

SPEED DATING...

Readers will know that the Parish Council have been monitoring speeds on the approaches to the village since 2011 and have amassed a vast amount of data relating to average speeds at these sites.

Recently it was noted that the temporary speed restriction imposed on Welford Road by Davidsons, the developers of the housing site, seemed to be having a marked effect on the speeds recorded.

From a thumb-nail survey of data gathered by the Speed Indicator over the past six years on the Welford Road it is clear that the average speed of vehicles approaching the village from the south which, before the restrictions were put in place in August 2017, were previously 'clocked' at 33.5mph, are now averaging 30mph. Even more impressive are the results for out-bound traffic, which has seen a reduction from almost 35mph to 30mph - a remarkable reduction. From this evidence it is clear that the extended speed limit has had a positive effect on the speed of traffic.

Residents living on Welford Road welcomed the introduction of the temporary speed restrictions when they appeared. They are now urging the Parish Council to press a case with the local authority for making the restrictions permanent, or at least introducing traffic-calming measures as part of the present development, and also to take into account the likely effect of the proposed development of 32 homes for the other side of Welford Road.

From the Highway Code: Stopping distance at 30mph is 23 metres (75ft.) Stopping distance at 35 mph is 29 metres (95ft.) A pedestrian hit at 30mph has a one in five chance of being killed. This rises significantly to a one in three chance if they are hit at 35mph. (Source: www.gov.uk)

MAJOR SURGERY

As we pass down Welford Road we may see that the new doctors' surgery still sits awaiting its first patients, almost five months after the building itself was handed over by the developer.

A recent tour around the facility, led by the Patients' Participation Group, saw that the surgery itself is ready for action, with all the material and equipment needed to operate, in place.

So, you might ask, what is the hold-up? Well... BT, bless 'em, seem to be dragging their feet for a start. Or, maybe it's Open Reach, BT's Broadband contractor.

At one point an order that might have made progress, fell by the wayside because it had the wrong postcode on it; the postcode for the surgery being different to the adjacent road. You couldn't make it up! The up-shot is that the facility sits unused whilst someone organises the connection of a secure telecommunications link from the old surgery site to the new one.

When will the new surgery open? Mid-May, perhaps... if BT and Open Reach can finally start talking to each other.

RINGING THE CHANGES AT THE BELL

With 30 years experience, Nev and Michelle have recently taken over The Bell Inn and tell us that they have been overwhelmed by the support of the village.

"Everything from the new outside seating area to our FISH AND CHIP NITE have been welcomed and supported immensely.

Follow us on Facebook for regular updates of our entertainment programme and food theme nights.

A family pub and dog friendly, we look forward to seeing you all at The BELL INN, soon..."

Friends of Bosworth School

SAFARI SUPPER

Saturday 19th May
7.30pm - late
Start Venue: The Watering Hole (aka Village Hall)
£15 Per Creature

3 Course Meal - Stroll around the village - Different house for each course - Return to the hall for a prize draw, coffee and liqueurs - Opportunity to meet new people - Bring your own booze! - Raise funds for the school.

We invite attendees to volunteer to host a course - a financial contribution will be given to help towards the cost of ingredients.

BUGLE POSTBAG

From Helen Shepherd, Church Lane

I wondered if you can put a note in the *Bugle* to thank the Springfield Supermarket in the village for keeping open and supplying customers with all their requirements during the bad weather we have had this winter.

I think Mr. Holyland and the staff need a 'pat on the back' for keeping the shop open and pretty much having supplies of everything customers needed to save trying to get into town.

From Karen Roffe, Kilworth Road

There is much talk lately about the extent of the dog fouling taking place in Husbands Bosworth, and I have to agree that it is rife. In particular in the grass verges that run alongside the track off Butt Lane.

I too am a dog owner and like nothing better than taking my dog for a walk, and feel that I am responsible and always, always pick up after my dog. I would be mortified if I failed to do so!

However, I do not like the fact that I am beginning to feel as if I am being targeted as a potential irresponsible dog owner... to the extent that I have had someone question whether I was allowing my dog to 'do its business' when walking her down a lane (which as far as I am aware is not a private lane).

Please do not tar those who are responsible with the same brush as those who are blatantly not bothered about picking up after their dogs. I can assure you that I always carry poo bags and use them, and would be happy to supply any dog owner who has been caught short or neglected to take bags with them. We should not be assumed to be guilty just because we have a dog! I love this village and that we work together as a community, please don't let this get out of hand.

From Lorrie Forman, Millennium Wood Trustee

The Millennium Wood volunteers were disappointed recently to find the picnic table at the lower end of the wood had been badly burnt by a portable BBQ, which has caused a lot of damage to the table. Rather than ban BBQs in the Wood, it would be appreciated if they were not placed directly on the picnic tables. Also, great care should be taken when disposing of these extremely hot items.

POLICE FILE

We have seen a spike in reports regarding fraudsters purporting to be from the Telephone Preference Service, cold calling you and offering a paid-for call blocking service.

Please be aware, the Telephone Preference Service (TPS) is FREE. You should never be asked to pay for it, and the TPS will never make unsolicited phone calls in order to sign you up. Once your phone number is on the register, it stays there forever. You do not need to re-register and you certainly do not need to pay for renewal.

The TPS is the only official UK 'do not call' register for opting out of live telesales calls. There are other companies that offer a commercial alternative to the TPS and may charge for their service. However organisations making live telesales calls are not legally obliged to check against any of these alternative registers. You can sign up to the TPS on-line or you can phone them on 0345 070 0707.

BOSWORTH IN FOCUS

A TASTE OF BOSWORTH

A firm family favourite, very easy to make and will freeze well. Ideally served with fresh French bread or Melba toast

Smoked Mackerel Paté

Ingredients

350g smoked mackerel

100g cottage cheese, sieved

200g butter (split into 2 x 100g both melted)

2 tablespoons creamed horseradish

Juice of ½ lemon

3 tablespoons single cream

Salt and freshly ground black pepper

Garnish with slices of lemon and sprig parsley

Method

Remove the skin from the mackerel and mash the flesh. Add the cottage cheese, 100g melted butter and the remaining ingredients. Blend well. Spoon paté into a serving dish and smooth the top. Use the remaining 100g of butter and pour over the paté. Arrange the lemon slice garnish on top and place in the fridge for the butter to set. Top with sprig parsley before serving.

To freeze

Cover seal and freeze. Thaw at room temperature for 4 - 6 hours

Jackie Kerr

WILD ABOUT BOSWORTH

May Bug - *Melolontha melolontha*

May Bugs are much less common than they used to be. In the Middle Ages, they could appear in swarms of biblical proportions, but modern pesticides have decimated their numbers. They are making something of a comeback and are sporadically seen in the village. As their name suggests, they surface in May and begin their hunt for mates and food, oak leaves being a favourite. In truth, their buzzing flights are best described as crashing with style!

They are about 25mm to 30mm in size and live for about six weeks in their adult form, during which the females lay eggs in the soil. About three weeks later, the eggs hatch into larvae. These lie dormant during the colder months but spend spring and summer munching on plant roots, including valuable food crops. During their third winter the larvae pupate and wait for spring, when they leave their subterranean existence for their moment in the sun. The adults sport a pair of feathery antenna, which the males use to home in on the sexual pheromones broadcast by the females. They also have excellent eyesight, with compound eyes comprising 5,475 facets each (who counts these?). It's true May Bugs can look a little scary, but they are totally harmless. The pointed *pygidium* on the females is for egg laying, not stinging. Indeed, the literature says May Bugs are edible, but remove the wings and legs first!

In the fourteenth century, the larvae caused so much devastation around Avignon in southern France that the town put them on trial. When the bugs failed to comply with an order to move to a designated area, they were sentenced to death!

They are also known as Cockchafers, (no snickering please). Cock meaning male, dynamic or vigorous, and chafer from the Anglo-Saxon for a beetle.

Mike Chanter

NEIGHBOURHOOD PLAN UPDATE

As the *Bugle* goes to press we have the initial assessment of the Questionnaire undertaken during March.

Of particular note, at this juncture, is the response, with 448 returns, representing 625 parishioners - a remarkable result!

A brief look at the draft assessment document confirms the community's recognition of the importance of the rural setting and character of the parish, and the transfer of these values into any new-build projects. It also indicates strong support for village facilities and amenities. Look out for more information in next month's *Bugle*.

FOXTON LOCKS FESTIVAL

Foxton Locks Festival is back and it promises to be bigger and better than ever...

The Foxton Locks Festival has become one of the most eagerly anticipated weekends in the calendar, thanks to its unique combination of live entertainment, toe-tapping music and delicious selection of locally sourced food and drink.

This year we are pleased to announce that thanks to the generous support of Lottery Funding, the festival will include even more events than usual (including two top flight music acts) - helping to ensure that the festival really does offer something for everyone!

This summer sees the festival return for its ninth year and with two absolutely jam-packed days, visitors of all ages will be spoilt for choice from the moment the gates open at 10.00am on Saturday, June 16th.

The locks will be 'dressed' for the occasion, with trading and heritage boats on the canal creating a scenic display for passers-by and festival goers alike. Set against the historic backdrop of Inclined Plane boat lift and the famous 10 lock staircase, the event promises to be fun day for all the family.

WOODPECKER TREE SURGERY

All aspects of tree-work undertaken from dismantling large roadside trees to pruning and reshaping small garden trees.

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Alan Eathorne

Over the Easter holidays one of our pupils, Tia Ascough, took part in the Leicestershire Cross Country Championships. Here is her reflection:

'During the Easter holidays I represented Harborough schools to run against other children from around the county. I ran across about 7 hills and when we were going up one of the hills a girl's shoe fell off. I tried my best and I came 25th out of 80 children that represented the

other areas of Leicestershire. I started crying at the end because I was so proud of myself.'

We are really proud of Tia and we think this is a brilliant achievement - well done! We know all our cross country runners will keep practising ready for next season.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

We recently ran an article featuring some interesting items that family history researcher, Sue Church, had unearthed whilst transcribing Husbands Bosworth Burial Register. Often, with family history research, a snippet of information can send you off on a wider journey of discovery. One such journey started with

the burial of William Thomas Wells in 1949, and a scribbled note next to the entry in the Register, which Sue followed up in the local newspaper archives.

William was a retired gardener, of Mowsley Road, who tragically died when he was struck by a train on the Mowsley bridle road level-crossing. The Coroner's Court inquest heard that Mr. Wells was first spotted as he approached the closed crossing gates when the engine was 50 yards from the crossing. A witness on the engine footplate testified that he saw the person open the hand-gate and start to cross the track. The engine, which was travelling at 40 miles per hour at the time, struck the man and spun him around. The inquest heard that the crossing gates were kept shut, except when anyone needed to cross, and the hand gate was not locked. The engine driver testified that he had been a driver for 12 years and frequently travelled on this line and had blown the whistle as he approached the crossing, as he always did.

Mrs. Wells, the widow, said that her husband left the house after lunch to go for a walk. Although in good health, his hearing had deteriorated and she frequently had to shout to make him hear. The village policeman, PC. Herbert, noted that the deceased was lying between the lines with sticks scattered around, as if he had been carrying firewood when struck by the engine. Dr. Jones of Husbands Bosworth attended and concluded that the deceased had died of injuries consistent with being struck by the engine.

Market Harborough Advertiser and Midland Mail, Friday, September 16th 1949.

FOBS NEWS

A very big thank you to all the families that donned their snow-suits and braved the FOBS Easter Trail. We raised a total profit of £176. Big thanks to the twenty-two homes that had displays - they were fantastic and so much effort had been put in.

The Davies family scooped the best display award with their super Tarzan film windows.

SCHOOL GOVERNORS NEEDED

Would you like to have a say in the running of our village school? Anyone over the age of 18 can be a governor, and you don't need to be a parent. Younger candidates and those with specific skills are actively encouraged to apply.

For more information please contact the Chairman of the School Governors, John Hallissey: john@john-james.co.uk or directly by phone on 07739 161177.

HISTORICAL SOCIETY

The Society's winter programme closed with the Annual General Meeting followed by the story of Rockingham Castle and the Saunders family, who have lived there for 650 years.

Chairman Melvyn Forman thanked the Committee members for their support during the year and the membership for their interest.

To close the Society's year we will be travelling to Foxton Locks for our social evening, where we will be visiting the Boiler House Museum, under the guidance of curator, Penny Arscott. We will meet on The Green at 6.30pm. Non-members and friends are invited to join us for the evening.

Preparations are under way for our next year's Winter Programme, which will start in September. Topics will include family history research, the witches of Leicestershire, the archaeology of Leicestershire's parks and the story of aviatrix, Amy Johnson.

For details call Melvyn on 880281.

VILLAGE LUNCH

The next Village Lunch will be on Thursday, May 31st at Kilworth Springs Golf Club, meeting at 12.30pm.

The Village Lunch is a great way for those new to the area, newly retired or living alone to meet old friends and make new ones. The cost of the two-course meal, including tea/coffee and mints is only £10 per person. Call Janice on 880668 to book a place or for more details.

MILLENNIUM WOOD

The next woodland work party at the community woodland off Mill Lane, will be on Saturday, May 19th. 9.30am to 12.30pm. Come along for a free work-out in the open air...New volunteers are assured a warm welcome, a cuppa and biscuit! Call Jackie on 880910 for more information.

TENNIS CLUB

It was disappointing that only two Tennis Club members attended the Tennis Club AGM on April 11th. Enrolment was somewhat down on last year but we hope that by the time you read this more of you will have become Tennis Club members.

The coaching sessions for the older children is already full but as I write this there is still space for the 4 to 7 year olds on Thursdays from 4.15pm to 5.00pm. If you would like your child to join the coaching please contact Bonnie Kettell on 882148.

The Wimbledon draw took place and George Walker and Jacky Harrison were successful.

VILLAGE HALL NEWS

The Village Hall AGM will take place on Tuesday, May 8th, 7.00pm to 8.00pm. Anyone who is interested in getting involved, or those just wanting to comment on the way the Hall is run, are welcome to attend.

PARISH COUNCIL NEWS

Report of the Annual Parish Open Meeting held on Tuesday, April 3rd 2018.

Four Councillors and 2 members of the public were present.

Apology received from Bozena Kuncewicz, Clerk to the Neighbourhood Plan Committee.

Visitors' Questions

■ Concerns were raised about the emptying of dog bins, some of which seem to fill faster than others and thus tend to overflow. Clerk was asked to see if the contractors were still working to a schedule.

■ The state of lower Broad Lane and the canal access was discussed. Farm and sewage plant traffic was the main cause of contamination, but this would be less of a problem and could be dealt with if the surface was tarmac sealed. Clerk was asked to contact Highways again on this matter..

The Ordinary Parish Council meeting followed the Parish Open meeting.

Minutes of the last meeting were read and approved, with two amendments.

Matters Arising

■ No further contact had been received from Canal and River Trust regarding adoption of 'our' stretch of the canal. It was understood that CRT were looking at what work was needed and costing the job.

Neighbourhood Plan

■ The Clerk to the NP Advisory Committee had prepared a report outlining progress, which was read out. Initial impressions were that the Questionnaire had been well received and a high number of responses had been returned.

Cemetery

■ The Verger's refuge behind the Chapel of Rest had been cleared out and a pallet of about 200 Victorian bricks had been rescued. (Anyone interested in taking these is asked to contact the Clerk)

Playing Field & Pavilion

■ Council noted that the broken window had still not been repaired. Chairman to follow this up again.

■ The provision of an outside light to illuminate the sign and approach from the roadside was discussed. Clerk agreed to contact an electrician.

Allotments

■ It was noted that Renewals had gone out and three plots were vacant. (Anyone interested in taking on an allotment should contact the Clerk)

Traffic Issues

■ Chairman agreed to set up a meeting with Highways, County Councillor Blake Pain, Davidsons and the Parish Council to discuss the temporary speed restrictions and accesses onto Welford Road.

S106 Developer Funding

■ Chairman had had a meeting with the HDC Community Liaison Officer regarding criteria for S106 funding for village projects and organisations. Projects must be of community benefit. Provision of new facilities or upgrades of existing facilities, which would make them more accessible, would be considered, but funding for maintenance or repairs wouldn't.

Planning Matters

■ Notice had been received that the 5 home Butt Lane development would go to Planning Committee.

Correspondence

■ The Beaver group were seeking permission to carry out some planting on The Green. Council suggested that they plant bulbs, as these would require little maintenance after planting.

Staffing Matters

■ Four applications had been received in response to the vacancy for the post of Parish Clerk. Council discussed short-listing and interview procedure.

Parish Office

■ Members discussed equipping and furnishing the Parish Office. Some work had been carried out on fittings and some refurbishment.

Date and time of next meeting

The next meeting will be on Tuesday, May 1st, 7.30pm Committee Room, Village Hall.

(Councillors to meet prior to the meeting at the Play Area.)

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

FROM THE RECTORY

The message of Easter is that Jesus died for us, in our place, it is us who benefit from his death. We are the ones who get things wrong and deserve the consequences, but Jesus, on the cross, takes the consequences that should be ours. We might wonder why Jesus would do that. I recently came across an extract from a post written in 2014.

'The love of God needs no because. He does not give his love because of something that you've done. He does not give his love because of something he will gain. He does not give his love because it's something you have earned. He gives his love with no because. We come at love with conditions; you can take it or leave it. God comes at love with no conditions: I'll take you and I won't leave you. We might, in rare instances, show love by dying for someone we deem worthy. God, in all instances, showed love by dying for us. While we were still rebelling against God's love, Jesus said, 'I lay down my life... No one takes it from me, but I lay it down of my own accord.'

God is love - that's his nature; Jesus demonstrated that love by laying down his life to take the blame for what we do. Love needs no because. Love is there for you too - just receive it.

Liz

LADIES PRAYER GROUP

Reverend Liz will be hosting a Ladies Prayer Group meeting on Thursday May 31st at 7.00pm at The Rectory, Honey Pot Lane, Husbands Bosworth.

All are welcome to attend.

CHRISTIAN AID WEEK

During Christian Aid week, which this year falls in the week commencing Sunday, May 13th we will be focussing our prayers and donations on those stricken by recent natural disasters. Places like Haiti, where a string of earthquakes and storms have brought misery to some of the poorest people in the world. Following a devastating earthquake in 2010 Christian Aid undertook a programme of civil engineering and reconstruction that saw over 700 homes rebuilt. Better understanding of the constructional problems and education enabled these homes to weather further devastating storms in 2016 and 2017.

Christian Aid has over 70 years' experience of supporting communities in need. When disasters happen, Christian Aid is often the first agency to respond.

ALL SAINTS FLOWER ROTA MAY:

Janice Staples

Call Heather O'Connor on 880165 if you would like to join the Flower Rota
