

BUILDING LINES

As you will no doubt be aware, Harborough District Council's housing strategy has decreed that Husbands Bosworth will be expected to accommodate over 100 new dwellings over the next 15 years.

In a 'Call for Sites' exercise earlier in the year, the Parish Council, as part of the on-going Neighbourhood Plan review, identified a number of development sites, which have recently been professionally assessed for their suitability, viability and potential.

The next stage is to consolidate the findings of the report with a public consultation exercise. To this end, we are inviting villagers to complete a simple questionnaire.

The questionnaire seeks your views on how you would like the village to develop in the near future, both in structure and infrastructure - what you would like, and where you would prefer it to go....

It will also take the opportunity to look at number of other aspects of community life - areas where the Parish Council has a more direct influence, such as service provision and local facilities.

This is your opportunity to help shape the future of our community...

Simply scan the QR code to get started!

The questionnaire will be primarily on-line, which helps

with the analysis and assessment. However, if you would prefer a paper copy please contact the Parish Clerk, Derek Watson on 01858 881109 (or email: clerk@husbandsbosworthpc.org.uk)

SHOWCASED...

Many thanks to everyone who came along to the Horticultural and Craft Show, and those who entered exhibits. Despite the hot, dry summer we were amazed at the produce that was entered. Altogether, 56 entrants 'fielded' 360 exhibits!

None of this would be possible without the support and encouragement of our sponsors and volunteers. So, a big thank you to everyone who helped behind the scenes on the day... We also need to thank our sponsors: the Parish Council, Throgmorton Associates Wealth Management Ltd. (Enderby), Ascoughs Bistro, and Brian and Eleanor Murphy. Also, a special thank you to all those who donated gifts, money or their time to making sure the show was a success.

As always, the show is a non-profit-making event, and has been for the last 140 years. So, we are pleased that the proceeds of our shows go to local good causes - last year we helped our Millennium Wood, the Mums & Tots Group and the Causeway Coffee group, and of course, we kept some back to pay this year's fixed costs.

Of course, the heart of the show is not about how much we make, but about community and the spirit of light-hearted competition, admiring the different exhibits (or checking out the competition), winning on the tombola/raffle or simply enjoying a cup of tea and a homemade cake and catching up on village gossip!

Once again thank you, and we look forward to welcoming you and your families next year. Sunday, 2nd August 2026 is the provisional date.....SAVE THE DATE!

BUGLE POSTBAG

From A Concerned Villager

As an older villager, I've been following with some interest the recent village Facebook threads concerning incidents of antisocial behaviour - knock-and-run, around the village, although I've not been directly affected.

We've all been kids and probably all done things that irritated our elders, I certainly wasn't an angel - but I'd like to think that when we did something that annoyed particular folk and specially if we were told to stop, that we realised that our pranks perhaps went a bit too far and stopped doing it.

Fair enough, a joke is a joke, but it is easy to see how it can get serious and even dangerous both to the one who is targeted, and also perhaps stands a chance of getting out of hand. I see loads of kids around the village, specially around our wonderful school and I always think how blessed we are to live in such a harmonious community - it would be such a shame if this harmony is destroyed by a lack of consideration. Prank but don't pester!

POLICE FILE

To contact your Dedicated Neighbourhood Team (DNT) online, use the quick and simple online contact tool - Search *Lutterworth Police*. You will be asked a few questions to make sure your query gets to the right place.

LISTENING TO YOU...

Road safety issues frequently feature as 'top of the bill' in our face-to-face meetings with people in our communities. Things like speeding, general driving offences and queries about documentation, such as insurance, road fund and MOT often crop up.

In response, we have recently stepped up proactive patrols, speed checks and other road safety actions across the Beat Area.

On a recent 'visit' to the A4304 High Street, Husbands Bosworth, our colleagues in the Road Safety Team logged eight drivers exceeding the statutory speed limit during a 110 minutes stint.

A concerning increase in vehicle crime, including break-ins to vehicles, tools and equipment thefts from vehicles and criminal damage, has been reported recently across our Beat Area, especially in the more remote rural areas or away from the main thoroughfares.

Tradespeople are urged to make it clear that vans in particular, are not left with tools in overnight.

Car owners are reminded to park off-road if at all possible. If off-road parking is not an option, try to park in well-lit areas where there is likely to be passing traffic or pedestrians to deter opportunist thieves.

BOSWORTH IN FOCUS

WILD ABOUT BOSWORTH

Himalayan Balsam

Like much of the flora and fauna that we have looked at in this series, Himalayan Balsam is a non-native invasive species. Growing wild in the lower reaches of Himalaya regions of India, Tibet and Nepal, the plant came to the attention of the East India Company, which was looking for commercial plants to exploit, specifically fibrous plants for marine rope and sail making.

It was subsequently introduced into the UK in the early 1800s for ornamental planting. Its rapid growth and abundant foliage and brilliant hued blossom soon became a favourite in country house gardens, and was especially suited to wetland and river margins. Growing from tender shoots to over 2m high within a season, and possessing an amazing profundity, the plant soon spread beyond its original remit...

These days it is a common sight on our canal and river banks, where it tends to smother out native plants, often taking over vast 'groves' along the banks. Water-side management often sees the need for control programmes, which entail grubbing out mature plants or 'balsam bashing' parties, where the plants are destroyed before they can seed.

Seeding is Himalayan Balsam's party trick... As the plant matures in the autumn, the flowers develop into pendulous 40mm long seed pods. As these pods mature and dry, tremendous tensions build in the outer shell, which on reaching a critical point, burst open with explosive force, often just by being brushed in passing, scattering the small round seeds over vast distances... A great game for young children, but seriously detrimental to the environment!

Anyway, all is not negative... bees love the flowers; the honey produced is subtly scented, and the flowers themselves can be used to make a fragrant jelly preserve or cordial.

ART WORKS

The members of the Welford Watercolourists Group will be staging their Annual Exhibition and Sale of Paintings in Welford Village Hall, over the weekend of Saturday October 18th and Sunday October 19th from 10.00am to 4.00pm daily.

The twelve members of the group paint together every Wednesday morning throughout the year.

The exhibition will feature a wide selection of subjects, including original landscapes, paintings of birds and animals and botanicals. A selection of greetings cards and prints will also be on sale.

Light refreshments, including delicious cakes, will be available throughout the weekend in the refurbished Billiard Room. A percentage of all sales will also be made as part of this event to this year's nominated charity, Guide Dogs for the Blind.

WELFORD CINEMA

On Saturday, October 4th Welford Cinema will be showing the film version of Richard Osman's best-seller, *The Thursday Murder Club* (2025).

In a stellar cast production, four retirees while away their time solving cold case murders for fun. However, their casual sleuthing takes a thrilling turn when they find themselves with a real whodunit on their hands...

Doors will open at 6.45pm, as we will carry out the official opening of the refurbished Billiard Room on that night as well!

Saturday, November 1st *Mr Burton* (2020)

Saturday, December 6th *The Ballad of Wallis Island* (2025)

Curtain up at 7.00pm. Welford Village Hall, £7 on the door (*Card payment accepted*)

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head of School Alison Vickers

The children have settled back into school life wonderfully, and are already having so much fun! They're enjoying activities like swimming lessons, after-school Art and PE clubs, choir, and even some inter-school sporting competitions.

Autumn had truly arrived as we celebrated our Harvest Festival in our charming village church, and it was especially heartwarming to welcome Rev. Paula who kindly led the service. The generosity of our community was amazing, with so many donations to the Lutterworth Food Bank from parents and children.

That spirit of kindness continued with our sponsored Crazy Hair Day to raise funds for Cancer Research, LearnAt's chosen charity. The kids went all out with their colourful hair creations - there were even flashing lights, ice cream cones, and one very creative Pot Noodle hairstyle! Everyone, staff included, had a blast getting involved!

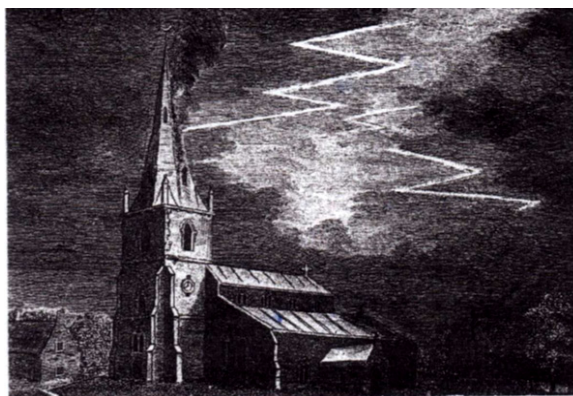

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

Our Parish Church members, always struggling for funding for the upkeep of the fabric of the building, are currently in the process of launching a campaign of sustained commitment from the wider community in order to help stabilise finances and establish a dedicated fund-raising arm.

The efforts of the group to keep our church upright reminded me of a well-documented

incident in 1755, when the church steeple was struck by lightning. This picture and the first-hand account, which hangs in the church today describes the terrible scene.

This Church received much Damage by a most Dreadful Storm of Hail and Rain with terrible thunder and lightning as has not had its equal in the memory of Man. On Sunday 6th of July 1755, between seven and eight in the Evening Several stones were struck out of the Walls... the Bells displaced, their frames and wheels wildly splintered, the Spire in particular was very much shatter'd, a large chasm opened in it, about twelve Yards in length & one in breadth, from whence many heavy stones were forced to a very great distance; Globes of fire were seen in the air. Flashes of Lightning in a terrible manner ran along the Streets, and a great Smoke and sulphurous smell issued from the Appertures of the Spire; and what is remarkably providential several hundred weight of stones fell about and upon the grave which Minifer (and a Large Congregation attending) had just before buried a Corps, which Funeral Rites... muft inevitably have occasioned the Mournfull solemnity of many.

One can only wonder at the wringing of hands among the community at such terrible destruction - and the determination of the villagers to restore the damage.

Today, whilst we don't expect such dramatic incidents, the parish church still needs the community to support it, to improve the facilities, to enable the building to support wider events... but most importantly, to help to keep it upright!

FOBS NEWS

We are pleased that FOBS has had a fantastic fund-raising year!

Our Summer Fair made a fantastic profit of over £1850 and, along with our other fund-raising events, we've been able to make a donation to the school towards new iPads and computer equipment.

CHURCH NEWS

All Saints Parish Church & St. Mary's Roman Catholic Church

ALL SAINTS CHURCH NEWS

We had a useful meeting of the benefice churchwardens with Archdeacon Claire Wood and Area Dean, Nigel Byard in September to learn more about the forthcoming changes and the help available for the parishes now, that we no longer have our own priest. For the moment it is "carry on as you are", perhaps for some time to come.

By the time you read this, we will know whether sufficient support for the Friends of All Saints Church will allow this idea to come to fruition. It will require input from outside the Parochial Church Council, the members of which, with the churchwardens, have too much to do to take on any more tasks.

In August, we had a version of Songs of Praise, lead by a churchwarden, which was well received and indicates the sort of service we will have to arrange ourselves from time to time. Recent work about the fabric of the building itself has included arranging fire extinguisher tests in the church, obtaining an asbestos report and a fire risk assessment and fixing a date for the Rosebay Willow-herb to be removed from the steeple. This is in addition to our usual services for which we hope to get the help of a retired priest, although this may not always be possible.

Peter (Churchwarden)

REMEMBERING...

This year All Saints Church will join together with St. Mary's for a special ecumenical service on Remembrance Sunday, November 9th.

Our traditional parade will muster, as usual, on the Old Green and process to the War Memorial for 10.45am. The service will continue in church.

All are welcome to join us.

We have a full diary of church events, including our ever-popular Christmas Tree Festival, leading up to the Festive Period. Look out for these events - keeping our church alive!

ST. MARY'S NEWS

Mass Services

Sunday Mass 8.00am and 10.00am

Tuesday & Thursday 10.00am

Wednesday 7.00pm

We celebrate Evensong every Wednesday at 6.30pm. All welcome.

Morning Prayer 9.30am Tuesday and Thursday.

[Note that our Sunday Mass services at 8.00am and 10.00am are now permanent!]

Please remember our Conservatory Bookshop, which is open whenever the church is open, as above.

Do come in and feel free to browse an eclectic mix of hard-backs, paperbacks, fiction and non-fiction.

Father Matthew ✠

At St. Mary's we have a side chapel which is the Fortesque Chapel. This is a Chantry for the Fortesque family, who built the Church.

One of the Fortesques was Blessed Adrian Fortesque, one of the English Martyrs. There is a devotion to Blessed Adrian at Husbands Bosworth, and occasionally we welcome pilgrims to pray in the chapel.

We are looking to restore the chapel in the longer term, and are currently exploring the possibility of having a statue of Blessed Adrian made for the chapel as a focus of our devotion. Please get in touch if you would like to know more or assist in any way.
