

SHOW AND SHINE...

The Show organisers are pleased to announce that the Horticultural and Craft Show was a resounding success, which is all down to the people who helped and supported the show, the sponsors, and those who entered their exhibits.

A big thank you to the people who helped to prepare the hall and help clean up after, those that baked cakes and helped on the day - in the kitchen, on the tombola, taking entries, organising prize cards and so much more and, of course, all the people who came to the show, to see and enjoy all that was on offer. None of the above would have been possible without your support and encouragement. We have made a small profit which will be shared amongst local charities and village good causes.

The heart of the show is not about how much money we make - although this is a fantastic bonus - but about the community entering into the spirit of light-hearted competition, admiring the different exhibits, winning on the tombola or simply enjoying a cup of tea and a homemade cake (and catching up on village gossip)!

Our Judges are qualified and provided by the Leicester & Leicestershire Horticultural Judges Guild. They receive formal training and, this year, together with our two trained judges, we welcomed a student judge. They spent over two hours carefully assessing the exhibits - this year we had 52 entrants and a total of 217 exhibits - they carefully examine, taste cakes, jams and home brews and then make their final decision and remain at the show to answer any questions. A big thank you to our judges, for their time and enthusiasm.

Prizes were awarded as follows:

DID YOU KNOW... *Husbands Bosworth Show has been running for at least 140 years! Recently found in the Historical Society Archives is a show pamphlet dating from August 1879.. At that time the show was held jointly with Theddingworth... and it seems that livestock was also included in the show - not sure we will go quite that far next year!*

Once again thank you, and we look forward to welcoming you and your families next year.

We would like to take this opportunity to thank the following sponsors:

Languard Ltd (HB), Dr. & Mrs Murphy, The Dog House (Gilmorton), Throgmorton Associates Wealth Management Limited (Enderby), Oscar Pet Food (Northampton), Sophie Taylor Make Up & Beauty (HB) and Husbands Bosworth Parish Council.

SAVE THE DATE! A provisional date has been set for next year... August 30th 2020.

MEDICARE

Those of us who have cause to use Husbands Bosworth Medical Centre know how lucky the community is to have such a good facility on our doorstep. Now we hear that the practice has been voted one of the top 10 practices in Leicestershire in a recent patients' poll. In the NHS-sponsored patient survey of GP practices, patients were asked to rate key areas of service, including ease of getting appointments, opening times, trust in the medical staff, the understanding nature of the health professionals, the helpfulness of receptionists and the overall perception of the operation of the practice.

In the survey of Bosworth practice, 99% of respondents overall were happy or satisfied with their recent experiences at the practice and it was rated sixth overall in the county.

CONKERS & WELLIES ARE READY!

COPY DEADLINE
15th OF THE MONTH
PRECEDING PUBLICATION

POLICE FILE

Summer is coming to an end and the mornings are definitely getting darker, as are the evenings. Across the board of late there has been a reduction in house crime. There has been a recent spike in theft from parked motor vehicles across our area. Please remove all personal items, valuables and tools from vehicles when they are parked up overnight.

We have also seen an increase in theft of vehicle parts, with catalytic converters being targeted again. Other parts from vehicles have also been professionally removed, presumably for onward sale.

So as the nights start to slowly draw in I would like to remind folk to leave a light on or use a light timer and lock up if going out. Consider security lighting - you can get quite good ones now that operate on solar power. Stay safe...

BOSWORTH IN FOCUS

A TASTE OF BOSWORTH

Spicy Paneer Parcels

These tasty snacks provide an interesting vegetarian starter to an Indian meal or a simple snack. Serve with Mango Chutney.

Serves 2

Ingredients

1 tablespoon vegetable oil
1 teaspoon black mustard seeds
1 small onion, chopped
1 small red pepper, diced
1 red chilli, finely sliced (seeds removed if you don't like hot)
1 garlic clove, crushed
2 cm piece of root ginger, grated
1/4 teaspoon turmeric
85g frozen peas
100g cooked or tinned potatoes, diced
100g paneer, diced
1 teaspoon chopped coriander
3 fresh filo pastry sheets
25g melted butter

Method

Preheat oven to 200°C/Fan 180°C. Heat oil in a pan and cook mustard seeds over a medium heat for 1-2 mins until they start to pop. Stir in the onion, pepper, chilli, garlic and ginger, and fry for a further 3-4 mins until softened. Stir in turmeric and fry for further 1-2 mins. Add the peas, diced potatoes, paneer and chopped coriander and stir thoroughly to coat in the spice mixture. Remove the pan from the heat and season with salt and pepper.

Cut the filo pastry in half lengthways and brush the edges with some of the melted butter. Spoon a tablespoon of the spicy paneer mixture onto the bottom corner of each length of filo and fold the opposite corner over to meet the edge to make a triangle. Continue in this way until the length has been used up and is now a filled triangle parcel. Repeat for each ½ sheet to produce 6 parcels. Brush the parcels all over with melted butter and place on a baking sheet. Cook for 10-15 mins until golden and crisp. Serve straight away.

WILD ABOUT BOSWORTH

Daddy Longlegs spiders-*Pholcus phalangioides*

Oh, what a tangled web we weave...

Arachne, a Greek shepherdess, was an extremely talented weaver. So, when the goddess Athena challenged her to a weaving contest, Arachne accepted. A big mistake, not because she lost, but because the Greek Gods were sore losers. When Arachne won, Athena condemned her and her offspring to forever live as spiders.

Meanwhile, science tells a more prosaic tale; notably, of a web trapped in amber 110 million years ago, and evidence that spiders have existed for 350 million years.

Over the aeons, spiders have developed numerous ways of using their silk to capture prey. The daddy longlegs' tactic is to weave a haphazard web of threads to entangle its victims; typically, high up in a corner. As its quarry struggles through the maze, the web owner casts additional restraining cords, then pounces and envelopes its meal in a silken cocoon. It's now that the hunters long legs prove their worth, by keeping its head and body out of range of its quarry's weapons. After it is immobilised, a venomous bite tenderises the unfortunate victim, prior to consumption.

Understandably, as they feed on midges, mosquitoes and nasties, such as the Australian black widow, in many locations, daddy longlegs are welcome house guests! It's said their venom is extremely powerful, but their fangs are too short to penetrate human skin. However, both these 'facts' are myths. Experimentation has shown that a daddy longlegs bite produces a mild burning sensation, which lasts for just a few seconds.

Lastly, crane flies are sometimes confused with daddy longlegs. The differences are that crane flies have wings and six legs, not eight. Of the world's 40,000 species of spiders, doubtless to the relief of arachnophobes, none have evolved wings... Yet!

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Alan Eathorne

I am delighted to be able to share the report from the school's recent Ofsted inspection. The inspector judged that the school continues to be good. We are really pleased that she recognised the strengths of the school, the hard work of our dedicated staff team and that the report celebrates the impact of our work since the last inspection. We are pleased that during the inspection the inspector was able to sense what a great school it is and the important role it plays in the community. We are also happy that she agreed with the priorities we have set for continued improvement and has given us a report which will support the school in its development journey. We were very proud of our pupils who were a credit to the school and their families throughout the inspection. The full report can be found on the school's website and on the Ofsted website.

Our new children have settled into school life wonderfully. We now have 96 children on roll, which is brilliant. This has risen by 20 children over the last three years. The reputation of our great school and community is recognised far and wide!

On Wednesday, October 2nd we will be holding an open morning, 9.15am -10.00am, for children who are starting school in August 2020. Parents and children are welcome to join us to find out more about what makes our school such a fabulous place to learn. If you are unable to make this date then please contact the office (01858 880212) and we will be able to organise another opportunity to view the school and ask questions.

THE KID'S CAFE

A new kid's café - aimed at pre-schoolers, toddlers and their families - has recently launched in Husbands Bosworth. The Pop Up Café offers arty-crafty fun for little ones and barista-style coffees, homemade cakes and treats for mums and carers and is the idea of local mum, Georgie Willock. The Pop Up Café offers a blend of café culture and playgroup fun for families, where children are welcome to be children. Meanwhile the adults can enjoy award-winning, locally produced Jute coffee, homemade cakes, organic teas and a range of cold drinks whilst catching up with friends. Being a drop-in pop-up means people can come and go as they wish without having to pre-pay for sessions which they can't always make. 'Popping up' at Husbands Bosworth Village Hall on Mondays 10.00am -12.00pm, each café session costs £5

per child (adults & babies free) and includes a craft activity which changes each week, loads of colouring, freshly made play dough to play with, cutting, sticking and painting. Sessions are themed and all materials are provided, plus children receive a 'goody bag' which allows them to take their artwork home.

For those without children, but who fancy a decent coffee and slice of cake - a quiet room has also been set aside in the hall - so all local residents are welcome!

SULBY GARDENS

Following the success of the last two years, we will again be hosting a two-day Apple Day event at Sulby Gardens in October. We will feature an amazing display of apple varieties - over 120 varieties were displayed last year - and the orchard and other apple growing areas will be open, with notes about each tree. The new season's Sulby Gardens Apple Juice will be on sale and there will be apple-themed cakes for tea! Horticulturalist, Bill Barker, will be available at specific times each day to answer your apple-related questions. Jacky's beautiful ceramics, and Katy's gorgeous cards and pictures will also be on show on the Thursday. Entry to the Gardens is only £4 for adults, free for children. Tea and homemade cake £3 per head. Stout footwear recommended.

Opening times: Thursday, October 10th 1.00pm - 4.00pm

Friday, October 11th 11.00am - 4.00pm

Sulby Gardens, between Welford, Sibbertoft & Husbands Bosworth.

Present: Full Council and 1 member of the public.

The Minutes of the previous meeting were read and approved.

Matters arising from the Minutes

■ District Councillor Amanda Nunn had opened dialogue with LCC Transport concerning the future of the 58 bus service and had been assured that the service would continue until the end of 2019. A review would be undertaken at that point. Clerk was asked to contact LCC direct and press for a more firm commitment in order that Council could forward-budget for any necessary community contribution.

■ No further progress had been made regarding signs for the pavilion. Clerk was asked to chase this up and request mock-up photos for consideration.

■ A number of traffic and highways issues had been raised with LCC Highways but no response had been received.

RoSPA Safety and Condition Report

■ Council discussed a number of minor issues that had been highlighted in the Safety Report and during a site visit to the Play Area and Skatepark prior to the meeting. Clerk was asked to contact the contractor and arrange for the necessary work to be carried out.

Neighbourhood Plan Community Actions

■ Council discussed the Appendix M Community Actions section of the submitted Neighbourhood Plan. This section had evolved whilst compiling the Plan and from community consultation early in the process. Council agreed a programme of priority for the proposals.

Scout Hut Lease

■ Confirmation had been received from 1st Kilworth Scouts agreeing to the terms of the revised lease and Clerk was asked to arrange for the new lease to be drawn up and signed.

Playing Field Committee

■ Council agreed to wind-up the Playing Field Committee and devolve remaining management responsibilities to Council. It was agreed to contact the members and advise them of the decision to wind-up the committee and thank them for their work and contact the Cricket Club to arrange for redundant equipment stored at the pavilion to be removed.

Hedge and Tree Encroachment

■ A number of issues relating to overhanging vegetation had been raised by villagers over recent weeks and it was agreed to make a survey of problem areas with a view to contacting the householders or landholders.

Allotments

■ Council discussed minor revisions to the Allotment Tenancy Agreement, which will come into force with future lettings from March 2020, when a review of charges will be made.

Wilding of the cemetery

■ Proposals to set-aside unused parts of the cemetery for wildlife conservation were discussed. It was agreed to follow Leicestershire Wildlife Trust advice and carry out a condition survey in the spring before taking any further action.

Any other business

■ A meeting had taken place with Canal and River Trust (CRT) property managers with regard to finding a sustainable use for the redundant warehouse building at Welford Wharf. Mr. Forman informed Council that at the present stage CRT are seeking expressions of interest.

■ Clerk was asked to contact Highways with regard to the faulty speed indicator device on Welford Road.

The next Meeting of Husbands Bosworth Parish Council will be on Tuesday, October 1st 2019.

A full copy of the Minutes can be viewed or downloaded at: www.husbandsbosworthpc.org.uk or by request to the Parish Clerk.

FROM THE RECTORY

Here is a poem to ponder on. It is used on a number of websites about mindfulness, though it first came to my attention when done as a solo on *Songs of Praise* some years back. It has something to say both about living in the moment - not longing for what's gone and not yearning for an imagined future, but can also be understood in a religious context, that the pearl of great price is in fact God, and is about finding God in the world around us. We can so easily pass by what is of greatest importance to us and not realise what we've got till it's gone. If we are perceptive and wise we may recognise love, and joy, beauty and even God's presence in the world and stop to appreciate it while it is there.

*I have seen the sun break through
to illuminate a small field
for a while, and gone my way
and forgotten it. But that was the
pearl of great price, the one field that had
treasure in it. I realise now
that I must give all that I have
to possess it. Life is not hurrying
on to a receding future, nor hankering after
an imagined past. It is the turning
aside like Moses to the miracle
of the lit bush, to a brightness
that seemed as transitory as your youth
once, but is the eternity that awaits you.*

R S Thomas

What is your pearl of great price, your treasure? Are you paying attention to it and do you cherish it? Will it stand the test of time and endure?

When you can, live life a little slower and linger to smell the roses. Take a moment and open yourselves to discovering the possibility of finding God in our world, and find yourself loved and strengthened. Yours, planning to do the same...

CHURCH MUSIC GROUP

There are six singers in the Church Music Group and we would welcome more. At the moment we are looking for a pianist to play for our practices and for the Benefice Service, which is held on the third Sunday of each month. It is not a big commitment, as we only sing once a month at The Benefice service, usually two or three hymns or songs while the congregation is taking communion. We try to have a practice once a month, although this is not always possible, so would be happy with every two months. If there is anyone who would like to help us or join us please let me know. ALL SAINTS HARVEST FESTIVAL Sunday, October 13th

We will celebrate Harvest at the 11.00am service. Gifts of packet food and tins would be welcome, (treats of nice biscuits, cakes or chocolate could be included). These offerings will be given to either the Lutterworth Food Bank and/or the Salvation Army.

After the service there will be a Take and Share buffet lunch to which everyone is welcome. If you would like to contribute please contact Di Jones on 880741, so we don't have a sausage roll mountain!!!!!!

You do not have to contribute if you are unable, you will still be very welcome - there is always more than enough food to go around!
