversary in 2007. Thereafter, the event continues extremely fit and well, and is now better known to us all as the Bosworth Festival. The branch has also arranged or contributed to planting a number of memorial trees in and around the village. To commemorate the Queen's Golden Jubilee in 2002 two Golden Yews were planted in front of the Parish Church. Two memorial trees were planted in Bosworth Park at the sites of two WW2 aeroplane crashes. Also we have planted individual trees in memory of two long-serving Branch members - Jack Knight (Chrysanthemum Jack) at the entrance to Bosworth Hall, and John Hardy (a great raconteur!) on the Old Green. Last year, at Bosworth Festival, the British Legion with the Parish Council, planted a memorial tree in Bosworth Park, the first of five trees to commemorate The Great War.

COMPLETE CAR CARE HAS MOVED

Ben and the gang at Complete Car Care have moved due to the impending development at Pebble Hall Farm. They are still trading locally and you will find them at: The Oaks, Gumley Road, Theddingworth, LE17 6QJ, which is just off the main road on the Market Harborough side of Theddingworth.

They are keeping the same phone number: 01858 880404 but are waiting for this to be installed, so if you can't get through call Ben's mobile: 07710024070. Mobile phone reception is not good at the new unit, so if you leave a message Ben will get back to you.

DOG TAG...

From April 6th 2016 all dogs must be micro-chipped. The Dogs Trust and many veterinary practices will be offering a free micro-chipping and registration service. Go to www.chipmydog.org.uk for more information or call The Dogs Trust on 0207 8370006.

SULBY OPEN GARDENS

Sulby Gardens will open on a number of afternoons under the National Gardens Scheme this year. As in previous years, openings will be in April, June, August, October and November. The first opening of the season will be on Thursday, April 23rd from 2.00pm to 5.30pm, when the spectacular displays of fritillaries and cowslips will be carpeting the orchards.

Entrance is £4 per person, children free. Home-made teas will also be served, and Sulby Gardens Apple Juice will be for sale. Sulby Gardens, Sulby, Northants NN6 6EZ

BUGLE CRACKER...

Wife texts husband at work on a cold winter's morning:

"Windows frozen, won't open."

Husband texts:

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher *Louisa Morris*

At the start of the year we were delighted to receive a letter from David Laws MP, congratulating us on our excellent performance in the 2014 National Tests. Our attainment put us in the top 10 of Leicestershire schools and top 150 of schools nationally. This is a great achievement and was only possible because our children love learning and work extremely hard to reach this standard. But learning is not just about the 3 Rs. It is about discovering the world around us, sharing ideas and facing challenges together. In Class 1 and 2 this term some of our children faced the challenge of holding a snake, millipede and tarantula! This was all part of their class projects. The children learned how to care and look after the environment and how animals were threatened by the destruction of natural habitats.

Class 3 meanwhile have been learning about the Romans. This included a visit to the Jewry Wall museum in Leicester, where the children were delighted to be given a sword, shield and helmet before marching to advance upon their teachers!

Our older children have been learning about the Ancient Maya civilisation and taking part in a variety of sporting fixtures. They continue to practice their brass instruments and are looking forward to being able to perform again for the community.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

You may be forgiven for assuming that this view is of the WW2 aerodrome. It is however the landing strip that was cleared in the parkland in front of Bosworth Hall by Major David Constable-Maxwell, father of Robert, the present incumbent.

In June 1966, when this picture was taken, a spectacular fly-in was organised to coincide with All Saints Church Summer Fête. According to the programme, 40 pilots were expected to arrive by air. Amongst those invited were a number of aviation 'dignitaries' including Tony Everard, of the Leicester brewing dynasty, who was to pilot his own helicopter from his home at Ratcliffe Hall near Thrustrington.

FOBS SAFARI SUPPER

It's back! FOBS are delighted to announce that this event is back for 2015, on Saturday, June 6th. Safari Supper is a popular village event where diners have a warm-up drink at the Village Hall and pick up a note telling them the location of their starter course. Main course will then be at another home and dessert in a third. To round things off there's an after-show party and raffle back at the Village Hall.

Drivers passing through on previous Safari Supper evenings have noted the spectacle of multiple villagers wandering around clutching bottles of wine and in good spirits!

You will be asked to host one course. The point of the evening is to have fun, not spend hours over a stove - simple dishes work wonderfully.

If you want to meet new people, enjoy a sociable walk around the village and raise money for our school apply for tickets. (*Application form with this issue of the Bugle*). Return to Julie Dean (julie@deansathome.co.uk) or Colleen Wood (colleenmwood@yahoo.co.uk). Any queries please call 881457.

Bonny Kettell 01455 207694

HISTORICAL SOCIETY

The next meeting of the Historical Society will be on Wednesday, April 1st in the Church Hall, Honeyput Lane.

The subject of the evening is a video trip, *The Song of the Soar*, down the river Soar from its source near Copston Magna in Warwickshire to its confluence with the river Trent near Nottingham. The film looks at the social threads, the wildlife, geography and heritage found along the banks of 'our' river. This meeting will follow the Annual General Meeting, which will start at 7.30pm. Visitors and friends are welcome.

This will be the last formal meeting of the year. Next month we will be visiting the Gliding Centre for our Annual Social Evening, where we will be given an incite into gliding as a sport and pastime.

BOSWORTH TOTS

Bosworth Tots is a stay-and-play session for tots (from birth to pre-school) and their parents, grandparents, carers and child minders.

The group meets on Thursday mornings from 9.45am to 11.45am (term time only) at Husbands Bosworth Village Hall. The cost is £2 for one child and then 50p for every additional child after that. For more details email: bosworthtots@hotmail.co.uk

CRAFT GROUP

The group meets on the second Wednesday of each month in the Committee Room of the Village Hall. If you have a craft or pastime that is reasonably portable and would welcome the opportunity to get away from the distractions of home for a couple of hours call Gail on 880413 for details

VILLAGE LUNCH

The next Village Lunch will be on Wednesday, April 29th at Kilworth Springs Golf Club. Diners are asked to meet in the bar at 12.30pm. Call Janice on 880668 for more information or to book a place.

Honeypots Pre-School & Out of School Club

Honeypot pre-school offers a warm, friendly and welcoming environment for children aged from 18 months and up. We will provide the opportunities for your child to learn through spontaneous, fun and active learning.

- ★ Large indoor & outdoor facilities
- ★ Fully qualified staff
- ★ Before and After School Club
- ★ EYF based learning
- ★ 3years+ Free Funding

PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, March 3rd 2015.

Full Council was present.

Minutes of the previous meeting were circulated and agreed

Matters Arising from the Minutes

■ Council discussed the grass cutting contract and especially the prospect of taking on the maintenance of areas previously cut by HDC. A schedule of works had been forwarded and an agreement setting out responsibilities and the payment had been accepted. Members agreed to monitor the situation as the season progressed and reassess the matter next year.

■ The bus service continues to cause problems with late and overcrowded buses. Clerk was asked to contact the County Transport Co-ordinator and suggest amendments to the mid morning services, which would make the service more convenient for local users.

■ The county footpath maintenance team had hoped to carry out path reinstatement work to the Dag Lane to Mowsley Road footpath but had been unable to access the site from the lower end because of unfavourable ground conditions.

Cemetery

■ Council agreed to authorise the replacement of guttering and repointing of the Chapel of Rest. Full refurbishment couldn't be contemplated at present. Further avenues of funding would be sought in due course for the remainder of the work.

■ It was agreed to provide funds for regular maintenance of the cemetery margins, the play area margins and around the Scout HQ.

Playing Field & Play Area

■ The ski stepper adult exercise apparatus has been installed. A weekly inspection of the equipment installed in the play area would be undertaken.

Allotments

■ It was noted that there may be a small number of plots available for the coming season.

Traffic Issues

■ Faulty street lighting on Welford Road and Kilworth Road had been tracked down to an underground cable fault. The service provider, Western Power, would need to liaise with Highways to carry out the necessary repairs.

■ Clerk was asked to contact Highways regarding the poor road markings and dirty signs.

Rural Broadband

■ Mrs. Hobson reported that progress seemed to be being made as the service moves closer to Bosworth. The projected roll-out was still summer 2015. Problems with underground obstructions had meant that the location for one of the cabinets on The Green needed to be amended slightly. At a site meeting an alternative site had been agreed.

Accounts

■ Accounts were presented and approved.

Salt/grit bins

■ It was agreed that a replacement programme for the PC owned salt bins be set up.

Reports

■ Mr. Fletcher had attended a meeting at which Neighbourhood Plans as a planning and policy document at parish level were discussed. Council members questioned the need for a Neighbourhood Plan when we had already produced and utilised a Parish Plan. It was agreed to consider this matter further after gathering more information.

The next meeting of the Parish Council will be on Tuesday, April 7th at 7.45pm in the Committee Room of the Village Hall.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

From the Rectory

Once again this Easter Sunday morning we will be woken to the sound of the bells ringing out from the tower at All Saints Church heralding the resurrection of Jesus from the dead. As the Hexagon benefice has a Benefice Service at Shearsby rather than here on Easter Sunday, with all its churches coming together to celebrate the heart of our faith as a church family, the bells at Husbands Bosworth will ring out for the time of the service at the Catholic Church, at 8.30am.

No matter where we worship, whether at a dawn service, at 8.30am, at the Benefice Service, with our Methodist friends at 6.30pm, or anytime in between, Easter is a reason to rejoice and is central to the Christian faith of all. Jesus is risen from the dead, and the gateway from earth to heaven is now propped open for us to step through by faith. We have a hope and a future thanks to what Jesus has done. Let's offer him our thanks and our love in response, wherever and whenever we can. *Alleluia, Jesus is alive. Let us rejoice and be glad.*

A happy and blessed Easter to you all, *Liz* (and thanks to the bell ringers!)

CHURCH ROOF UPDATE

Thank you to everyone who has responded so generously to our roof appeal. Around £7,300 has been raised so far and, together with the insurance payout we have approximately £13,500.

We now have the final estimate for the repair, which will be in stainless steel, rather than lead, to deter further theft. With architect's fees, remedial work and insulation the final total comes to around £20,000. We are therefore about £6,500 short. If anyone, individual, group or business would like to help please make cheques payable to Husbands Bosworth PCC and pass to the treasurer or any PCC member.

For further information please contact either Rev. Liz or Churchwarden, Di Jones.
