

**WELCOME TO OUR NEW PARISH COUNCIL MEMBERS!**

**O**ur six Parish Council members all stood down as Councillors in early May, as required by law. Three stood for election again for the new 4-year term and, as there were no other contenders, all three were re-elected with no contest.

This left vacancies for four other Councillors as, with the increasing population of the parish, we are now permitted seven councillors in total. We then advertised for anyone interested in co-option to get in touch and received quite a bit of interest. We have now completed the selection process and are now delighted to welcome four new co-opted councillors to the fold...

**Your new Parish Council now consists of:**

- ☐ *Patricia Hobson (Chair), re-elected*
- ☐ *James Bolter (Vice-Chair), re-elected*
- ☐ *Melvyn Forman, re-elected*
- ☐ *Tom East, co-opted*
- ☐ *Kay Gallagher, co-opted*
- ☐ *Bozena Kunciewicz, co-opted*
- ☐ *Gareth Peel, co-opted*

We are now very pleased to have seven people on board who are very keen to serve the best interests of the Parish, and who have a very wide range of experience, knowledge and interests. However, the Council can't operate without two very important members of staff: Derek Watson, our Parish Clerk, usually to be found at the Parish Office, 2a Mowsley Road, and Steve Lydiatt, our Caretaker, who you may have seen cleaning and tidying around the Pavilion, Recreation Ground, Play Area, Cemetery, etc. Do stop and say 'Hi' when you see any of us around.

Last but not least, a big thank-you to our retiring councillors, Bill Fletcher, Jackie Fletcher and Heather O'Connor for their commitment over the years. You are due a rest!

*Patricia Hobson, Chair, Husbands Bosworth Parish Council*

**DISTRICT COUNCIL - HOW WE VOTED...**

**J**ust in case you missed it, the votes are in, and here are the results of the Bosworth 'jury'... in the recent Bosworth Ward Council contest.

NUNN, Amanda Louise	Conservative	443	<i>Elected</i>

**SCHOOL SUMMER FAIR**

**T**he Friends of Bosworth School will be holding Husbands Bosworth School Summer Fair this year for the first time in many years. This is a fantastic opportunity for the children to come together and have some fun and raise vital funds for the school. All money raised goes back to the school to enhance the educational experience of the children at Husbands Bosworth C of E school. It will be held on Sunday, July 2<sup>nd</sup>, on the school playing fields, from 11.00am to 4.00pm. Entrance will be FREE for all.

FOBS would like to invite the whole community to participate, with donations for the secondhand book stall and a special chocolate tombola, but to make the day a success we need your help.

Please bring any donations of books to the school and place in the collection bins, which will be put out for donations in the run up to the event or contact Claire Gilbert 07980 545686 to arrange collection or deliver to 1a Hunters Close - under the carport.

We would also welcome volunteers to help run stalls on the day as we are only a small committee. Please contact Claire Wright 07903359602 if you feel you can spare a few hours.

We will also be soon selling raffle tickets with amazing raffle prizes, which include Leicester Tigers tickets, Mini Meadows Farm Park vouchers, Fosse Meadows BBQ box, House of Artistry vouchers and more! Raffle will be drawn at the event.

For more information and up to date event information please follow our Friends of Bosworth School Facebook page.

We look forward to seeing you there and thank you in advance for your help in making this a success.

## BUGLE POSTBAG

*From Karen Roffe, Horticultural & Craft Show*

Preparations for this year's Husbands Bosworth Horticulture & Craft Show are on track. As a reminder the show will be held on Sunday, August 6<sup>th</sup> in the Village Hall and we aim to have the schedule available by the end of June or the beginning of July.

In the meantime, can I remind all the prize cup and shield holders from last year's show that these need to be returned as soon as possible either to Eleanor Murphy, The Old House, Honey Pot Lane or to me, at 3 Green Lane. (I can collect if anyone is experiencing difficulty in getting out.) Thank you.

Please call me on 0752 3146227 or email me [kide.1962@gmail.com](mailto:kide.1962@gmail.com).

*From Thankful Villagers of Bosworth*

I'd like to thank the Parish Council for putting on the Party in the Park on Coronation Day. Despite the threatening weather it was good to see so many villagers and children enjoying themselves in the afternoon and evening on the hall lawn, especially bringing new comers into this lovely friendly community where we live. The bands were excellent too. Well done!

*From Linny Beaumont, East Midlands Regional Director, Canal & River Trust*

In light of the pressures faced by the canal network, Canal & River Trust (CRT) has made the decision to remove many of our towpath bins in order to prioritise funds for vital canal repairs. The Trust currently spends around £½million a year emptying bins - money that is needed to help look after and keep open the canals.

Whilst refuse facilities for boaters' waste will remain, unfortunately the dog waste bin at Welford Wharf Sanitary Station, which is emptied weekly at a cost of about £170 per year, will be removed from the end of June. We will be asking people who benefit from visiting the local canal to follow the Countryside Code by taking their waste back home with them.

We will be continuing our Plastics Challenge campaign, which encourages responsible use of the waterways and towpath clean-ups with the support of our volunteers and the wider community.

## SCOUTING FOR BOSWORTH

The 1<sup>st</sup> Kilworth Scout Group recently took part in a St. George's Activity Day at Ullesthorpe Camp Site - the rain held off and much fun was had by all - the zip wire and the s'mores went down particularly well!

Beavers were also at Ullesthorpe Camp Site again for a joint meeting with Lutterworth Beavers. They made a campfire, sang campfire songs, made s'mores and made new friends.

Our group is also looking for adult volunteers, not only to help out at weekly meetings, but also a new Group Scout Leader. While experience of working with young people or in the volunteer sector or even in Scouting itself is desirable, what is most essential for this role is the ability to manage adults effectively. Foremost, we're looking for an enthusiastic member of the community who gets on well with others and is willing to learn. If you want to get involved with Scouting, whether helping at our weekly meetings, or as a Group Scout Leader, then please get in touch: kilworth@southleics-scouts.org.uk

## BOSWORTH SKY AT NIGHT

The night sky never really gets dark in June although bright objects can still be seen - Venus and reddish Mars, with a thin crescent Moon near them on the 21<sup>st</sup> and 22<sup>nd</sup>.

This month the Sun reaches its highest in the sky. Known as the Summer Solstice this occurs at 3.57pm on the afternoon of June 21<sup>st</sup>. The Summer Solstice has always been a mysterious event for human beings over millennia. It is thought Stonehenge and many other enigmatic archaeological monuments may have been constructed to align with the rising sun on Midsummer Day and even today rituals are held to celebrate this event. The earliest sunrise of the year will be at 4.48am on the morning of June 17<sup>th</sup> and the latest sunset at 9.40pm on the evening of June 25<sup>th</sup>, with twilight lasting nearly until 11.00pm. Double summer time during WWII and in an experimental period 1968 - 1971, gave an extra hour of daylight when it didn't get dark until around midnight at mid-summer.

On a clear evening, and if conditions in the atmosphere are right, silvery-blue Noctilucent Clouds (NLCs) can be seen in the twilight sky between 1½ and 2 hours after sunset and a similar time before sunrise. For the middle of June sunset is 9.30pm so look for them after 11.00pm and around 3.00am in the morning as sunrise is 4.40am. NLCs are not astronomical objects out in space but high altitude ice clouds up in the atmosphere, basically thin sheets of tiny ice particles at an altitude of between 60 and 80km. At this height NLCs reflect sunlight when the Sun is below the horizon. The picture shows bright noctilucent clouds over the rooftops of Husbands Bosworth early in the morning on 28 June 2022. The dark clouds are normal clouds much lower down in the atmosphere.

## WILD ABOUT BOSWORTH

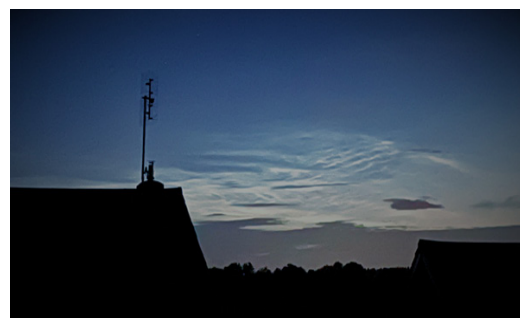

### Dog Rose *Rosa Canina*

The name Dog Rose comes from the early belief that the root was a cure for rabies. Those of us who have encountered this shrub will be well acquainted with its hook-shaped barbs. These aid the plant in its quest to reach the sunlight by clambering over competing vegetation, sometimes reaching heights of four or even five metres. Its attractive pink/white flowers prettify hedgerows and woodland margins in June and July, providing a valuable nectar source. The blooms are pleasant smelling with five petals and a large array of stamens. If you are looking for a sweet treat while out and about, the petals are edible and have a faint Turkish Delight flavour. Birds such as blackbirds, redwings and waxwings and small mammals also include rose hips as part of their autumnal diet.

Later in the year you might spot a curious ball of red threads attached to a stalk. This is a 'robin's pincushion' and it grows into a nest for the larvae of the *diplolepis rosae* gall wasp.

The hips, which hold numerous hairy seeds ripen about this time. The bright red flesh is a valuable source of vitamins C, A, D and E, and historically it has been used to ward off and cure scurvy. Additionally, they contain an anti-inflammatory which relieves the symptoms of arthritis. Archaeologists have even discovered that our ancestors were eating them over 4,000 years ago! Many of us will remember our mothers treating coughs and colds with the pleasant-tasting rosehip syrup. During the World War II groups like the Scouts, Girl Guides, schools and the W.I. were encouraged to gather hips, harvesting hundreds of tons a year to be processed into syrup. Lastly, it is held that fairies eat hips as an aid to being invisible, which you have to admit is indisputably effective...

## SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Alan Eathorne

### The School's Blooming Lovely Visit...

The children in Class 2 enjoyed a glorious visit to Blooming Lovely Plants and Garden Gifts at 12, Butt Lane, in the village, earlier this month as part of their topic - 'How Plants Grow'.

The children were made to feel really welcome and were allowed free rein to explore the garden. They marvelled at the different plants, loved hunting for frogs and fussing over Bobby the dog!

While there, they also discovered how different plants grow (from seeds, bulbs, tubers etc), identified lots of different flowers and sowed their own pea and bean seeds to take home! The children were also given a goody bag and tomato plant each. Thank you to Melinda, Keith and Jan... it really was a magical afternoon spent in a 'secret garden'.

## BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

The last burials in All Saints churchyard were carried out in 1912, although a space has been reserved for a memorial garden and the burial of ashes. In 2005 the management of the graveyard was transferred to Harborough District Council, which became responsible for grass cutting, tree works, weed control, pathways, gates and wall maintenance.

The cemetery on Welford Road, on the other hand, is administered completely independently, under the control of Husbands Bosworth Parish Council, which has a statutory duty as the Burial Authority. Maintenance of the site, including grass mowing, hedge trimming and care of the remains of the Chapel of Rest is paid for out of Parish Council funds.

A recent family history enquiry received by the Historical Society entailed a consultation of the Burial Board ledger, which has been in use since the cemetery first opened for

business in 1859. There is a legal requirement for a record of all burials to be made and, in continuous use, our trusty tome has sadly suffered badly during its 164 years of continuous use.

Although a casual glance over the uneven greensward of the site today

would seem to indicate that there are plenty of grave-spaces remaining to fill, in actual fact the Burial Book (and associated Cemetery Plan) record the interment of over 1,300 souls, with almost no empty spaces within the original walled area. In 1941 an acre of land at the rear of the site was purchased from the adjoining landowners, Leicestershire County Council, to provide additional spaces.

*Editor's Note: At the current rate of community attrition the enlarged cemetery is projected to be able to accommodate more than 60 further years of burials.*

### FESTIVAL OF ARCHAEOLOGY

The month of July sees the welcome return of the Leicestershire and Rutland Festival of Archaeology. Running from Saturday, July 1<sup>st</sup> to Sunday 30<sup>th</sup>, the Festival is a series of events, including talks, heritage walks, demonstrations and re-enactments across the two counties.

Local guided walks include Hallaton Castle, Ingarsby deserted Medieval village, the 'shrunk' village of Stonton Wyville and the Burrough Hill Iron Age settlement site. Lutterworth Museum will be hosting Stone Age flint knapping demonstrations, there will be special guided tours of the Wigston Framework Knitters' Museum and Hallaton Museum will be open, as usual on Saturdays and Sundays 2.30pm - 5.00pm.

Closer to home, Lutterworth Fieldworking and Archaeological Group will be undertaking test-pit excavations in Lutterworth town. The Lutterworth group and Great Bowden Heritage Group have also produced downloadable self-guided heritage walks.

Many events during the Festival are free, but there is a small charge for some events - children are usually free, so the Festival events are a great way to introduce youngsters to the past!

**For a full programme of events please go to: [www.leicsfieldworkers.org/festival-of-archaeology](http://www.leicsfieldworkers.org/festival-of-archaeology)**

### CRAFT GROUP

The Craft Group meets on the second Wednesday of each month in the Committee Room of the Village Hall, 7.00pm to 9.00pm and especially welcomes new members. This is a local, friendly and informal group where craft-minded folk are able to pick up new ideas and practise their craft in a relaxed atmosphere away from the distractions of home life.

A small fee is charged to cover refreshment costs and hall charges.

For details contact Gail on 880413.

### HISTORICAL SOCIETY

Our Winter Programme for the 2023-4 season is now taking shape... We will be resuming meetings on Wednesday, October 4<sup>th</sup>, when Stephen Evans of the *Friends of the Great Central Main Line* will be outlining the progress that has been made in the project to reconnect the preserved heritage line from Birstall to Loughborough with the line from Loughborough to Ruddington, on the outskirts of Nottingham.

Also lined up is a detailed look at the recently discovered Rutland Roman mosaic and villa site at Ketton and the on-going project to rejoin the Ashby Canal to its original terminus at Moira.

In some ways, closer to home, we look at local business, Languard's part in the decontamination of Gruinard, the anthrax island off the coast of Scotland, in 1985.

\*\*\*\*\*

*Meanwhile, our Summer Outing will be on Wednesday, June 14<sup>th</sup> when we will be going to Stonehurst Family Farm and Museum, Mountsorrel. The farm has a rural museum, a working farmyard with animals and café. For those wishing to have lunch we have arranged for us to eat at 12.30pm. The museum tour will start at 1.30pm and will take about an hour. Museum entry will be £5 per person.*

### WELFORD ACTION GROUP

The Welford Action Group (WAG), which campaigns on traffic issues relating to Welford and the A5199 corridor, has recently contested a renewed planning application for the Portly Ford site adjacent to the A5199/A14 junction.

Despite opposition from WAG, planning permission was granted recently for the development of the former quarry site to the south of the junction, which will see a petrol filling station, Drive-thru fast-food and coffee stop and hot food restaurant built, with a total of 150 car parking and 78 HGV parking spaces.

A further application has now been put before Northants West planners, which proposes the erection of three B8 storage units, of 90,000sq. ft., 178,500sq. ft. and 50,000sq. ft.

WAG are opposing this latest development on the basis of the likely increase in HGV traffic travelling to and from the site along the A5199, especially at times of motorway closures.

**See details and comment at: [WND/2023/0148](http://WND/2023/0148)**

### VILLAGE LUNCH

The next Village Lunch will be on Wednesday, June 28<sup>th</sup> at Kilworth Springs Golf Club, South Kilworth Road, North Kilworth. We meet at 12.30pm to eat at 1.00pm.

The Village Lunch is a great place for those new to the area, retired or living alone to catch up with old friends and all the gossip, and make new friends in a warm and friendly atmosphere.

The cost of the two-course meal, including tea/coffee and mints is £12.50 per person.

# CHURCH NEWS

All Saints Parish Church & St. Mary's Roman Catholic Church

## ALL SAINTS CHURCH NEWS

"The greatest among you must become like the youngest, and the leader like one who serves."

Luke 22 v26

This passage, in which Jesus sets out his model for the Kingdom of God, must have astonished his disciples, standing in stark contrast to the way Roman society worked. Roman society was very stratified and your place was determined by several factors; your ancestry, rank, wealth and political privilege, gender and, of course, at the very bottom came the slaves...

Life in Roman society was fixated on maintaining your status, and if possible, working your way up the social ladder. This way of life was in stark contrast with how the Kingdom of God was to work. Instead of a race to the top, the Kingdom of God is a race to the bottom. Instead of a race to accumulate money and possessions, is it a race to give them away. Instead of a race for authority and power, it is a race to serve others. It is an upside-down kingdom in which your place is not determined by who you can command, but by who you are willing to serve. Only a tiny minority, 1.3% of people in England, now attend the Church of England - we should get special funding as an endangered species! Because of this, many of our parishes are hanging on by their fingernails, with a handful of the faithful people desperately trying to keep the lights on and the doors open.

It is not sustainable - the Church of England expects a quarter of its churches to close in the coming two decades. Mostly small village churches, the church will disappear from the countryside and recede to the cities and larger towns.

We need to be a humbler and simpler church. The complex rules, structures, and organisational systems of the Church of England were developed for a large, successful and powerful church, which are unsuited to the tiny, struggling church we are now.

I hope we will also be a bolder church - a church where all Christians are confident about their faith. Where each Christian is both ready and able to witness to their friends and neighbours about how wonderful Jesus is, and share the amazing message of hope and salvation that he offers.

Actually, I think this transformation - if we can pull it off - will be the most hopeful thing to happen to the church in my lifetime. A new church is being born, humbler, simpler and bolder, that will be church in a new way. It is not going to be an easy, but it will be a life-giving journey.

## FOODBANK COLLECTION

All Saints Church will be supporting the Lutterworth Foodbank with a collection day on Friday, June 23<sup>rd</sup> from 2.00pm to 5.00pm. Come and enjoy a cup of tea or coffee and biscuits and natter when you bring your gifts. Usual gifts are very welcome - tinned potatoes, soup, rice pudding, biscuits, cleaning materials, toiletries and the odd treat! Perhaps some suntan lotion might be appropriate at this time of year... Many thanks for your support.

## ST.MARY'S NEWS

✠ As part of our 150<sup>th</sup> Anniversary Year celebrations we have a monthly visiting speaker. On Sunday, June 18<sup>th</sup> our speaker is Fr. Andrew Starkie. Fr. Andrew is pastor of the Ordinariate Mission in Manchester, but was formerly Vicar of St Gabriel's Church of England Church, Middleton Junction, Manchester and was amongst the 'first wave' of Ordinariate Clergy to be ordained, in 2011. We look forward to meeting him at the 11.00am Mass.

✠ We now have commemorative mugs for our 150<sup>th</sup> Anniversary, which will be on sale in Church and also during the August Flower Festival.

✠ A new statue of Our Lady of Walsingham, has been commissioned, and is now in situ in Church. Walsingham is the English national shrine in Norfolk and we are glad to have this new statue to aid our worship.

✠ We continue to celebrate our mid-week Mass at St. Mary's every Thursday at 10.00am. We also meet for coffee after our Sunday Mass at the Glider Club or the Stable House at Kilworth

✠ Fr. Matthew and Vanda are running an exploration course for those interested in the Christian faith. Email [matthewpittam@yahoo.co.uk](mailto:matthewpittam@yahoo.co.uk) for more details.
