

## GREATER BOSWORTH

**Y**ou've no doubt all seen the flyer posted around the village recently by Carter Jonas, with the proposal for further housing development off Welford Road. The scheme, which proposes the erection of 32 homes on the green field site adjacent to Knights Close, is still in the early stages. Carter Jonas, who are acting as agents on behalf of Leicestershire County Council, which owns the land, are promoting the development. The proposal is being pushed forward, in part, on the back of the outline planning permission granted in 2015 for the Davidsons 41 home residential development on the opposite side of the road.

A contribution towards community infrastructure is normally sought by planners in any major development, usually in the form of a proportion of social or low cost housing. The Davidsons proposal offsets some of their community contribution responsibility by offering to provide a new doctors' surgery.

In the development proposed by Carter Jonas for the Welford road west site, they are seeking to include a dozen or so 'affordable' homes.

One of the concerns raised by the Parish Council early on in negotiations, was the cumulative effect that a total of over 70 new homes will have on the ability of the village school to cope. The school is effectively up to capacity at present and it has been suggested that if permission is to be granted, a contribution towards upgrading the school should be included as a planning condition.

Pre-planning assessments of the site have been carried out and plans are likely to be presented before Harborough planners, seeking outline planning permission in the autumn. *The site was identified in a Strategic Housing Land Assessment in 2014, which constitutes part of Harborough District Council's Local Plan.*

## LIVE AT THE VILLAGE HALL

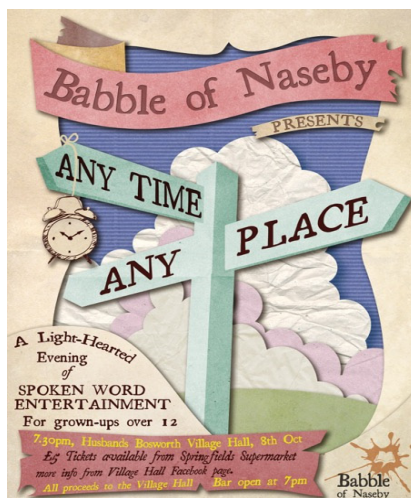

**H**usbands Bosworth Village Hall is proud to present the 'Babble of Naseby', a lighthearted evening of the spoken word on Saturday, October 8<sup>th</sup> at 7.30pm.

'Any Time, Any Place' is a new show, containing nearly all-new material with a couple of favourites thrown in, around the theme of 'place'. The show follows Babble's unique format - a celebration of the spoken word, including poetry, story-telling and some pieces that defy description!

As with the previous shows by this local troupe, there is a wide range of material; some pieces will get you thinking, while others will make you laugh out loud! The variety in the programme is exemplified by the comedy featured in such sections as 'Your Place or Mine?' contrasting with a specially written atmospheric piece entitled 'Battlefield Voices' and a moving, reflective section on 'The Place of Women'.

For those who have never been to a 'Babble' show, there isn't a perfect way to explain what the evening is like. So, why not come along and experience something different and something to make you feel good - you won't be disappointed! Tickets for the show are £5 and are available from *Springfields Supermarket* (Thank you Roy!). Please bring nibbles with you. A bar will be open from 7.00pm and will stay open after the show for those social villagers. All proceeds go to the Village Hall.

*And... Sally Barker, finalist in BBC's 'The Voice 2014', will be performing at Husbands Bosworth Village Hall on March 10<sup>th</sup> 2017 at 8.00pm. Tickets, costing £10 will be issued closer to the time, but names and numbers will be taken now. Roni Jones is the contact for this event. Email: husbandsbosworthvh@gmail.com*

This year we are supporting The Muscular Dystrophy Association and The Stroke Association as our two main charities, with donations also being made to worthy causes within the village.

We would be pleased to receive any donations of paperback books, bric-a-brac, tombola prizes and cakes for our refreshment stall and also offers of help on the day (however limited in time).

Advance registration is required for the Conker Championships but the Welly Wanging and other games can be entered on the day. Please contact either Sue on 881251 or Ralph on 880526 for any further information or to register.

## POSTBAG

*From Penny Mattock, Fernie Court*

Thank you to everyone who either came to my coffee morning for LOROS or sent cakes or a donation and everyone who helped during the morning; it was very much appreciated. Luckily it was a warm sunny day and we could make use of the garden. It was lovely to see so many neighbours and friends. The coffee morning made £700 for LOROS, so thank you to you all.

*From David and Ros Dunmore and the Residents of Mowsley Court*

Open Garden Success. The 'Open Garden' weekend in July, which brought together the National Gardens Scheme garden of Orchard House, Mowsley Road and the courtyard gardens of Mowsley Court proved to be a huge success.

The weather was very kind to us this year and over 100 people visited the two gardens over a four hour period. It was very gratifying that this year's Open Gardens brought together two very distinct experiences for our visitors and the refreshments provided were very much appreciated.

Lots of visitors took the opportunity to take photographs and even a video, which will provide ideas for their own gardens in the future. This fund-raising event for the National Garden Scheme's cancer charities and the Rainbows Children's Hospice, together with a group visit by Fleckney Gardeners Club raised a wonderful £732! We were very proud of this achievement and all the organisers would like to say an enormous thank you to everyone who gave their support.

*From the Bosworth Tots Group*

Bosworth Tots would like to thank the Bosworth Festival Committee for the very kind donation to our group. We will be using it to purchase some new toys.

We have been made aware of a spate of spurious calls purporting to be from the District Council advising householders that they are required to make an additional payment to their Council Tax. The caller goes on to try to take the payment over the telephone. If you receive a call from someone in relation to Council Tax, ask them to give you the Council Tax reference number and the balance outstanding and check this against your bill.

NEVER give bank details or personal information to anyone that you don't feel is 100% genuine. Any reputable company will be happy for you to check them out before you give out personal information. If the caller is not genuine they are likely to become defensive or flustered when questioned for this information.

Ask for a contact number and ask to ring them back. Check this against the Council Tax department; for Harborough District Council this will be: 821234.

If you believe you have been a victim of this type of call please report it to us by calling 101.

## WILD ABOUT BOSWORTH

### Slugs and Snails and...

Two months ago, I mentioned slugs in the article on hedgehogs and it occurred to me that I know next to nothing about these creatures, other than they comprise one third of the constituents of little boys! After some research I discovered...

Slugs are molluscs and gastropods (belly-footed), and not everything they do is bad. In the wild they help to recycle the nutrients in decaying matter, they promote plant diversity and disperse seeds and spores through their waste.

Anatomically, they have a breathing hole on the right side of their head and two pairs of tentacles. The upper, larger pair, have eyes at the tips. The lower, shorter pair are taste organs and are used to check the edibility of potential food. Slugs are hermaphrodites, having dual sexuality, but they prefer to seek out a mate if possible. The acrobatic individual shown is a 'Black Slug' [*Arion ater*]. This species lays several clutches of eggs in dark, moist locations during late summer/early autumn, and dies shortly thereafter, rarely surviving into a second year.

Slugs are indeed slimy. They manufacture three types of slime. The first provides an all-over coating to prevent dehydration. The second, stickier variety, is laid down to aid locomotion, and, as it is unique to each species, it helps them track down potential mates - an important consideration when your top speed is around two inches a minute! Thirdly, they produce an unappetising mucus to deter predators.

Surprisingly, black slugs are edible but apparently they taste horrible; an opinion I'm content not to question...

All in all, perhaps we should be more forgiving when they reduce our vegetables to naked stalks. Maybe the best solution would be barriers between the areas where they are welcome and unwelcome.

Mike Chanter

## OUR PARISH CHURCH

All Saints Church, Husbands Bosworth has been well supported by its community in recent times, especially following the theft of lead from the north aisle roof. All at the church are most grateful for the support received. We are pleased that this work is completed and the north aisle roof is now waterproof.

Sadly the same cannot be said of the south aisle roof which leaks like a sieve and many receptacles are required every time it rains, to catch the various drips! Our 5-yearly condition survey of the building recommended that the south aisle roof repairs should be undertaken within 18 months. Quotations for the repairs are currently being sought and the cost is expected to be similar to the cost of repair to the north aisle roof (around £20,000). Monitoring of cracks in the masonry is also to be undertaken on the spire. Grant support will be sought to supplement the fund-raising that will be needed to effect these repairs. As custodians of this ancient building for the current and future use of generations in our parish, the Parochial Church Council would welcome any help that can be offered.

## SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL

### NEW HEAD

The Governors of Husbands Bosworth School are pleased to announce the appointment of our new head teacher, Mr. Alan Eathorn. Alan comes to us from Meadowdale School in Market Harborough, where he was a Deputy Head. He lives in Corby.

### 20 MPH SCHOOL ZONE

Parents and residents regularly raise concerns about the speed of traffic and 'near misses' on the main roads where our children need to cross to and from school and where the secondary school children wait for their buses. Husbands Bosworth School has been engaging with the Local Authority to try to put in place 20 mph speed limit zones as a traffic calming solution to help keep our children safe. Research has shown that the risk of a child being involved in an accident is reduced by about two-thirds where 20 mph zones have been installed. Local consultation is of vital importance, to make sure that local communities have input into the development of the schemes, and plans for the Bosworth scheme will be made available to residents in the coming weeks.

### BYGONE BOSWORTH

*Images from the Historical Society's Archive Collection*

A while back we featured a piece about a BSA motorcycle, recently restored by Clifford Smith of Kibworth, that was bought in 1928 from Tom Mather's garage in the village by Fred Stamford Greaves. Clifford requested any information and sent us a picture of the toolbox with Mather's brass plaque riveted on.

Villager, Pauline Knight tells us that Fred Greaves was the butler at Highfields House, Kilworth Road and is buried in the village's Welford Road cemetery.

Although it's not clear in our picture, Mather's Garage telephone number was Husbands Bosworth 11, and the postal address was Husbands Bosworth, Rugby.

## From the Rectory

Faith is a dual journey of discovery. There is the inward journey of discovering what or who it is we believe in and there is the outward journey of what the discovery of faith calls us to do or be in life. For all of us, what we do or do not believe in will affect our choices in life and who we become. We see this worked out both for good and for bad in our world. It would seem that some of those who have committed acts of violence against others, such as those who killed the priest, Father Jacques Hamel in France, were radicalised remotely by IS and had taken on board the ideology that shapes them and on the basis of that they killed. Others believe in basing their life on kindness and goodness and that moves them to spend their lives in the service of others, helping the poor and needy, giving shelter to refugees. Not everyone can be at the front line of other people's need, but we can all support through charitable giving, or supporting things like the foodbank, or caring for friends and family when they are in need. We all have free-will to choose what we want to believe in and base our lives upon - that is part of the gift of being human.

What the Christian faith teaches us is that God also has faith - he believes, to the core of his being, that human beings are worth loving. God is passionate about people and wants each one individually to know that he loves and cares for them. Having given people free-will, he cannot force them to respond to his love, just continue to offer it. His belief in people caused him to act too - to send Jesus, his son, part of his very self, to become one of us, to walk alongside us and share this life with all its ups and downs, so we could know more of his love. Do you accept his love? Where are you on your inward journey of faith? What does it lead you to do?

Best wishes from Liz - a fellow traveller of the 'faith' road.
