

BIGGER BOSWORTH?

In last month's *Bugle* we lauded the commencement of Davidsons' 41 home Welford Road development. The project, which includes a new doctors' surgery building as the developer's community contribution, has been looming amidst much speculation, for almost three years. So, the start of ground works on site at the beginning of last month was generally welcomed.

However, concerns have been raised that assurances that the surgery element would be tackled first don't seem to be reflected in the work that is going ahead. Instead, the site of the new surgery building seems to have been excluded from the initial ground works that are presently being carried out.

Concerns have also been raised regarding the bird-proofing of the hedge at the back of the site, which suggests that Davidsons are looking at the possibility of extending the site into the fields to the east of the permitted area. At present the bird-proofing has been justified to enable the developer to remove the section of hedgerow in order to establish an off-site storage compound in the adjacent field. However, if approved for development later, this could see more housing stretching across to Butt Lane.

OUT OF BOUNDS?

The Local Government Boundary Commission for England (LGBCE) is currently undertaking an Electoral Review of the District Council. Draft recommendations suggest a council size for Harborough of 34 councillors (3 less than the current 37) and are proposing a pattern of district wards to best achieve the objectives of the review.

The review aims to ensure that each local councillor represents roughly the same number of people, so that the value of each person's vote is the same regardless of where they live within the local authority area. The review also seeks to reflect the interests and identities of local communities and maintain local ties where boundaries are easily identifiable.

The draft recommendations can be read in full on the website at: <https://www.lgbce.org.uk/current-reviews/east-midlands/leicestershire/harborough>

You can make a submission to the Harborough electoral review through the LGBCE consultation area on their website, by sending an e-mail to reviews@lgbce.org.uk, or in writing in to:

CHURCH BRASS

The Foresters Brass, based in Leicester, will be playing a special concert in All Saints Church on Saturday, May 13th at 7.30pm, raising funds for our church and Christian Aid.

The band draws players from as far away as Bedfordshire and Derbyshire and has, until recently, been practising in All Saints Church Hall.

They can trace the roots of the band back to 1902, but its association with The Foresters Friendly Society began in 1957, which is thought to be the longest unbroken sponsorship of any brass band in the country.

Amongst the top amateur youth bands in the country, the band recently walked off with the silverware (or maybe the brassware...) in a prestigious Midlands Brass Band championship.

Tickets are £8 and are available from Brian Smith 880225 or Mike Price 880902.

BUGLE POSTBAG

From PCSO Peter Willson, Lutterworth Police

Like Walcote, there is a recognised speeding issue in Husbands Bosworth. In a recent half-hour traffic session monitoring traffic travelling eastbound towards Market Harborough at the Welford Road/ Kilworth Road cross-roads we logged 122 vehicles, of which 15 exceeded our speed threshold. *[The Bugle has withheld the registration numbers captured in the exercise]*

We felt slightly heartened by the fact that there are a few considerate drivers who do adhere to the limit and slow down the strings of traffic, otherwise there would have been more incidences of speeding. We noted a particular risk in Husbands Bosworth, where the A5199 crosses the A4304 - it is a staggered junction. During the half hour of our monitoring exercise, there were two occasions when the north side of the A5199 had either slow moving traffic or a parked car on it and long vehicles were trying to cross the A4304 with their trailer blocking the carriageway. I will recommend that the speed camera vehicle attends at regular intervals to give drivers the impression that the spot is regularly monitored. We will re-visit in a few weeks.

Have you lost the bezel off your doorbell? A number of bell-push bezels have gone missing around the village in recent weeks. They're not the sort of thing that come off easily, so it would seem someone has removed them...

POLICE FILE

What is ANPR?

Automatic number plate recognition (ANPR) is a technology for automatically reading vehicle number plates. It is used by law enforcement agencies in the United Kingdom to help detect, deter and disrupt criminality including tackling organised crime groups and terrorists.

How does ANPR work?

As a vehicle passes an ANPR camera, its registration number is read and instantly checked against database records of vehicles of interest. Police officers can intercept and stop a vehicle, check it for evidence and, where necessary, make arrests.

Why is ANPR used?

Since the introduction in the 1980s for counter terrorism purposes in Northern Ireland ANPR systems have been shown to be extremely powerful tools in addressing crime at all levels including serious and organised. Many criminals rely on vehicles to commit crime and ANPR is designed, through speedy access to criminal intelligence databases, to make it difficult for the criminal fraternity to use vehicles for illegal purposes.

Where are ANPR cameras placed?

In line with national policy, we do not disclose details of our fixed locations as this information is likely to be of benefit to offenders and if known could reduce the value of ANPR to policing.

BOSWORTH IN FOCUS

A TASTE OF BOSWORTH

Leek and Bacon Quiche

Ingredients

3 Leeks
25g butter
50g smoked bacon - chopped
75g cheddar cheese, grated
1 level teaspoon dry mustard
1/2 level teaspoon dried sage
Freshly ground pepper
2 eggs made up to 1/2 pint with milk

Ready made pastry case baked blind for 15 minutes at 200C

Method

Preheat oven 180C, Gas 4
Thinly slice leeks and wash well then drain.
Melt the butter add bacon and leeks and sauté for 5 mins. Then remove from heat, stir in mustard, sage, pepper and cheese. Pour mixture into base of pastry case. Pour beaten egg and milk mixture over leeks. Bake for 25 minutes until set. Serve with mixed salad.

FANCY DRESS DISCO

Hurry... This is your last chance to buy the remaining few tickets for the fun charity 80's fancy dress disco night on Saturday, May 13th!

Husbands Bosworth Village Hall will be hosting an 80's Disco Night in aid of *Action for Children*. Every penny from the proceeds goes directly to this amazing charity, which is helping disadvantaged children and young adults.

The fun starts at 8.00pm with a specially themed 80's buffet and disco. Don't forget your 80's costume and best dressed will win a bottle of bubbly!!!

Tickets from Sam Bell: Jon.sam.bell@icloud.com or Marc Rowley on 880884 or marc.rowley1@bopenworld.com

Samantha Bell

WILD ABOUT BOSWORTH

Collared Doves - *Streptopelia decaocto*

First a lesson in ancient Greek. *Streptopelia* comes from *streptos*, 'collar,' and *peleia*, 'dove'. I'm sure lovers of words will decipher *decaocto*; as deca, 'ten,' and octo, 'eight', giving eighteen.

The story behind this specific name comes from Greek mythology. A maidservant complained to the gods that her mistress paid her a pittance of 18 pieces a year. So, the gods changed her into a dove whose coo-coo-cooing would haunt the mistress.

Most of us have seen collared doves in our gardens, particularly if there's some bread or grain on offer. Males and females are similar in appearance (monomorphic), mostly grey-buff-pinkish, which is a little darker above than below, with a black collar edged with white around the nape of their necks.

The picture shows a nest in a local garage. They usually nest in trees, but are happy to use manmade sites such as satellite dishes, ledges or guttering. Indeed, they have a strong preference for living close to humans.

The eggs take a little over two weeks to hatch, with the female incubating them during the day and the male overnight. After a further sixteen days or so, the youngsters fledge. There are stories of parents encouraging reluctant fledglings to leave by gradually dismantling the nest one twig at a time. Depending on the food supply, they frequently raise three to four broods a year.

They first appeared in England in the 1950s and, though they don't migrate, they are dispersive (like to spread), and now they can be found all across the UK. Their numbers have declined from their peak of a million breeding pairs in 2009. But they are still one of the top garden birds, and assuredly worthy of some grain and small pieces of bread, which won't choke the chicks.

Mike Chanter

BUS TIMETABLE CHANGES

Arriva Midlands, operating the HinckleyBus 58 service through Husbands Bosworth has recently announced changes to the bus timetable.

The new timetable will be based on one vehicle running back-and-forth all day, so the number of journeys has changed. The service will continue to provide school journeys into and out of Lutterworth and a shoppers' service to Lutterworth and Market Harborough.

Monday to Friday: To Lutterworth (pick-up at Cherry Tree Close)

0801; 0931; 11.36; 1301; 14.26, 16.22

Returning at: 0830; 100; 1200; 13.25; 15.25 (from Morrisons, George St.)

To Market Harborough

0718; 0848; 1018; 1218; 1343; 1543

Returning at: 0745; 0915; 1120; 1245; 1410; 1605 (from the Market Hall)

For a printable poster of the full timetable, including Saturday services, go to:

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Alan Eathorne

The Spring Term has now finished at Husbands Bosworth School and after the Easter break we look forward to everyone returning and continuing to learn.

Amongst many other curriculum areas and activities, we ensure we participate in as many sporting events as possible.

South Leicestershire Cross Country

Over 20 children from Key Stage 2 took part in the South Leicestershire Cross Country races at Market Harborough on Thursday, March 9th. It was fantastic to see so many of our children participating in the event. We are very proud of their commitment and enthusiasm.

LASA Netball League

Pupils from Class 4 participated in the LASA netball league at Lutterworth College in March. The team played incredibly well together and showed true team spirit and great sportsmanship.

Small Schools East Swimming Gala

On Tuesday, March 7th, children from Classes 3 and 4 competed in the Small Schools Harborough East swimming gala. Once again the children were a credit to the school, showing determination and enjoyment. Husbands Bosworth came 4th out of seven local schools.

I would like to share with you a short poem that was given to the staff from a girl who is leaving the school due to relocation – I think it sums up our school brilliantly.

Love is always the best teacher.

Everything responds to love.

The secret of teaching is to care about your students,

They will feel it and they will learn!

WELFORD CINEMA

Welford Cinema will be showing the acclaimed biographical drama, 'A United Kingdom' (2016) on Saturday, May 6th at 7.30pm in Welford Village Hall.

An international scandal is played out when a Botswanan prince marries a white woman from London in the 1940's, throwing his country into political and diplomatic turmoil.

Tickets £5 on the door.

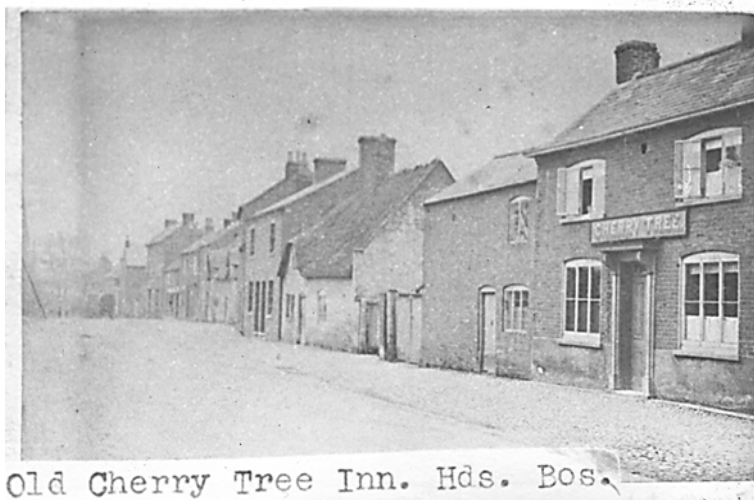

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

Spot the changes on the High Street! To orientate ourselves the cameraman of old set up his instrument where the pedestrian crossing is sited today.

At this time, the cottage with the 'eye-brow' dormer window was soon to be replaced by the much more substantial 10 High Street, although the 'entry' to the side remains today. The Cherry Tree looks fairly substantial itself in our picture, which was taken about 1908, but was also soon destined to be replaced by a modern 'of-the-era' 1930s pub. Stepped back from the roadside to accommodate a sizeable forecourt car park for his motorcar, the new pub catered for the burgeoning motoring drinker.

The new Cherry Tree was in turn uncerimoniously swept aside in 2000, despite a forelorn attempt in the late 1980s to bolster flagging custom by serving Double Diamond and Watney's Red Barrel beers and employing a bevy of topless barmaids. Today, all trace of the pub has gone and the view from this spot opens up to reveal the entrance to Cherry Tree Close.

ACTIVITY & INTEREST GROUPS

HISTORICAL SOCIETY

The next meeting of Husbands Bosworth Historical Society will be our Social Evening, which will be on Wednesday, May 3rd.

This year we will be going to Leicestershire Police Headquarters at Enderby, where we will be shown the workings of the Control Room, and hopefully a peek into the Armed Response Unit and Traffic Vehicle Unit.

As usual this meeting is open to visitors and well-behaved friends! A charge of £2.50 applies for non-members.

Please call Frances on 880225 so that we can arrange transport to the venue. Meet on The Green at 6.45pm

Our Annual Day Trip will be on Sunday, June 18th when we will be treated to a bus trip to the Stoneygate Tram Depot. A heritage bus from Leicester Transport Heritage Trust's collection will collect us from the bus-stop outside Springfields Store at 2.00pm.

We normally make a donation towards the work of groups that we visit on our outings, so for this visit we will be asking for a £5 per person 'fare' for the journey.

Again, please let Frances know if you would like to join us. Trip open to friends and non-members.

NEW LIFE IN THE OLD BELLES...

There was a very positive response at a recent meeting for the re-forming of the Bosworth Belles ladies social group. Trips out, walks, talks, workshops, gin tasting, foodie evenings and pamper sessions and even life-drawing demonstrations were suggested as possible subjects for meetings. A full programme of meetings, hopefully starting in June, is currently being drawn up. For more information please contact:

Penny Ascott email: paa@array-studios.co.uk or Hayley Fisher email: fisher.matthew@sky.com

VILLAGE LUNCH

The next Village Luncheon will be on Thursday, May 25th at Kilworth Springs Golf Club. Diners are asked to meet, as usual, at 12.30pm.

The Village Lunch is an ideal opportunity for those living alone, retired or new to the area to meet up with old friends or make new friends in a relaxing environment.

The cost of a 2 course meal, including coffee and mints is £7.50 per person.

Call Janice on 880668 to book a place or for more information.

MILLENNIUM WOOD

The next Millennium Wood work day will be on Saturday, May 20th 9.30am to 12.30pm. Come along and enjoy the fresh air whilst helping to maintain the community woodland.

At the recent Annual General Meeting the trustees discussed projects that would enhance the use of the woodland. Among the proposals put forward were the installation of outdoor gym facilities and extending the boardwalk over the wetland area.

If you would like to know more about the community woodland, or would like to get involved please come along to a work day or call Jackie on 880910.

VILLAGE HALL AGM

The Annual General Meeting of the Turville Hall will take place on Tuesday, May 9th at 7.30pm. This is a public meeting and members of the local community are welcome to join us.

The trustees are looking for a new secretary and new committee members to join our merry band to help us to support this much-loved village amenity, which relies on its own financial income to pay for its upkeep. There are only 10 one-hour meetings throughout the year

Email Jon.sam.bell@icloud.com for more information.

PARISH COUNCIL NEWS

Report of the Parish Council Annual Open Meeting held on Tuesday, April 4th 2017.

[The meeting was conducted informally and un-minuted.]

Full Council and two members of the public were present.

The Chairman opened the meeting to general discussion.

Points Discussed

■ Concerns were raised about bushes overhanging the tennis courts and shading the playing surface causing the growth of moss. The bushes in question were not the responsibility of the parish and the matter should be raised directly with the farm tenant.

■ Discussion took place regarding Council's offer to coordinate a volunteer programme to help maintain the canal towpath. Clerk informed the meeting that there had been little response from Canal and Rivers Trust despite repeated requests and even a site visit by a CRT officer. Clerk to follow this up again.

■ Traffic and speeding issues were discussed. Council had heard that the County Council had received funding from central government to install Average Speed Cameras and the A4304 had been identified as having a significant speeding problem. Initially Walcote would have cameras installed but it was likely that further cameras would be installed in the other villages along the road in a roll-out programme.

■ The meeting noted that road markings especially along Welford Road were unclear due to the action of the road-sweeper from the quarry. No response had been received in the past. Clerk to report this to Highways again.

■ Discussion took place concerning the site works on the Davidsons' development on Welford Road. Rumours had come back to Council that further development adjacent to the site was being considered and concerns were voiced that the doctors' surgery element seemed to have been sidelined. Clerk was asked to seek assurances from Davidsons and set up a contact with the company.

■ Concerns were raised about the timing of work to be undertaken, in the birds' nesting season, to the playing field trees behind properties on Welford Road. Clerk informed the meeting that work necessary for safety reasons could be carried out at any time but expected that only one tree, which was to be felled, would need to be dealt with immediately. The other trees would entail less work and would be dealt with by the tree surgeon as soon as possible.

■ Clerk was asked to arrange for a sign to be made and installed on the play area car park barrier. This would state that the barrier would be closed at specified times and include a contact number.

■ Clerk was asked to arrange for the play area car park area to be re-graded, as a temporary measure, to level the uneven surface.

■ The roundabout in the play area needs lifting and the bearings cleaned out. Clerk was asked to arrange for this to be done.

■ Council discussed the need for a part-time clerk/secretary to help to coordinate the Neighbourhood Plan project and to assist the Clerk with general duties. Initially the hours would be 5 hours per week. The post would be advertised.

■ It was suggested that the Clerk's email contact details be changed to make a changeover of duties easier to administer.

The next meeting of the Parish Council will be the Annual General Meeting on Tuesday, May 2nd, at 7.30pm in the Committee Room of the Village Hall.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

FROM THE RECTORY

How busy is your life? Do you have a list of jobs going round in your head that you feel you must do and you go from one to the next without much time for anything else? There are times in all our lives when we are like this, the pressure builds up and then tension makes us feel tired as much as the busyness does.

At such times it is good to know that a break is coming - a holiday is planned and there will be time to relax again. Looking forward to a holiday can keep you going through the busy times.

On one recent short break, I had time to notice the spring and how it has sprung so fresh this year. The new leaves were particularly bright on the trees, the flowers - the broom and gorse and the last few daffodils were glorious yellow, the blossom was abundant and the sky a just-washed-clean shade of blue with fluffy clouds scudding across them. Then, later there was a pretty sunset over the sea.

Pausing for a few moments to soak up the beauty of the world around refreshes your soul, allows peace to reach those innermost places and provides a moment to touch base with the God who loves you and wants to restore your soul.

If you can, don't just wait for your holiday for these moments, build them in around your busyness and be refreshed as you go, day by day.

Liz - hoping you will find moments of stillness to enjoy!
