

MAJOR SURGERY

Construction work on the new GP surgery, off Welford Road, has dramatically changed the landscape and given local residents an insight into the modern medical facilities that they will be able to access very shortly.

The spacious 400sqm building will have five GP consulting rooms, three treatment rooms, a dispensary and space for non-clinical staff. There will be 24 car parking spaces and a cycle rack. The exact date for the completion of the works and the opening of the new surgery has yet to be confirmed, but it is hoped that will be by mid January at the latest. All patients of the Kilworth Road surgery will automatically be registered at the new location.

The Practice is in the process of placing orders for medical equipment and furniture for patients. If any local business or individual would like to make a contribution towards these costs, they should contact Dan Markovic,

Business and Finance Manager - dan.markovic@gp-c82009.nhs.uk or 01858 439116. Their details will be displayed in the new waiting room in recognition of their generous donation.

RINGING TIME AT THE BELL

At the time of going to press we have little information, but it looks as if Tim and Bashie will be shutting up shop at The Bell at the end of October.

As we hear it, a big hike in rent, intransigence on the part of the brewery, Punch Taverns, and problems getting a reliable chef were the main stumbling blocks. Tim and Bashie tried hard to make The Bell a success with the recent make-over, new menus and quiz nights - and their excellent pies will be sadly missed! We wish them all the best for the future.

CONKERERS...

A very big thank you to everyone who provided invaluable help at our Conker & Welly Wanging Championships and to all who supported the event in any way. Fortunately the weather behaved a little better than the wet and gloomy forecast we had been given and we had a good attendance on the day despite a number of stallholders and attractions cancelling in advance.

The Conker winners were:

Age 6 - 8 years - *Olly Jacques*

Boys over 18 years - *Steve Smith*

Team - Bonkers

The Welly Wanging winners were:

Boys under 5 years - *Alfie Jacques*

Boys age 6 - 10 years - *Josh Jacques*

Boys age 11 - 16 years - *Sebastian Fernandes-Smith*

Boys over 17 years - *Joe Dyer*

Age 9 - 12 years - *Elliott Hurrell*

Girls over 18 years - *Meg Kedie*

Girls under 5 years - *Milly Harrison*

Girls age 6 - 10 years - *Louise Fernandes-Smith*

Girls age 11-16 years - *Lottie Goode*

Girls over 18 years - *Julieann Hallissey*

The event raised approximately £1400. The Brain Tumour Charity has received £520 and £500 has been donated to The Air Ambulance Service. Smaller donations have been made to various worthy causes within the village.

HALF TIME

Eagle-eyed travellers along Kilworth Road will have noticed that Bosworth appears to have been cut down to size, with the lower half of the village sign missing. The assumption was that scrap thieves had taken a fancy to it.

However, a recent response from Leicestershire County Council to enquiries by the Parish Council, tells us that it was they who took down the sign as it was deemed too low, and presumably dangerous to pedestrians on the adjacent footway.

It had been in place for the past 10 years and, as far as we are aware hadn't decapitated anyone but LCC have ordered new poles to move the sign up slightly, out of harms way. They assure us that the sign will be replaced soon.

BUGLE POSTBAG

From Margaret & John Scurrah, East Leake

We have moved! After a very protracted sale, we had a traumatic few days before a sudden completion and move. We regret we were unable to see or contact all our friends and say goodbye.

We will miss Bosworth and the Chapel but hope we will soon meet new folks and settle into life in East Leake on the Nottingham/Leicestershire border. We would love to see any of you if you can visit. As you know due to John's health problems, he is no longer able to drive.

Editor's Note: Many villagers will know John and Margaret particularly as stalwarts of the village Methodist Chapel, where their support, including their regular coffee mornings, will be greatly missed. The Bugle has their new address if anyone wishes to keep in touch by post.

From Mike Chanter, Mowsley Court

Many thanks to everyone who supported the Millennium Wood Picture Raffle. The £300.00 raised was gratefully received, and will be used to support nature conservation projects at the community Wood. The winner was Louise Johnson, of Cosby.

From PSCO Peter Willson, Lutterworth Local Policing Unit

The county and surrounding police forces are experiencing a spate of late night/early morning attacks on cash machines, often carried out with the use of heavy machinery under the cover of darkness.

We are asking residents to keep an eye out for any large earth moving or similar agricultural or construction vehicle travelling on the public highway after 10.00pm, and to report the incident, note the registration number if possible, its location and the direction of travel as a matter of urgency to the police on 999.

If you do spot anything suspicious of this nature, police advice is not to put yourself in danger, but report the activity as soon as it is safe to do so.

Neighbourhood Watch has flagged up a recent spate of incidents where youngsters have been approached through social media by criminals posing as modelling scouts and offering deals to arrange photo-shoots for an upfront fee. The fraudsters sound convincing, even seeking parents' permission and producing elaborate documentation. Invariably any fees paid are lost.

BOSWORTH IN FOCUS

A TASTE OF BOSWORTH

Peach and Raisin Pudding

A tasty alternative to the traditional bread and butter pudding. Very easy to make and delicious served with Greek yoghurt. Serves 4 - 6.

Ingredients

1 x shop-bought raisin loaf
2 eggs, beaten
¼ pint milk
400g sliced peaches in natural juice, drained
3 tablespoons light brown sugar
½ teaspoon ground cinnamon
A little icing sugar

Oval pie dish greased with butter

Method

Preheat oven 200°C, Gas Mark 6. Slice loaf into 8 slices (if not already sliced). Mix together the beaten egg and milk and dip the slices into the mixture.

Arrange the slices in an oval pie dish, so they overlap. Arrange the peach slices on top tucking in between the bread crusts. Pour the remaining egg mixture over the peaches and bread and sprinkle over the brown sugar and cinnamon. Bake for 15 minutes or until the egg has set and the top is browned. Dust with icing sugar and serve.

WILD ABOUT BOSWORTH

Great spotted woodpecker - *Dendrocopos major*

There are three species of woodpecker resident in the UK: green, great and lesser spotted. Green woodpeckers, unsurprisingly, are predominantly green, with a red skullcap. Great and lesser spotted woodpeckers have bold black and white plumage with red highlights.

When identifying the Great and lesser varieties, size matters. The Great spotted woodpecker is about the size of a blackbird, whereas the Lesser is much smaller, roughly the size of a sparrow. Also, the lesser is a far rarer bird, with around one thousand breeding pairs, compared to 140,000 pairs of greats.

Great spotted woodpeckers are attractive birds; adult males have a splash of red on the nape of their necks, juveniles sport a jaunty red beret and all have red under-tail feathers. In terms of diet, everything is on the menu, including invertebrates, crustaceans, molluscs, carrion, fat-rich items such as nuts and suet, vegetable foods including conifer seeds, berries and tree sap. And, (here's their dark side!) the eggs and chicks of small birds.

A nesting pair excavate a hole and hollow out a bowl-shaped depression into which the female lays their clutch of eggs. Both parents share parenting duties, though I'm not sure if the males are being selfish or selfless, when they insist on spending the nights sitting on the eggs.

They are difficult birds to spot. In woodland they will hide behind a tree to avoid being seen. I once heard that when you hear woodpecker drumming you can draw it to your vicinity by rapidly banging a pebble against a tree trunk. However, for some reason, it never works for me. Which means either I'm not doing it right, or there's another naturalist around the corner, who is similarly wondering what's wrong with their tree tapping technique!

NEIGHBOURHOOD PLANNING IN BOSWORTH

The Advisory Committee is currently consolidating the Theme Groups. Thank you to those residents who have volunteered to be a member, or a leader of a group. The groups will put together policies that will form an integral part of Husbands Bosworth Neighbourhood Plan, and consultants employed by the Parish Council will advise and guide each group.

As you will have seen on the Neighbourhood Plan flyers delivered recently, the Neighbourhood Plan is a Government initiative and the delivery of the Plan must follow specified procedures.

The policies emerging from the Theme Groups, and indeed the final draft of the Neighbourhood Plan should comply with the Harborough Local Plan. Once Harborough District Council is happy with our Plan it will be externally examined, and providing it passes this scrutiny it will then be put to village referendum. This will ensure that the majority of residents are in agreement with the Plan.

Engagement with the community is a significant element of the whole process and we need to demonstrate that you have had the opportunity to express your views and that your views, wherever possible have been taken on board.

So do get involved!

Let us know what you think. If you would like to join a Theme Group or have any skill or knowledge that you think would help draft the Plan, please get in touch with the Advisory Committee Clerk: bozena_k@btopenworld.com

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Alan Eathorne

The first half term of the new school year has already flown by. The children have been learning about a range of new topics and settling into their new classes. Myself and the rest of the staff have also continued our learning as we look at how we can teach maths and reading even better.

The school had a week to celebrate creation and spent some time considering what is meant by creation and creation stories from different faiths. The children really thought about this and came up with some excellent questions which were brilliantly fielded by Rev. Liz and Rev. Andy.

Finally, as I like to do, here is a selection of some writing produced by the children in the school linked to their topic about the Victorian period. They really enjoy seeing their writing published and I hope you enjoy reading it.

'The great Charles Dickens, a Victorian author, wrote fifteen gripping novels and twenty five short stories; he wrote some of the most famous novels in the world. Many of these have been turned into films, plays and musicals. He is considered one of the most distinguished authors of all time.'

Connie

'No escape

Boring days

Lost parents

Cold yard

WE HATE THE WORKHOUSE.'

Toby

'There were dark clouds covering the sky. A cluster of stars glimmered in the eerie night. When I look at the sky I feel I can let out all my secrets.'

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

The Town & Country Planning Act 1947 was quickly cobbled together, soon after the end of the Second World War. It added a degree of protection to any heritage assets that had been fortunate to survive and introduced an element of control in the rebuilding programme. Within the Act, the National Heritage List was set up, to specifically reinforce the protection of buildings of special character or worthy heritage.

The wheels of officialdom, where listing was concerned at any rate seem to have turned slowly for Husbands Bosworth, however but notable buildings in our parish were finally assessed and listed, 30 years ago, in March 1987.

We have 28 listed buildings or structures in Husbands Bosworth parish. Unsurprisingly All Saints Church and St. Mary's Church are listed with the enhanced status of Grade II*, as is Bosworth Hall. Perhaps a little more surprising is the cast iron mile post on Leicester Road (Welford 3 miles Leicester 13 miles) and the Grand Junction Canal Company marker (Leicester 23 miles) beside the canal towpath a couple of hundred yards north-east of Honeyput Bridge (Br. 46), which are awarded Grade II status.

Our picture shows one of our Listed Buildings - Wheatsheaf House - Grade II listed, on Bell Lane. Formerly an inn, the Wheatsheaf is now a domestic dwelling, and likely to be the oldest house in the village, dating in part to medieval times. At that time the core of the village would have been tightly clustered around the church, and the Wheatsheaf would probably have been an isolated farmhouse.

BOSWORTH BELLES

The Bosworth Belles ladies social group are organising a Christmas wreath-making workshop with Heather O'Connor on Thursday, December 7th run from 7.00pm. Foliage, oasis ring, baubles and ribbons will be provided within the cost. All you need to bring is sharp scissors, an apron and anything that you would specifically want to put in your wreath.

There will be an extras table where you can purchase cinnamon sticks, dried orange, etc. The cost will be £20.

To secure your place and to finalise numbers you will need to pay a £10 deposit by the end of October to Penny Arscott or Hayley Fisher.

Fancy a 1¼ hour Ghost Walk around Harborough? We could include a meal and warming drink at The Angel for £18.00 per person or £8.00 just for the Walk.

Date-wise we are thinking either November 2nd or 9th. Call Penny or Hayley asap if you are interested.

ACTIVITY & INTEREST GROUPS

HISTORICAL SOCIETY

The Historical Society will meet on Wednesday, November 1st when local historian and chairman of the Leicestershire Branch of the Western Front Association, Dr. John Sutton, will address the meeting. The subject will be an illustrated talk entitled: 'The 1914 Christmas Truce'.

As the first war-time Christmas loomed it was evident that neither 'Tommy', nor 'Fritz' were likely to celebrate the festivities back in their homelands. The Great War was stagnating, and in many areas the front lines of the opposing armies were only a few yards apart. In this close atmosphere soldiers of both sides were able to converse with each other. In a number of pockets along the Front they actually left their trenches and fraternised with the 'enemy', exchanging pleasantries and gifts, and even playing football matches!

Dr. Sutton's talk looks at the background to these impromptu truces, and the reaction of the higher commands.

The meeting is at 7.30pm, at the Sports Pavilion, Kilworth Road. Non-members are cordially invited to join us, when a door charge of £2.50 is requested.

GOVANNEN

If you have booked tickets for the Govannen concert on January 13th can you please let Ralph Horton have payment by the end of November? This will give us the opportunity of approaching our waiting list if there are any cancellations. For more information and ticket availability call Ralph on 880526.

VILLAGE LUNCH

The next Village Lunch meeting will be on Thursday, November 30th at Kilworth Springs Golf Club. Diners are asked to meet at 12.30pm, to eat at 1.00pm.

The Village Lunch is a great way for those new to the area, recently retired or living alone to meet up with old friends and make new friends in a relaxed atmosphere.

The cost of the two-course meal, to include tea/coffee and mints is £10 per person. Please call Janice on 880668 to book a place if you've not already 'signed up'!

MILLENNIUM WOOD

The Millennium Wood work party will meet on Saturday, November 18th, 9.30am to 12.30pm at the Wood to carry out on-site conservation and maintenance work.

If you have a couple of hours or so to spare and would like a bit of a 'work-out' in aid of a good community cause then you'll be most welcome. Refreshments will be served mid-morning! Call Jackie on 880910 for more information

CRAFT GROUP

The Craft Group meets on the second Wednesday of each month in the Committee Room of the Village Hall. This is a friendly and informal gathering where craft-minded people can pick up new ideas and practise their craft in a relaxed atmosphere away from the distractions of homelife.

For details contact Gail on 880413.

The Craft Club will be holding their annual Craft Fair on Sunday, November 19th, 11.00am to 3.00pm in the Village Hall.

An array of hand-made items will be on sale and there will be a raffle and tombola. Soup and roll, tea, coffee and cake will be available from the servery. To book a table - cost £10 - please call Gail on 880413.

The proceeds this year will be going to LOROS.

ART EXHIBITION

Welford Watercolourists will be hosting their annual Art Exhibition and Sale of Works on Saturday, November 4th and Sunday 5th, from 10.00am to 4.00pm in Welford Village Hall. Light refreshments will be available.

Profits from refreshments and a percentage of the proceeds from the Sale of Works will go to our chosen charity, Parkinson's UK. There will be four artists from Husbands Bosworth exhibiting.

Jennifer Rogers

SULBY GARDENS

The final open day for Sulby Gardens in 2017 will be on Thursday November 16th when we will be celebrating 'Late-Autumn Colour'. The gardens will be open 1.00pm to 4.00pm and light refreshments will be available. Entry £4 at the gate.

PARISH COUNCIL NEWS

Report of the Parish Council meeting held on Tuesday, October 3rd 2017.

Four Council members and 2 members of the public present. Apologies received from James Shelley.

Visitors' Questions

■ Queries were raised about the S106 contribution, which provided funding for the new doctors' surgery. Concerns were voiced about the loss of the community benefit if any future reversion of the site should occur. Chairman agreed to take the matter up with Davidsons.

■ In light of the planning approval granted for the development opposite the Davidsons' site, it was agreed to consult with Highways with a view to retaining the temporary access that has been created.

Minutes of last meeting were read and approved

Matters Arising

■ Council noted that the white line renewal had recently been carried out throughout the village and on Welford Road.

■ No response had been received regarding Clerk's query to Highways and the Rights of Way Officer relating to the status of Green Lane.

■ Clerk reported no response from Highways regarding the overgrown condition of the footway towards Welford or the loss of half the village entrance sign on Kilworth Road.

Neighbourhood Plan

■ Clerk to the Neighbourhood Plan Committee gave a report outlining progress so far on the project. The Advisory Committee were keen to promote participation, and a flyer would be produced and circulated to encourage villagers to get more involved. Stakeholder responses were still being received.

Cemetery

■ One more memorial bench, the Martin family bench, was awaiting installation.

■ Clerk was asked to arrange a meeting with a local handyman to assess the work needed to restore the Chapel of Rest north door and open up the Verger's refuge at the rear.

Playing Field & Play Area

■ Three broken windows were noted at the Sports Pavilion. Chairman agreed to arrange replacement.

■ Discussions took place regarding the possible conversion of the pavilion garage into a Parish Office.

Allotments

■ Council noted a spate of break-ins at the allotments site. Clerk was asked to notify all allotment holders and urge them to take steps to improve security.

■ Clerk informed Council that the roadside gate post was broken. LCC was notified and would replace it in due course.

Traffic Issues

■ Clerk agreed to look into sourcing some speed awareness bin-stickers.

Correspondence

■ Chairman reported that Council had been approached by the owners of the former hairdressers shop with an offer to rent the vacant premises for community use. Chairman agreed to meet with the owners and assess the prospects for establishing a Parish Office.

■ Members briefly discussed the Draft Local Plan, which had recently been published.

Staffing Matters

■ Mrs Sheriff had successfully completed her probationary period as Assistant Clerk.

Any Other Business

■ Clerk was asked to contact CRT again regarding the dumped tyres on the boat-horse path off Leicester Road.

■ Council agreed to arrange for the overhanging vegetation on the Kilworth Road footway to be cut back.

■ Following a number of incidents where dogs have been seen on the Playing Field it was agreed to improve the signage at the village entrance to the field.

■ Mr. Forman reported that a street light (10) on the High Street was not working.

■ Concerns were raised over who would be responsible for maintaining the amenity land on the Davidsons' site. Members assumed that a management agreement would be put in place, but would hope to see this issue clarified.

The next meeting will follow the Annual Precept meeting on Tuesday, November 21st, 2017, at 7.30pm in the Committee Room of the Village Hall. The Precept meeting starts at 7.00pm

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

FROM THE RECTORY

As we finished our harvest service at All Saints Church the other week I realised I had missed my opportunity to say thank you to all those who had spent time and effort to come and decorate the church for the harvest, the beautiful flowers, the fruit, the pew end decorations up the aisle - all of them contributed to give us a harvest festival feel as we gathered to sing God's praise and say thank you for all he does and all he gives. So this is my thanks to you all.

Thank you too, to those who brought gifts to church both on Sunday and at the School Harvest Festival which have been given to the Lutterworth Foodbank. These gifts will help people who are going through hard times - thank you for your generosity.

Giving thanks is important and there are many ways to do it. There is the polite note or card, sent after a gift is given or a kindness shown, which says thank you, I appreciate what you did or gave. There is the text or email which is a bit more instant which says thank you after the event. There are the words spoken face to face at the time or there may be the hug that accompanies the words. I expect we will all have received gifts which we have said thank you for, but then they have sat in a cupboard and never been looked at again, and we will all have received gifts that we have treasured and cherished and cared for because we were truly grateful to receive them.

Maybe true gratitude is seen in the cuddly toy that becomes tatty because it is loved so much. May our gratitude for the world in which we live be seen in our cherishing it and our care of one another. It's a wonderful, beautiful world with fantastic people - let's love it.

With grateful thanks for all God gives.
